On behalf of the staff of the Plymouth Local Schools, our students, and our community, I would like to welcome you as our guest. We sincerely hope that you enjoy the athletic contest presented here today. As a spectator we consider you to be a valuable part of our effort to provide our youth with an opportunity to learn and grow through athletic competition. Our Athletic Code of Conduct states that the playing field is where life's lessons are taught and learned. We feel that all present here today are a part of that learning that will help our youth to become strong adults as well as contributing citizens of the future.
