Plymouth High School Majorette Trip

The majorettes would like to thank the following people and businesses for their support this year. Without the generation donations of food, raffle prizes, money, and time, our trip to Dallas, Texas, to perform in the 2015 Goodyear Cotton Bowl wouldn't have been possible.

Thank you again for everything!

The Ohio High School Athletic Association

OHSAA Mission

The Ohio High School Athletic Association's mission is to regulate and administer interscholastic athletic competition in a fair and equitable manner while promoting the values of participation in interscholastic athletics as an integral part of a student's educational experience. The OHSAA represents its member schools by recognizing and promoting academics, the safety of participants, good citizenship and lifelong values as the foundation of interscholastic athletics.

OHSAA Commitment

The Ohio High School Athletic Association is committed to serving its member schools by being the nation's premier non-profit athletic administration organization. We will:

- Provide exemplary athletic oversight through swift, fair, consistent and impartial regulatory rulings;
- Operate with openness that generates trust and with fiscal accountability;
- Provide impartial, responsive and inclusive leadership;
- Conduct tournaments of nationally recognized excellence; and
- Honor our ultimate purpose, which is to foster lifelong values, good citizenship, ethics and a fair-play approach to life among student-athletes while promoting safe and sporting-like athletic environments.

Fan Fair Play Code

- I will remember that young people play sports for THEIR enjoyment.
- I will have realistic expectations and will understand that doing one's best is just as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage others do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will show respect for my team's opponents because I realize there would be no game without them.
- I will not use bad language and will not harass athletes, coaches, officials or other spectators.
- I will always show good sportsmanship. Young people learn by example.

Act with Courtesy
Speak with Dignity
Play with Pride
