AA Sectional Shelby Dominates at Mehock

By Mike Van Sickle
Was there ever any doubt?
"We could have done better," said Shelby track coach Larry Baldridge.

Baldridge is a perfectionist. But if his Whippets had one better Saturday in the Class AA Sectional track meet at Mehock Field they could have met themselves for the District next week at Bowling Green and just advanced right to Columbus.

Shelby shouldn't have bothered to show up Saturday. The Whippets should have simply had their whole team — including trainers and water boys — placed in the fastest heats at the State Meet. The meet would have been much more competitive.

The Whippets scored 139 points, beating runner-up Huron with 84 and third-place Lexington at 36. They did it with six firsts and qualified with 17 chances to cop the District crown.

"The field events got us rolling," said Baldridge, whose youthful appearance denies his coaching excellence. "Dwight (Downs) came through and surprised me by beating (Jim) Titlow from Clear Fork in the discus and we placed some of our younger kids in the long jump and high jump."

Downs won his specialty, the shot put, in a distance of 53-4 1/4, then flipped the discus 154-1 top top Titlow by over a foot. By the time the field events were over, Shelby already had 50 points.

Shelby claimed both relay events. The

team of Keith Ensmen, Tom Imhoff, Todd Varble and Bret Hinaman ran off a 1:33, in the 880 and Ron Strine, Dennis Arnold, Hinaman and Imhoff charted a 3:28 for the mile crown.

Individual Whippet winners are Arnold in the 440 with a fine 50.1, and Hinaman in the low hurdles at 20.8, another excellent time.

Perry James represented Lexington very well in the high hurdles, logging a first-place 15.5 clocking. Craig Jones of Ontario breezed to the 880 run title in 2:00.5. They were the only other area firsts.

On the whole the Mansfield area will be represented by 31 top-four finishers at the District meet.
