

Official Program

1974 STATE HIGH SCHOOL TRACK CHAMPIONSHIPS

A-AA-AAA

DEDICATION

FRED BEEKMAN

1947 Beekman was on active duty with the U.S. Army. He returned to Ohio State in 1947 where he earned his Master's prior to joining the Buckeye staff.

It is with sincere appreciation and gratitude that this dedication is made to Mr. Fred Beekman.

The 1974 OHSAA State Track Meet and this program are dedicated to Mr. Fred Beekman who has coordinated the State Track Meet for Twenty-Five years.

Fred Beekman joined the staff of The Ohio State University in 1948 as assistant director of recreation and intramurals. He held that position until 1963 when he was appointed Director, succeeding Leo Staley.

As Director, Beekman oversees one of the largest and most extensive college intramural programs in the country. Last year alone, more than 50,000 students took part in a recreational activity or belonged to one of the many intramural teams at Ohio State. Under Beekman's supervision the program has expanded to 27 different activities offered during the academic year.

Over the years Beekman has also been actively involved in officiating (on all levels) as well as other sports related activities.

For 25 years now the widely respected Beekman has served as meet manager of the Ohio State Track Relays. Along those lines, the 1942 graduate of Ohio State has also coordinated the Ohio High School Track Championships the past quarter of a century and both meets are considered among the best in the country.

Beekman is a native of Bath, New York. A graduate of Haverling High School, he entered Ohio State in 1938, earning a B.S. in Physical Education four years later. From 1942 until
