**Will Rogers Picks A Story For This Spot**

**By WILL ROGERS**  
 THERE used to be a lot of guys that bragged about how well they could carry their liquor, but I notice fewer and fewer of them is left alive. It seems the kind of stuff we have with us today don't carry well, and a fellow has got to lie about it if he says he got home all right and his wife never noticed it.

I was told about a guy that went to a big dinner in New York. It seems he lived away out in Yonkers or somewhere, and he was worried about waking up the family when he got home. He was getting to feeling kind of bad about about midnight, at the dinner, and he told another fellow how he felt about waking up the poor family. So this bird says, "You don't have to wake anybody up. I'll tell you how to do. Just like I do. When you get indoors, just take off your clothes downstairs, and fold all your duds into a neat pile and carry them up with you, and then you won't make no noise, undressing nor stumping upstairs with shoes and overcoat on."

So the next time these two gay parties got together, the one that gave the advise says, "How did you get along that night?" "Not so good," says the other one. "I done just like you told me, and I took off my clothes, every darn one of them, at the bottom of the stairs, and then I carried them upstairs with me." "Well, that ought to be all right." "But it was all wrong," you see, when I got to the top of the steps, I found out I was in the lobby of the Roosevelt Hotel, and had just come from the Grand Central Station."

**SHELBY WINS TRACK MEET**

From Plymouth High, 80 to 33, in Fourth Victory of Season.  
 (By Fred Palmer)  
 Shelby High won their fourth track meet of the season yesterday afternoon. The cold wind numbed the boys so that good time was out of the question, and track was slow, the cinders being very loose, for it takes about three years to pack a track down so it.

Plymouth was able to take four firsts, the 100 and 220-yard dashes, the discus and javelin. The visitors did not have a pole vaulter so this event was not contested. There were no sensational finishes to any of the races, the winners having everything their own way.

Shelby has been fortunate in winning all its meets but Friday afternoon, when the school meets Ashland and Wooster in a triangular meet, the boys will be the last meet at home and have to work to win. This will we hope the boys will come through with a clean slate but they have a tough job ahead of them.

**SALESBOOK WINS OPENING GAME**  
 Last Year's Champions Take Junior Order Into Camp in Curtain Raiser.  
 (By Fred Palmer)  
 The Shelby Salesbook team, last year's champions, won the opening game from the Junior Order, 17 to 0. The game was never in doubt after the first inning as Reidel was a trifle wild and his catcher was unable to hold him. Speer was touched for one hit in the first and three in a row in the third, a great catch by Joe Lindsey keeping the Juniors from scoring.

The Junior Order is a new team in the league, taking the place of the Shelby Water Company, and not much can be expected of them the first year. Their poor base running and lack of team-work was noticeable in contrast with the seasoned Salesbook outfit.  
 Gaston Ewalt, the oldest player in the league, was the batting star, getting a single, double and triple in five times up, and also parking under two flies.  
 The crowd was the largest ever seen at an opening game and all indications point to a good attendance this summer.  
 The Legion-West Dry Cleaner game, scheduled for Monday night, will be played Thursday night.
