

Three Indian Homers Bury New York, 10-4

Gene Woodling Hits Four Solid Blows

By FRED THARP, News-Journal Sports Editor

CLEVELAND — The Cleveland Indians must have been visiting the lumber yard. For last night they got more wood on the horsehide than at any other time this year and the payoff was a resounding 10-to-4 triumph over the World Champion New York Yankees. Tribe bats exploded for 13 base hits, three of them home runs.

Vic Wertz, Gene Woodling and rookie sensation Roger Maris propelled the ball out of the lot as the Indians closed the gap on the front-running Yankees to only 1 1/2 games. The 10-run spree was the biggest off Yankee pitching this season and only the second solid defeat the New Yorkers have suffered.

Woodling, the former Mansfield Brave flycatcher, was a particular thorn to his former teammates. Woodling unleashed four straight hits, including a three-run homer, to help bury the Bronx Bombers. Woodling peppered the Yankees with six base hits in the two-game series at Lakefront Stadium to boost his 1957 batting average to .441 in 13 games.

GOOD FIELDING
"It's sure good to get hits that lead to the downfall of the Yanks," Woodling said after the game last night. "We have to beat seven clubs to win the pennant, so we might as well begin by taking the champions down a peg."

Mickey Mantle had boosted the New York Yankees into a 3-0 lead in the third when he poked a homer with two men on the sacks. Wertz waited only an inning longer to break his 17-game homer famine. And what a wallop it was. He laced an Art Ditmar pitch into the stands in the fourth with two aboard and then the Indians took over for good in the fifth when George Strickland doubled and Woodling followed with a single through the middle.

MAKES THINGS EASY
Woodling's three-run homer in the sixth made things easy for Early Wynn and Maris completed the damage with his two-run homer in the eighth.

Wynn gave the Yankees nine hits until Ray Narleski came in to squelch a Yankee rally in the eighth with Berre's single in the ninth. He plated Gil McDougald with the first run of 1957 off the Tribe fireman.

HEGAN GETS THREE
Jim Hegan added three Tribe hits before the crowd of 15,629. Wynn's victory was his third of 1957 against a pair of defeats.

The Tribe treated Ditmar, Tommy Byrne, and Al Cicotte alike. Bob Grim, the third Yankee pitcher, was the only one to escape damage as he held Cleveland hitless in his one-inning stint. McDougald got three of the 11 New York hits and Billy Martin picked up a pair. New York leads Chicago throughout with looping lefts and rights to the body for his seventh win in a row.

Mansfield Runs In Relays Meet

NEW CONCORD—Fifty Ohio high schools including Mansfield Senior High will enter track teams in the annual Muskingum Invitational Relays here Saturday.

Mansfield Coach Harry Mechock planned to bring a 19-man squad to the Relays, the third time Mansfield has been represented here. The Tygers finished second in 1953 and won top honors in 1954.

Akron North, which won out over Lakewood last year 50 1/2 to 49, will put its "AA" title on the block, while Richmond, which won out over Shreve by a scant 45 1/2 to 44 1/2, will defend its "A" title. In the "A" class, Fredericktown finished third in 1956.

The meet will begin at 10 a. m., EST. Finals in all running events will begin at 1:30 in the afternoon. The meet will include all the regular events plus a shuttle-hurdle relay.

The Muskingum meet annually attracts some of the outstanding track teams of the state. It is the last major invitational meet to be held before district competition begins. More than 500 athletes will participate Saturday.

Williams Blasts Pilgrims To Battle Nine Foe

NEW YORK (INS)—Ted Williams and Cincinnati are baseball's hottest items; the coldest is the New York Yankees, whose bid for a breakaway has been thoroughly chilled by the Cleveland Indians.

Williams hit three homers, counted for all of Boston's runs as Frank Sullivan won his first of the year with ease, and 474 batting average both Bob Keegan was the victim. The Red Sox still are in third place, a half-game off the pace.

2. Don Hoak, hottest member of the blazing Cincinnati squad, hit a grand slam home to give the Redlegs to a 7-to-6 win over Brooklyn. It was Cincinnati's ninth win in a row, concluding an all-victorious eastern road trip and moved the club into second place a half-game from the top.

3. Cleveland came through for the injured Herb Score and walloped the Yankees, 10 to 4, to leave the top six A. L. teams only two games apart with seventh-place Baltimore, just four games out.

In other American League games, the Detroit Tigers came from behind to hand the crumpling Washington Senators their 10th straight defeat, 11 to 3. Baltimore unleashed a 13-hit attack in trouncing Kansas City, 11 to 2.

In the National League, rookie Don Cardwell outpitched Gene Conley as Philadelphia nipped Milwaukee, 2 to 1. Another newcomer, Dick Drott, scattered six hits while his Chicago Cubs thumped Pittsburgh, 7 to 1. St. Louis rapped John Antonelli and four relievers for 19 hits to crush the New York Giants, 13 to 4.

A 233 game by Cortes Shepherd was the high single effort in the tournament while Wilfred Metzger's 254 was tops with handicap.

Marlin Cole paced the Depot league bowlers with 659, good for third place in the standings. He was followed by Jim Yarmar's 658 and Bud French's 653.

Best Spring of All

Musial Wants 7th Title

BY TONY GALLI
NEW YORK (INS) — Stan Musial, super star of the St. Louis Cardinals, said today he's swinging this year for a .340 or .350 average and his seventh National League batting championship.

The slugging first baseman, who rapped out three hits in the Polo Grounds Wednesday to George Sisler's career output of 412 hits, told International News Service:

"I think that average should be good enough to win the batting title this year and I think I can hit that. This is about the best spring I ever had. Don't ask me why. What am I hitting now? .402? One thing sure, I'll finish better than last year."

Stan, three-time most valuable National League and "Player of the Decade," slumped to a .10 last season, the lowest batting average since he came to the majors in 1941. He also rapped 27-home runs and led the league with 109 runs batted in.

The 36-year-old veteran of a world war, four World Series and a record 13 All-Star games not only thinks this will be one of his best years since his great .376 batting, 131-RBI
