

Stretch-Running Tom Rolfe Wins Rich Preakness

By RAY AYRES
BALTIMORE (UPI) — Tom Rolfe, driving through the stretch like an express train, survived a foul claim to win the \$100,000 Preakness Stakes by a neck Saturday as Lucky Debonair, the Kentucky Derby winner, was injured in the race and finished seventh, before 38,108.
Dapper Dan, runner-up in the

Kentucky Derby on May 1, again was second and Hail To All finished third in the field of nine 3-year-olds.
Lucky Debonair, who only raced once as a 2-year-old because of a various ailment, suffered a bucked left front shin, which is a rupture of the sheath covering the shin.
But even a half and hearty Lucky Debonair would have

had trouble with Tom Rolfe who outgamed Dapper Dan to the wire in a furious whipping and driving finish which resulted in a foul claim.
As Dapper Dan, charged along the rail in a bid for gold and glory, Tom Rolfe moved over on him after the race jockey Ismael (Milo) Valenzuela claimed the move had interfered with Dapper Dan who

was second in the Kentucky Derby two weeks ago by the same margin by which he lost.
It was deliberate move by Ronnie Turcotte who rode Tom Rolfe but after viewing films of the race the steward ruled there had been no interference and did not allow the claim.
For Valenzuela did not have to stop working on Dapper Dan in his furious battle with Tom

Rolfe who was third behind him in the Kentucky Derby.
It was four lengths farther back to third place Hail To All who beat Native Charger by a neck in the mile and three sixteenth race worth \$128,100 to Raymond Guest, the U.S. Ambassador to Ireland who owns Tom Rolfe.
Tom Rolfe, winner of the Cowdin Stakes last year and the Chesapeake Stakes earlier

this year, only arrived at Pimlico Saturday morning. Trainer Frank Whiteley had shipped the son of Ribot to the track from nearby Laurel.
Tom Rolfe was also late reporting to the paddock but he was on time when he hit the finish line. The colt was fifth as Flag Raiser went to the front at the start and opened up a big lead around the first

turn and down the backstretch. As the field left the backstretch, Tom Rolfe started to fly. He was 10 lengths behind Flag Raiser, who still was in front but beginning to fade. Coming into the stretch Swift Ruiler, second in the early stages, took the lead as Turcotte took Tom Rolfe to the outside to launch his successful drive through the stretch.

Tygers Win District 'AA' Track Title

TRIPLE WINNER — Mike Ruckman, Plymouth's big man in the district Class A track-field meet at Mehook Field yesterday accepts just one of the three individual medals he won from Senior High's Nancy Dinges. (News Journal Staff Photo).

Shelby's Second In Meet

Mansfield Senior High won only three of 14 events but boasted fine depth in returning to the top of the heap in the district Class AA track-field meet at Mehook Field yesterday.
The gusty wind alternately helped and hindered the athletes as the top two performers in each of the events qualified for the regional meet here next Saturday.
Senior High piled up 59½ points to breeze past Northern Ohio League champion Shelby which amassed 41 markers in the 12-school field. Marion Harding followed with 36 and Mansfield Malabar had 21.

SCHNUERER STARS
Crack hurdler Tony Schnuerer won both his specialties, one in record time, to spark the Tyger triumph. He won the 120-yard high in a record 14.5—slicing a half second off the mark of former Tyger A. C. Jenkins which had stood since 1950. Schnuerer also ran second in the century to pile up 16 points — best for an "AA" performer.
The other Mansfield first came on the flying heels of Larry Kennebrew, Jim Webb, John Miefert and Walden "Butch" Jefferson in the mile relay.

Fifth-place Galion picked up 18 of its 19 points on three firsts and Malabar also won three events. Galion's Bob Maloy won the mile in a record 4:32.4, teammate Pete Kemp tied the long jump mark and Terry Strickler was first in the 440.
Madison junior Terry Jordan was the other double winner as he took both sprints.

The other records came in the high jump and shot put. Bruce Fleming of Marion tossed the shot 53 feet, 10 inches to break a record which had stood since 1940. Shelby's Carl Henkel and Senior High's Jacob Zeiss tied for the high jump record with efforts of 6 feet, 2½ inches but Henkel won the event on fewer misses.

MALABAR FIRSTS
Malabar's firsts were by Rick Evans, 2:03.4 in the 880; Adrian Davison, 13 feet, six inches in the pole vault and Larry Franks, 152 feet, seven inches in the discus throw.

Senior High's other regional qualifiers were Chuck Payton, second in the shot put and Jeff Davis, second in the pole vault.
Senior Phil Jones added six points to the Tyger total with thirds in both distance runs while other Tygers taking thirds were: Ellis Vaughn, 100; Terry Swann, high jump; the 880-yard relay team; L. C. Sutton, long jump and Miefert, 440.

Plymouth Wins 'A' Track; Nats 'Buzz' Indians, 9 To 7

Ruckman Gets 3 Firsts

By D. L. STEWART
Plymouth won the Class A sectional track-field title at Mehook Field yesterday, and to Senior Mike Ruckman must go at least half the credit.
Ruckman, a three-sport letterman at Plymouth, single-handedly outscored 14 other schools, racking up 19½ points with an amazing "triple." The sandy-haired athlete captured first in the long jump to start his busy day. Then he came back with wins in 100 and 220-yard dash events. To top it off, he ran the anchor leg on the victorious 880-yard relay team.

ALL NEEDED
But Plymouth needed every one of his points, as a well-balanced Crestview squad finished second just two points behind the winning total of 33 points amassed by Plymouth.
Crestview received firsts from diminutive Charles Cordrey in the mile, and John Caster in the shot put, but also walked off with three second places.

Plymouth's only other first came from half-miler Tom Rish, who toppled one of the three records shattered in the wind-blown competition. Other records were broken by Clear Fork's mile relay team of Don Horn, Dallis Farst, Dres Dill and Roger Bowers, and Sycamore Mohawk's Bob Stover in the 440-yard dash.

PAIR ADVANCE
The top two finishers in each event earned the right to advance to next weekend's regional meet at Upper Arlington.
Clear Fork, which finished third with 22 points, was led by Bob Hoyt who took first in the discus, and ran on the mile relay team.
Winners for fourth-place Lucas were Fred Berry in the high jump and Mike Collins in the low hurdles. Both Cub stars were sectional champs last year. Collins, however, won the pole vault in 1964.

Canadian Horse Wins Gold Cup
CUYAHOGA FALLS, Ohio (UPI) — Gasmegas, a Canadian entry and a surprise starter, won the \$12,500 Gold Cup Handicap Saturday at Ascot Park.
Gasmegas was brought to Ascot from Garden State Park for the 2-mile run.
Doblon, a Chilean entry, was second and Tabuna third.
The pre-race favorite, Oscillante from Argentina, ran out of the money. Oscillante had 17 wins in South America.

CRACK UP — Jim Hurtubise of Tonawanda, N. Y., managed an almost Houdini-like feat when he escaped from this spectacular crash while practicing at Indianapolis for the Memorial Day "500" classic. Hurtubise's racer crashed into the wall, sending parts of the machine flying hundreds of yards away from the point of impact. (Photo by Howard Mathis for Speedway Official Photos).

Rupp Qualifies For 500; A. J. Foyt Wins Pole Post

INDIANAPOLIS (UPI)—Rookie Mickey Rupp of Mansfield, Ohio qualified for the May 31 500-mile auto race here with a 154.839 mph clocking yesterday as defending champion A. J. Foyt, the daring Texan with the heavy foot, shattered the 160-mile-per-hour barrier and beat out Scotland's Jimmy Clark for the pole position.
Foyt's average speed was 161.233; Clark's 160.729; and Gurney's 158.898. The Italian-born Andretti, fastest newcomer in speedway history, will also be in a Ford powered rear-engine car and qualified winner, was next at 158.625, at 158.849 MPH.

ANOTHER SMASHED
Clark, the defending pole sitter also smashed the 160 MPH barrier and dapper Dan Gurney and rookie Mario Andretti likewise figured in the record performances as 19 cars were qualified for the May 31 race for a \$500,000 jackpot.
This left 14 vacancies in the field of 33 for the annual gasoline derby. The time trials will continue Sunday and will be concluded next weekend.
The 19 qualifiers checked in with an average speed of 156.819 MPH, compared with last year's field average of 152.540.

RECORD BLASTED
Foyt, Clark, and Andretti re-wrote Clark's one-lap record of 159.377 MPH nine times and all four eclipsed the former Grand Prix champion's 10-mile record of 158.828 before a roaring crowd estimated by Indiana state police at more than 200,000, the largest on the first day of the trials.
It will be Foyt, Clark, and Gurney in the front row on race day and all three will be

in similar Lotus-Ford rear-engine machines.
Foyt's average speed was 161.233; Clark's 160.729; and Gurney's 158.898. The Italian-born Andretti, fastest newcomer in speedway history, will also be in a Ford powered rear-engine car and qualified winner, was next at 158.625, at 158.849 MPH.

Ground Control, a three-year-old daughter of Middleground, beat Marghua by a half length, with Up Oars a nose further back for third.
Manuel Ycaza, aboard Up Oars, lodged an objection against Don Pierce, the winning jockey, but after viewing the films of the race the stewards ruled the race official as run.

Ex-Tribe Sluggers Homer

WASHINGTON (AP) — Washington home runs by Woodie Held and Bob Chance offset Chuck Hinton's grand slammer as the Senators snapped a four-game losing streak by beating Cleveland 9-7 Saturday.
Held and Chance, who were traded to the Senators for Hinton, accounted for five of Washington's last six runs. Held connected with two on in the five-run sixth inning, and Chance homered with one on in the seventh.

KING HOMERS
Jim King also homered for the Senators, with one on in the fourth.
Hinton's grand slam was off Ronnie Kline, who fanned Vic Davalillo for what would have been the third out of the seventh inning. But the ball got by Mike Brumley for a passed ball and Davalillo reached first, loading the bases for Hinton.

FRIENDLY FOLKS
The game was interrupted several times for discussions between Manager Gil Hodges of the Senators, Manager Birdie Tebbetts of the Indians and Jim Honochick, the plate umpire.
Hodges contended that Sonny Siebert, the starting pitcher, was lifting his foot off the rubber and pitching from in front of the mound. Honochick called two pitches balls before the ball reached the plate.
Siebert fanned eight and gave up only three hits in five innings, including King's homer but was obviously upset.

Kansas Schoolboy Runs 3:58.3 Mile

By TOM BLOUNT
Special To The News Journal
WICHITA — Jim Ryun, one of the two U. S. high school distance runners in the 1964 Olympic Saturday turned in a national prep mile record of 3:58.3 in the Kansas State track-field meet.
The lanky Ryun running for Wichita East High School, turned in the best time for any U. S. mile in 1965 and is the first athlete to run the mile that fast in the state of Kansas.
The old national high school of 4:06 was set last year by Gary Lindgren of Spokane, Wash.
Ryun, who ran the first quarter in 58 seconds and the half in 2:01, had some competition in the early going from teammate Mike Pederson and Steve Perry of Wichita North High School, but left this duo 30 yards behind as he sped the final 330 yards in 41 seconds. Ryun ran the final quarter mile in a fantastic 56.3.

THE CROWD of 8,500 gave him a standing ovation. Ryun and another Kansas prep track star, women's world 446-yard dash record holder, Janell Smith, were honored guests at the meet.
It was the second time Ryun had broken four minutes in the mile. He ran 3:59 to finish fifth against collegiate and open competition in the 1964 Compton (Calif.) Relays.
In Saturday's meet, Bill Kimball of Holsington won the 100-yard dash in 9.6 and also took the 440 and 180 low hurdles in near record times. His 9.6 is the fastest ever run by a Kansas prep.
