Donell Branham leads Red girls in regionals

"And a little child shall lead them!"

An age-old adage comes to mind when one considers the regional Class A track and field competition at Mehock field in Mansfield today and Saturday and that Plymouth girls will be led by a young ninth grader who is just the third distaff competitor to wear the red and white to qualify for regionals in four events.

Count 'em: four.

She is Donell Branham, already the 1985 Firelands conference champion in the 300-meter low hurdles.

On Saturday she led the Big Red girls to seventh place in the district meet at Bucyrus with 34 $\frac{2}{3}$ points. She qualified not only in her specialty but also in the 800-meter relay, in which the Big Red finished second, behind Lucas; in the high jump, in which she took third place, at four feet five inches, behind Diebler of Colonel Crawford and Burkes of Mohawk; and the mile relay, in which Plymouth placed third, behind Colonel Crawford and South Central.

The others who qualified in four events? Anna Noble and Kathy Brown.

Three ninth grade teammates comprise the remainder of the relay quartet: LaVonne Branham, Danelle Smith and Sherry Wagers.

These four and another girl, the versatile Kathy Welker, will represent Plymouth in the regional competition. Miss Welker took third in the 400-meter dash, with a time of 1 min. 3.1 secs.

One boy will wear the red and white in the regional meet.

He is Paul Manuel, who placed fourth in the discus with a toss of 128 ft. 5 ins.
