

Seneca East, Smithville win relay titles at N.L.

By DON HOHLER

NEW LONDON — Seneca East's boys and Smithville's girls won team championship Tuesday night at the 13th Annual New London Relays.

The powerful Seneca East team rolled up 116 points, 20 more than runner-up Smithville. Host New London, running without star Marty Abfall, finished third with 54 points. Western Reserve (38) was fourth and Monroeville (28) fifth.

Smithville's girls came up with a big finish, scoring 28 of a possible 30 points in the final three events, to outdistance Western Reserve 88-55. Monroeville was third with 51.

Seven records were broken on a near perfect day for running — four in boys events and three in the girls. Seneca East boys broke three records, including the pole vault where premier vaulters Gary England and Joe Martin pushed the mark to 25-6, a full 18 inches better than the old mark.

So dominant were the boys teams from Seneca East and Smithville that only one first escaped them. Monroeville's 800-meter relay team composed of Randy McQuillen,

Dana Tjan, Rob Wise and Jeff Anderson won the event in 1:37.9.

"We would have liked to have won some events but Seneca East would not let us," New London coach Bob Knoll jokingly commented. "Seneca East was going to win this year no matter who we had running and Smithville is a solid relay team.

"Marty went home sick today with the flu. He will be back. He is pretty much on track but we also have hopes for both our 1600 and 3200 relay teams."

Both the Monroeville and Western Reserve girls won two events each.

Western coach Donna Fraeulich was pleased with her team's effort, recognizing that Seneca East and Smithville have exceptional squads. "We were consistent with our best times and distances and that is important at this stage of the season.

"Vicky Mahl had another good meet, again breaking the school record in the shot with a 37-4 effort. April Nickoli, Nicki Bores and Nicki Finley also had a good day as did freshman sprinter Paula Motolik. Her times right now are comparable to the school's best senior sprinters.

"As far as the boys go, junior Steve Mahl ran a 4:47 1600 which is good but still somewhat off his best of last year (4:33). Jason Linder has shown marked improvement in the sprints while our distance group of Ron Buchanan, Mahl, Linder, Matt Stinson and Chris Nickoli is also improving and certainly has a chance of moving on in post season meets."
