# Class History

---

On September 11, 1923, a class of eighteen entered the Shiloh High School, for a four years course of study. The members of this class were: Hallie Kaylor, Eugene Dickerson, George Porter, Merle Barnd, Edward Brumbach, Lillian Furney, Donald Hamman, Helen Uhler, Thomas Ruckman, John Quiggle—Shiloh; Leola Hamman—Hogback; Mildred Mellick—Center; Martha Bloom and Roscoe Shatzer—Cranberry; Alice Forquer—Ganges; Madge Wells—Rome; Dorothea Kessel—Paradise; Ethel Culler—Beechgrove.

The Faculty consisted of Mr. Bedford, Superintendent; D. E. Bushey, Principal; Thelma Ink, Francis Jackson and Mr. Bacon. Throughout the year we worked together. At last our Freshman year ended with its eighteen members.

When the Roll was called September 15, 1924 for the beginning of our Sophomore year we found three of our class-mates missing. Helen Uhler answered the roll-call at Mansfield High School. Alice Forquer employed at Shelby, and Ethel Culler employed at Bellville. But, hail! a new member, Rudy Rader, of Greenwich.

Along with the other changes we found a new Superintendent. Mr. Shaw had taken the place of Mr. Bedford. Mr. Bushey still acted as principal. Miss Colton, as English teacher and Mr. Bacon as head of Smith-Hughes department. Our class of sixteen was guided by the faculty throughout the Sophomore year.

“Vacation Again.”

September 10, 1925, we appear in S. H. S. as Juniors. Again the roll was called and we found Martha Bloom, Hallie Kaylor and John Quiggle failing to answer. But, Lo! Another new member, Elizabeth Wilson from McGuffey.

Among the changes we found Mr. Ford as our new Superintendent. Mr. Bushey, principal, Miss Rude, English teacher, and Mr. Bacon still at the head of Smith-Hughes department.

On March 1, 1926, another one of our members resigned, George Porter.

The end of the Junior year came at last. We were all looking forward to our last year wondering how we would look in the role of dignified Seniors.

September 7, 1926, we entered the dear old halls and class-rooms of S. H. S. for our last year. We had a new member in our class, Ted Wolfe from Tiffin.

Td did not stay with us long for on January 10, 1927, he returned to Tiffin.

Our faculty guided us through the troubles and worries which comes only in the last year.

H. L. Ford was our efficient superintendent and class advisor. We, as Seniors, are asking ourselves the question; what would we have done during our four years course of study without our old stand-by and beloved principal, D. E. Bushey. Miss Brink and Mr. Bacon has also aided us greatly in our last year.

# Class Prophecy

---

It was on a June evening, twilight was drawing near. The air was cool, everything was calm and still. I had come to my summer home in a small city after high school teaching. As the darkness gathered around me, thoughts of school days came to me. Where are my classmates? Sitting there thinking, a bright light came before me. Looking up I saw a beautiful fairy dressed in pure white, with a crown of pearls upon her head. "Your wish, my dear, shall be granted. You will see your classmates again." With a wave of her wand she was gone.

A light came before me and I saw a little white cottage with flowers blooming around it. I saw the lady of the house and her friend, who was spending her vacation with her. To my surprise, the lady of the house was Mrs. Elizabeth Shook. My class mate, Elizabeth Wilson and her visitor was Mrs. Lillian Laser of Shelby. Ah, I remember her as my seatmate, Lillian Furney.

The scene changed to darkest Africa. Then I saw a missionary doing all she could for the poor heathens. She looked happy because she was doing God's wonderful work. She looked up and I saw it was Mildred Mellick.

The next scene was at the Cleveland Opera. The lights were low; soft strains of music could be heard. In the orchestra box, I saw Thomas Ruckman playing a saxophone. An expression of joy was written on his face for the name of the music was, "Margaret, Oh, Margaret." A vocal solo was next given by a young man. His voice sounded familiar, and as the form came clearer, I saw it was Roscoe Shatzer. Mr. Shatzer's accompaniment gave a number of good readings. She was Leola Hamman.

A large hospital was next seen. In one of the sick rooms the nurse rose and soothed the patient with tender care. She stepped forward and I saw it was Dorothea Kissel.

Construction work on a large bridge was the next scene. In the foreground I saw a group of men talking. I recognized Edward Brumbach as the chief engineer.

The next scene was in the country. It was evening. The sun was sinking in the west. A farmer was coming in from the hard days labor. His wife greeted him at the gate. I saw it was Eugene Dickerson.

An auction sale was the next scene. The auctioneer was calling for bids upon the article which he wanted to sell. I recognized him as Donald Hamman.

In a high school room I saw a teacher explaining a problem to the class, which they could not master. It was Merle Barnd.

The last scene was a church filled with people. As I looked to the front of the large building I saw Rudy Rader, a famous preacher, about to deliver his sermon. No wonder the church was filled, for Rudy is a good speaker.

The light faded away. I was in utter darkness. I could only think of the scenes that I had just looked upon. I was glad all of my classmates were doing so well in life.

# Class Will

---

We do bequeath our excessive knowledge to the faculty and under classmen. We also bequeath our places in the study room to the Juniors.

We leave to the janitor the small scraps of paper and other unnecessary articles which we have left behind in our haste.

I—Mildred Mellick do bequeath to Robert Brumbach my ability to come to school every day on time.

Elizabeth Wilson do bequeath to Dorothy Dick my book on "How to have Rosy Cheeks."

Dorothea Kissel do bequeath to Paul Ruckman my good behavior in school. May Paul make good use of it.

Lillian Furney do bequeath to Reva Miller my winking ability for I think Reva surely needs it.

Leola Hamman do bequeath my excess bashfulness to the Ruckman twins.

Donald Hamman do bequeath to Ulrich Roethlisberger the right to go with Margaret Swartz one evening only.

Rudy Rader do bequeath my reputation, which is in a deplorable condition, to Jack Ferrell.

Eugene Dickerson do bequeath my honorable position on the basketball team to George Dick.

Merle Barnd do bequeath to Chester Craig my excess knowledge.

Roscoe Shatzer do bequeath to Hershel Hammand my position on the basketball team.

Edward Brumbach and Thomas Ruckman do bequeath to anyone, who is capable of holding the position, our ability to grow a moustache.

Madge Wells do bequeath to Mildred Griffith my unusual bashfulness and cunning ways.

We hereby constitute and appoint Mr. Ford, sole executor of this, our last will and testament.

Signed and witness this 29th of April in the year of our Lord, nineteen hundred and twenty-seven.

## Chapel Exercises

Chapel exercises this year have been conducted each Monday morning by either Rev. McCord, Rev. McBroom, or Rev. Mente, each one taking his turn.

These exercises have proved worth-while and have become of vital interest to the school. Everyone looks forward to them, and knows that the beginning of each week is started with a good lecture from one of our ministers.

Points and ideas are brought out which help to realize the benefit of studying those things which lead to a successful life. I dare say, each minister has talked upon clean athletics, and each one has contributed facts which lead to the feeling of "Play Hard, But Play Clean."

Beginning with March 28, chapel exercises were given over to the various classes; beginning with Seniors, then Juniors and so on down to the Junior high. Each class had charge of the music, reading of certain chapters from the Bible and several Senior orations delivered, followed by a talk from one of our ministers.

I think our faculty has brought a wonderful achievement in the school, because through these weekly talks the members of the school could not but help gain a few points of advice which will help them in out-of-school doings.

We, as Seniors, feel that these chapel exercises have been a great help to us, and hope it will be carried on next year for the benefit of those who intend to finish school.

Rev. Mente

Rev. McCord

Rev. McBroom

# Music

Music has been quite an item in our school curriculum this year. At the beginning of the year, Mr. Perry had charge of the orchestra and also vocal music. Boys' and girls' Glee Clubs were organized and work began. But when Mr. Perry resigned in the month of October we were left without a teacher.

At last Mr. Rosenberry was hired as our orchestra leader and at once work began to progress. Every one took an interest. Mr. Rosenberry taught all wind instruments and his pupils found in him an efficient teacher. The orchestra played at our Farmers' Institute and was a factor in nearly every entertainment given at the auditorium.

Miss Florence Lorimer was hired as the vocal teacher and she also had charge of all string instruments. With her training the Glee Clubs did much work. A number from our Glee Clubs was an important item on our music program and every number was received with applause.

The High School entered the Music Contest held at Lexington, March 18. Owing to the fact that the contestants had only had good training a little more than one semester, they did splendid. Although only coming out third it showed Shiloh was not behind the times and that we have a wide-awake school.

The contestants of other schools were well supported by a large percentage of town people. And people should realize that we need support in music as well as Basket Ball.

We hope that next year we can take even more interest in music and show that our young people have as much talent along musical lines as they have in other school activities.

# Jokes

Mr. Bushey—"Do you know that every man and boy has a chance to become President of the United States?"

Edward B.—"I'll sell my chance for two bits."

Ulrich—"I wish I knew what you'd do if I'd steal a kiss."

Margaret Swartz—"It wouldn't take long to find out."

Mayor—"Who brought you here?" Eugene—"Two police men." Mayor—"Drunk, I suppose?" Eugene—"Yep, both of them."

Bob B.—"If I ever hit you, you'll never forget it."

Hallie—"Well, if I ever hit you, you'll never remember it."

Mr. Ford, (In Biology) "How many ribs have you?"

Eleanor C.—"I don't know, I am so ticklish, I never could count them."

Bob B.—"I suppose you made a hit in Plymouth with your auto?"

Hershel—"Yes, but most of them are hospital cases."

## Editorial

---

The Senior Class has reached the last lap in this School. We will soon be out in the world making our own way. Although we have completed High School this should be only the beginning, the preparation for bigger things to come. We hope that wherever we go and whatever we do we will always be wide-awake for new knowledge and will not allow ourselves to stagnate mentally. It has been only four short years since we entered Shiloh Hi but in this time we have formed associations and habits which will last the rest of our lives. Now that we are ready to leave, we look sorrowfully back over the opportunities we threw away and the time we wasted. We know that wherever we are or whatever we may be doing in the future years, we will always look back upon these four years in Shiloh Hi as one of the bright spots in our lives and yet with a feeling of sorrow that they are gone forever.

EDDIE, '27.

# The School Library

The library is considered a very important factor in any school system. Due to the fact that our library has been sadly neglected during the past few years, except for a few books which have been donated by people who know the advantage of a good library, we are much in need of more books.

This year special attention was given to the Library. The books were catalogued and a girl was placed in charge every period of the day. Her duty was to check all books taken from the room.

There were three new sets of books added, a six volume History of United States, twenty volume Life of Roosevelt, and a ten volume Encyclopedia by Compton. At a recent meeting of the school board, it was decided to add one hundred dollars worth of books to the library this year.

We have had the use of books from the Mansfield Public Library, getting a new supply every six weeks.

We would greatly appreciate the donation of any books which could be used in connection with our school work. Will you not look about your homes and find some books for us?

## P. T. A. Activities

The Cass Township Parent Teacher Association has been an active force in the community for the last five years. Through this organization many useful things have been added to the school equipment. But this is not all that the organization stands for. It has fostered a spirit of co-operation between the school and the home that has been of inestimable value both to the parents and the teachers in solving the individual problems of the children.

The parents are better informed concerning school activities and because they do know the needs of the school they are ready to give their whole hearted support to any new activity that promises to be of benefit to the children.

Election of officers for this year was held at the October meeting of the association. The officers are as follows: President—Mrs. McDowell; First Vice President—Mrs. D. E. Bushey; Second Vice President—Mrs. H. L. Ford; Secretary and Treasurer—Miss Elizabeth Bixler; Chairman of Membership Committee—Miss Minnie Waters; Chairman of Refreshment Committee—Mrs. O. W. Kaylor; Chairman of Finance Committee—Mr. D. E. Bushey; Chairman of Program Committee—Miss Helen Brink.

ELIZABETH BIXLER, Sec. of the Association.

# Girls' Basketball

When the Basket Ball season opened for S. H. S. about a dozen came out to practice. The year looked liked it might be a good one. We had four of our letter girls back and they were all ready to go in full force.

With very little practice we met our old opponents, Plymouth, the first game of the season. Even though Plymouth had most of her old players back, we lost by only two points. It was in this game that Clinker showed up.

We then journeyed to Tiro and again were defeated by a small margain, 11-17.

In our next game with Lucas, we expected defeat, but were quite surprised to find the game easily won with an 18-9 score in our favor.

Madison Township did not prove a difficult team to beat. The clever guard work of Schwartz and Wells kept the Madison girls from scoring many points. The scores were 18-9 in the first game and 21-9 in the second.

Then the speedy Crestline team paid us a visit and took the honors home by just 20-7. It was in this game that "Firestone" gave her showing.

And then we went to Lucas with blood in our eyes and played a hard fought game, in which "Wells" won her renown. We lost this game at the very last 20-24. Hamman was the star scorer.

We also played our neighboring town Shelby on our home floor, won 16-32, but in the return game at Shelby, we lost 37-2. It was in this game our high scorer, "Moser" made her most points.

The next game with Plymouth on their floor was hard played but the county champs beat us once again.

We also lost our second game with Crestline 37-22. It was in this game that Dick made a splendid showing.

Tiro came here and won over us by a score 16-22. Later we received word from Commissioner Townsend that all Tiro games were forfeited. This gave two more games to our credit.

The County Tournament came next on February 26, of course, Shiloh had to pick the hardest team in the county and Shiloh came out with a small score.

We have eight girls this year who will receive letters: Moser, Hamman, Firestone, Wells, Smartz, Dick, Clinker and Miller.

Practically the same team will be back next year with the exception of Wells and Hamman, who graduate this year.

# Boys' Basketball

Basket Ball in Shiloh has not been what it might have been. Many of our games were lost by only one or two points. We were always beaten in the last quarter and the last five minutes of play. It was only two weeks till the county tourney at Madison, before we had the fight to outpoint our opponents in the last quarter. Up to that time we worked hard to build a team which would win the support of the people of Shiloh. Mr. Bacon of the Smith-Hughes department had the coaching end of it. He also worked very hard. We had not received any outside help since Glen Swanger gave us some instructions in drilling at the first of the basket ball season. But we of Shiloh High will never forget the practice night, when an alumnus, who was home for a short period of time, came to watch us practice. He also gave us some suggestions. In the locker after practice, he gave the squad a talk which sank into the hearts of every one present. It gave us a new spirit, we were a new team. Many of those who followed our games, well say that the last two weeks of basket ball, the squad had more fight than any team it came up against the whole season. We could fight and out point our opponents in the last two minutes of play. We are sorry we did not know of the secret sooner.

Basket ball in other ways has progressed rapidly. We can look forward to a much better team in the season of 1927-1928.

Shiloh High has also had a very hard schedule this season, harder than any of the past seasons.

3-12-1926—Shiloh 19, Lucas 41.  
 10-12-1926—Shiloh 43, Plymouth 12.  
 Shiloh 27, Tiro 20.  
 Shiloh 27, Lucas 30.  
 Shiloh High School 23, Alumni 24.  
 Shiloh 11, Madison 27.  
 1-7-1927—Shiloh 11, Crestline 14.  
 Shiloh 16, Weller 11.

1-20-1927—Shiloh 25, Lucas 41.  
 1-23-1927—Shiloh 21, Shelby 25.  
 1-28-1927—Shiloh 29, Plymouth 12.  
 1-29-1927—Shiloh 16, Tiro 26.  
 2-9-1927—Shiloh 18, Shelby 19.  
 Shiloh 18, Madison 20.  
 Shiloh 14, Crestline 27.

# Baseball

Shiloh High School is looking forward to a big season in baseball. It is also very proud of its baseball squad. Mr. Bacon of the Smith Hughes Department, coached the baseball in the fall of 1924 and the spring of 1925. We had very interesting games, although not having a very good diamond. Since then Shiloh was given a field which has proved to be a great help to Shiloh sports.

Mr. D. E. Bushey, in the fall of 1925, started to coach the squad. Mr. Bushey has been a very well known player in his days and therefore proved to be a very good coach.

In the spring of 1926, Mr. Bushey developed baseball players out of boys who thought themselves rubes. Shiloh High has very good field work. And at the bat it is hard to beat.

Without a defeat, the Shiloh Baseball squad went to the Richland County baseball tourney at Mansfield, May 14.

Shiloh won the first game from Lucas. This was a very easy game for us. In the semi-finals Shiloh came again at Lexington who had also been undefeated. It was a very hard fought game between the pitchers. Shiloh also took this game with a score of 5 to 6. The final game was played a few days later between Shiloh and Butler. Having beaten Butler twice that year Shiloh took this final game. A wonderful trophy was awarded to Shiloh High by the Yunker Bros. of Mansfield.

The following many of the boys thought themselves unbeatable. But the first game, which was played with North Fairfield, changed their minds. North Fairfield outpointed Shiloh in the 9th inning. Shiloh High played many more games in the fall of 1926.

Two of the squad of 1927 have played two seasons of baseball on Shiloh High's team, and many others have had experience on the team.

The Shiloh High Athletic Association has bought base ball uniforms, which will improve the appearance of the team.

Mr. Bushey has already started the practice for the following games:

Schedule for the Northern Section of the County—

April 6—Shiloh at Weller.

April 8—Plymouth at Adario.

April 15—Weller at Plymouth.

April 15—Adario at Shiloh.

April 20—Adario at Weller.

April 22—Weller at Shiloh.

April 22—Adario at Plymouth

April 27—Shiloh at Adario.

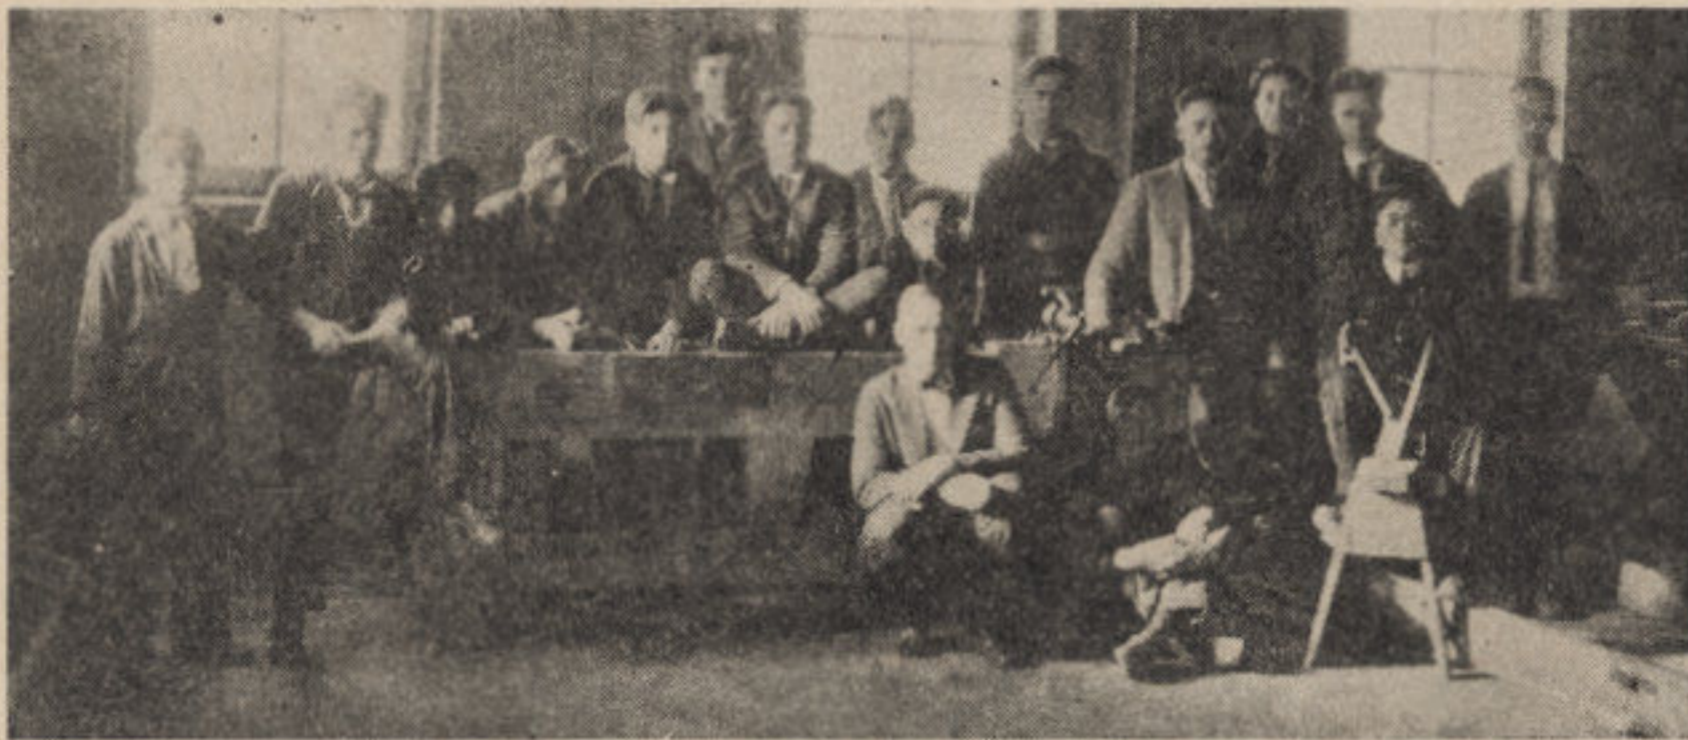

April 29—Plymouth at Shiloh.

April 29—Weller at Adario.

May 4—Shiloh at Plymouth.

# Smith-Hughes Department

The Smith-Hughes Department this year has been accomplishing good results.

The Class of 1927 will have the first boy to have completed this course. The different classes have taken up many different projects during the year. Courses in Farm Crops, Agricultural Engineering and Shops were offered.

A county contest in stock judging was started last year and has been continued this year. Teams from the different Smith Hughes Departments in the County participate. The schools having departments are Madison Township, Lucas, Lexington and Shiloh. The winning team each year is awarded a silver trophy cup, this cup to be permanent possession of the school. Shiloh so far has the leading team with almost 100 points ahead of Madison Township. With only the two classes left to judge, (cattle and horses) Shiloh has high hopes of winning the cup this year.

Plans are under way for a special display of Smith Hughes work at the County Fair this fall. This will include a combined display of work by all the departments of the county and also a competitive display of shopwork for which it is hoped the Fair Board will donate some worth while prizes.

## OBERLIN BUSINESS COLLEGE---A School For High School Graduates

The Oberlin Business College has set a high standard in that it admits only high school graduates. This places this school in a class by itself. It is said to be the first business college in Ohio, and one of the few in the United States having the college entrance requirement.

That they appreciate the opportunity to study in a business college of college grade, where advanced courses are offered suited to their needs, is shown by the fact that students are enrolled this year from over sixty different high schools in Ohio, in addition to those from other states.

It is a loss of time and effort for high school graduates to study in the average business college with a mixed class of students, some of whom have had little or no high school training. Many young people from this community, now holding good positions in different parts of the country, secured their business training at Oberlin.
