FORWARD

This is the second year that a senior class has used the cooperative plan in publishing their year book. It is also the second year that the litho-printing process has been used in reproducing the copy. The staff has been hindered to some extent by the congestion caused in moving the grades to the high school building. However, most of the difficulties having been overcome, we now present the 1941 Mayflower for your approval.

We wish to thank each class for its contribution to this book. At the bottom of each of the pages are the signatures of the persons who prepared and typed them.

We,

The Class of 1941,

DEDICATE

This issue of the MAYFLOWER to

Supt. E. L. Bailey

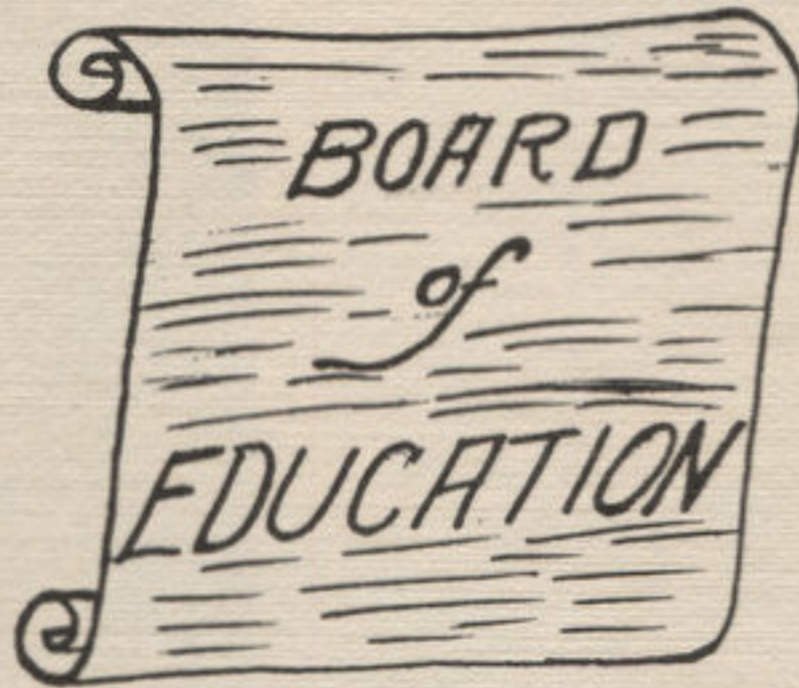

Supt. Bailey was born in Auglaze County, attended public school there, and graduated from Ohio Northern University. He later received his M. A. degree at Ohio State University, and has done further graduate work at Columbia University.

Mr. Bailey came to Plymouth in 1934 from Lorain County. Since coming to Plymouth he has made many changes in the schools which reflect his forward looking and progressive philosophy of education. It is with genuine appreciation for his untiring efforts in our behalf that the Class of 1941 dedicate this issue of the Mayflower to Supt. E. L. Bailey.

All private corporations have a Board of Directors to manage and determine the policies of their concern. So it is with the public schools. The Board of Education is the Board of Directors for the stockholders who are the citizens. The confidence and trust the stockholders have shown in their Board of Directors was attested by the results of the recent election on the bond issue to provide funds for a new school building.

The Class of 1941 joins with the citizens to extend their thanks and congratulations to the Board of Education for the fine job they are doing for the boys and girls of Plymouth.

OUR FAITHFUL FRIENDS

To Our Friends, the bus drivers and janitors, we wish to express our appreciation for the splendid service they have rendered the boys and girls of our schools.

These patient assistants to the faculty are always on hand to do their jobs. They can always be depended upon for safe, efficient transportation and a tidy building each day. Even with the crowded conditions of combined grade and high schools in one building they increased their efforts so as to co-operate with teachers, students, and fellow workers.

It is with sincere gratitude that we set aside this small tribute to these men who have done all they possibly could for us to make our days at Plymouth High successful and happy ones. Needless to say the class of 1941 will miss the smiling faces of Christ and Clay, and the cheerful greetings of Wilson and Raymond.

PLYMOUTH'S SCHOOL BUILDINGS

By HARRY S. VANDERVORT

The subject of education has received much attention every since the early settlement of Paris (Plymouth's original name). The same year in which the village was laid out, 1825, the people erected by subscription and volunteer labor, a comfortable schoolhouse 22 x 30 feet, which was used for recitations during the week and an interdenominational church on Sunday. This schoolhouse was called "Old Red", and served its purpose until 1840.

In 1831 Mr. McKelvey, a prosperous merchant of Plymouth who had a large family of daughters, erected a frame building of two rooms, which was called a "female seminary". This school was taught by a lady of good education and was very well attended.

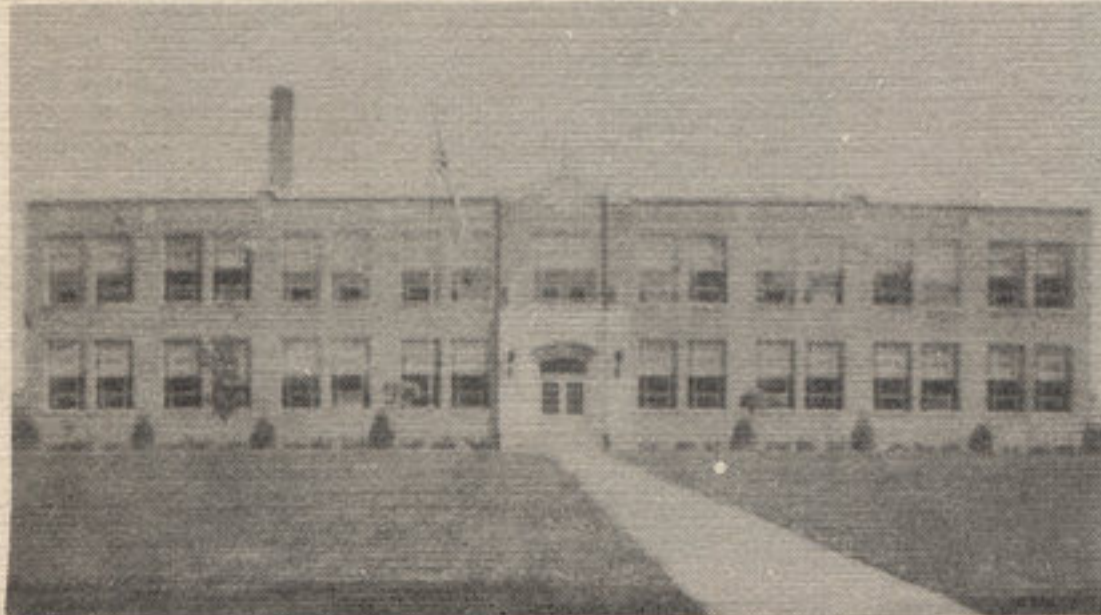

(Built in 1849)

moved onto Sandusky Street. There it was used as a warehouse and garage until finally torn down in 1938.

In 1875 a beautiful and up-to-date structure was erected at a cost of about \$25,000. It was built of stone and brick and when finished contained nine recitation rooms and a large stair hall. It was one of the finest structures in the state and was a source of great civic pride. That it was well and substantially constructed, the past 67 years testify. It is now but a fond memory in the hearts of the many who trod its portals towards the realm of higher education. It served both as a grade and a high school building until 1929 when the new high school was constructed.

This new high school building is constructed of brick and is thoroughly modern, which very adequately serves the educational needs of the high

-(Built in 1929)

About 1834 the town was divided into two districts and a brick school was constructed, which with the "Old Red" served the town until 1849, when the two districts were again united and organized under what was known as the "Akron Law". At this time the two buildings were abandoned and a fine schoolhouse, for the times, was furnished, which was placed where the late grade building stood. It was a comfortable frame building containing five rooms, and in this the schooling of Plymouth students was encompassed until 1875 when it was

(Built in 1875)

school students of the town. It was built with the intention of education along the most modern practical lines. For this reason well equipped laboratories and a carefully designed home economics department were included in the blue prints. A large, airy, brightly lighted auditorium and gymnasium combined, enables Plymouth students to keep up-to-the-minute in sports and physical education. In the few years since its construction the building site has further been improved by a very pleasing landscaping. The addition of four tennis courts, football field, and baseball

PLYMOUTH'S SCHOOL BUILDINGS (CON'T.)

diamond have further added to the attractiveness of the school's entertainment equipment. A new football field is to be constructed in the Plymouth Public Park, which will be a great improvement over the old one, sometime in the summer of 1941.

It is further intended to construct an addition to the manual training department of the high school, to be completed in the fall of 1941. It will be approximately 35 x 70 feet and will contain complete electrically powered equipment for wood and metal working for 20 students. The old manual training department will be revised into a musical conservatory.

It was with an imperative need in view, that the citizens of Plymouth, cast their votes on March 25, 1941. They were voting for something which had long been foreseen as necessary, both by many authorities of the town and by state officials----a new grade school building. By voting for its construction with a majority of 517 to 86 the people started the wheels rolling on approximately a \$75,000 project.

The bonds voted were to amount to \$45,000, while the United States Government promised \$30,000 in N. Y. A. funds for unskilled labor in demolition and construction. This money will be distributed in payment of wages to the youth of Plymouth and vicinity. Seventeen boys will work on the old building with more to be added when construction of the new one starts.

The grade school students moved happily to the high school building on April 7, 1941, and destruction started almost at once. The high school building----though the attendance was thus more than doubled----under carefully planned distribution of pupils and classrooms, has satisfactorily handled the overflow.

The new building will be agreedly a decided advancement in buildings of its type. It is to be built along modernistic lines with scientifically designed classrooms and project rooms adjoined. Area for future expansion is assured since it will be a primary allowance on the plans. Modern plumbing and heating fixtures and systems are considered requisite.

The modernistic trend is to be carried out in both interior and exterior development and decoration. The interior furnishings and equipment will be of the latest improved and approved design and arrangement, while the exterior landscaping will be done along the same general forms of modern simplicity with a casually designed sunken garden, in part of the old grade basement, as the central motif.

(To be built in 1941-42)

Far sighted and progressively minded Plymouth residents have always moved forward in their methods of meeting the expanding educational needs of the changing times with up-to-date and well planned buildings capable of coping with the modern ideas in education. This desire for the best in such buildings and equipment so vital to the youth of Plymouth shows a great individual civic pride and a fine community spirit.

WE APPRECIATEMR. SHERMAN MOIST

The class of "41" dedicate this page to Mr. Sherman Moist in appreciation of the loyalty and interest he has shown in our class during the five years of teaching at Plymouth High School.

Mr. Moist graduated from Ohio Wesleyan University in 1936, and during his college career at Ohio Wesleyan he was honored with membership in three honorary societies, Kappa Delta Pi, Phi Beta Kappa, and Pi Sigma Alpha. The social and fraternal organizations in which he was very active were, Singers' Club, Chapel Choir, International Relations Club and others too numerous to mention here. For the past few years he has been working on a Masters Degree in History at the University of Michigan.

Traveling and Music are his hobbies. He has traveled extensively in the east but in 1937 he visited Mexico, sightseeing at the various scenic spots.

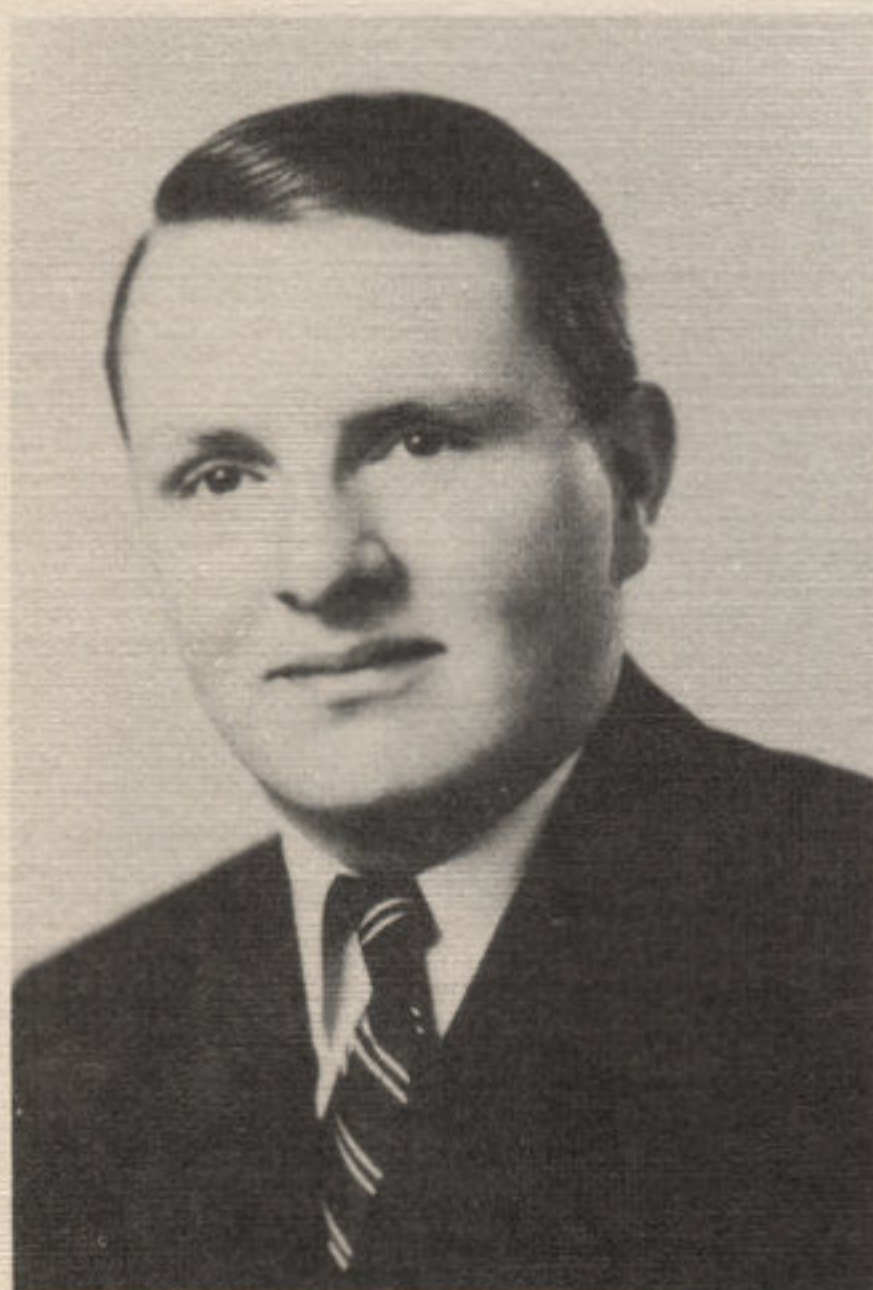

The five years that Mr. Moist has spent with us have been years of work and pleasure both on the part of the students and the teacher. We are certain that he has proven his ability not only as a teacher but as a companion to everyone.

Front Row- Rosie Sonanstine, Maxine Ream, Dorothy Sourwine, Helen Gowitzka, Mr. Sherman Moist, sponsor, Juanita Ruckman, Jane Lippus, Clarabell Jacobs, Evelyn Burkett.

JUNIORS RAISE MONEY

During the school year of 1940-41 the Junior Class collaborated with the Seniors in starting a campaign to raise funds for the Junior-Senior trip to Washington, D. C. Class members sold hot dogs, cider and doughnuts, candy, apples, coca cola, and other refreshments at all the football and basketball games. A candy store, selling many varieties of penny and nickel goods, did business every noon hour; candies for special holidays were featured. The Juniors co-operated with the Seniors in two magazine campaigns, the first featured Crowell Publications and the second, Curtis Magazines. The Junior girls acted as ticket sellers for the ferris wheel, pony show, and merry-go-round at the Plymouth Fall Festival and added ten dollars to help fill the coffers of the ever-growing fund. The Easter bake sale and one at Mothers' Day proved very successful. A number of movies were sponsored at the Plymouth Theater during the year and about thirty dollars were raised in this fashion.

Sixty high school students and towns people journeyed to Mansfield April 22 to skate at the collisium where the classes sponsored a party. A Spring Dance was held by the Juniors on April 25. About forty couples swung to the music of the "Stardusters" in the gym, decorated with spring flowers and in blue and gold as a motif.

The two classes worked together harmoniously with fine co-operation and at the time that this yearbook goes to press it looks as though their efforts were not in vain for from all indications the fund will be large enough to assure the trip. So, not only is the goal in view, but through the activities many super-salesmen were developed due to the many chances afforded in selling experience.

The Junior class wishes to take this opportunity to thank Mr. Moist, our class sponsor, for his never-failing and tireless work in behalf of our class.

 Second Row - Ray Ford, Vance Hofman, Joe Moore, Dick Rule, Willard Ross, Jim Cunningham.

The Junior Class under the direction of Mr. Moist presented "One Mad Night" in the High School Auditorium, February 20.

The plot centered around the adventures of Don Cutter, playwright, and his valet, Wing, in their escapade at Don's long deserted mansion that was situated in the hills. Also concerned were Lucille Marcy, who was being held as a maniac by her lawyer, Artemus Burke and her keeper Dr. Bunn, who had designs on her fortune. Imagine Don's astonishment to find his old mansion turned into a rest home for mental cases. The "mental cases" were Mr. Hyde, John Alden, Lady McBeth, and Priscilla. The unexpected arrival of Don's fiancée, Gertrude, her mother, Mrs. T. Ashington Finch, and the negro maid, Depression, threw things into a state of uproar, but it remained for Danny Siletto, an escaped convict who turned out to be George Shaw, detective, to help Don expose the nefarious scheme of Burke and Dr. Bunn.

Grade Activities During 1940--1941

Bake Sales

The various classes held bake sales throughout the year. They featured such items as: cup cakes, candy, cookies, pop corn, apples, etc.

Milk

Milk (chocolate or plain) was sold to the children for three cents (\$.03) per half pint bottle. They were permitted to drink their milk at recess or at lunch time.

Workshop

A small workshop was established for the Fifth and Sixth Grade boys. In the shop the boys made corner shelves, tie racks, etc. Also properties for the Grade School.

Junior Choir

A select group of boys and girls from the Fourth, Fifth, and Sixth Grades were chosen to make up the choir. The choir won second rating at the district contest which was held at Wellington, Ohio

The Homemaker's Creed

I believe that the home should be attractive both inside and out;
 I believe that it should be convenient, orderly and healthful;
 I believe that it should be financially sound;
 I believe that it should be stimulating to mental, moral and spiritual growth;
 I believe that its family relationship should be governed by tolerance, respect, and affection with each member expressing his individuality adequately but considerately while at the same time he shares fairly and willingly in the responsibilities of home community.
 Such is the Ideal Home, to the creation of which it is my duty - to my God, my country, and my family - to devote my life as a homemaker.

Coach Dunham at work

Donald Dunham was born in Dayton, Ohio on April 9, 1915. He attended the Public Schools in his home town where sports were his chief interest. He played on the Roosevelt High School football team for four years and was captain his senior year, as well as having the honor of being chosen guard on the all-city football team. For three years he played varsity basketball and was selected captain of the all-city basketball team, and was placed on the first team of the Southwestern Class A basketball tournament. But it was not only in athletics that he won honors, he was also voted the most all round and the most popular student in Roosevelt High School and was elected a member of the Wrangler Club.

After completing his high school education Dunham worked one year at the Delco Products Plant in order to earn finances for college. He entered Defiance College in 1934 working his way by part-time jobs, a scholarship, refereeing athletic contests, assistant coaching, and road construction work in the summer time. In college Dunham again starred in football playing regular tackle for four years and was elected captain of the football team during his junior and senior years. He played varsity baseball for two years and varsity basketball for three years. Mr. Dunham took his student teaching at Defiance High School and coached the local high school spring football squad. At Defiance College he was a member of the Delta Sigma Kappa, local social fraternity. In 1940 he attended Northwestern University coaching school.

Since 1938 Coach Dunham has been connected with the Plymouth Schools. He has coached successful basketball and football teams as well as introduced an excellent intramural program. Next year he expects to place a baseball team on the field to compete in the Twin Valley League.

FOOTBALL

Back Row--Harold Biller, Keith Kitchin, Jimmie Cunningham, Coach Dunham, Roger Miller, Dick Rule, James Rhine.
Front Row--Junior Lasch, Bob Ross, Vance Hoffman, Bob Martin, Bill Fazio, Willard Ross, Joe Moore.

The Pilgrims started the season with three veteran players in uniform. The season opened against a tough combination from Monroeville that defeated us by a small margin. Our hopes were brightened when the gridgers outclassed North Fairfield in two tussels. The next opponent, the "Drummer Boys" from Shiloh, defeated us for the first time in two years. The next our grid team won. It was an impressive contest over highly favored Green Springs. The toughest team of the season was our next opponent, a hard hitting team from Huron. They beat our boys in the last forty seconds of the game, after we had held a lead all the way. In this game we lost Bob Martin due to injuries. Because of other handicaps and injuries, we dropped our last two games of the season.

Coach Dunham should be given much credit for the success of six man football here. In the past year he had installed five different formations, consisting of forty different plays. Some of them are: single wing formation, spread formation, short punt, and the T formation.

Graduation will take four players from the team. They are: Roger Miller, Keith Kitchin, Bill Fazio, and Bob Martin.

Next year's team will be built up of a very promising group of players and a winning combination will be put on the field.

The Pilgrim's had some good reserve players who showed up well, considering their lack of experience. They were: Vance Hoffman, Jim Rhine, Harold Biller, Robert Ross, Quentin Ream, and Bill Fazio.

BASKETBALL

Back Row - Left to Right - Jim Rhine, Duane Hunter, Vance Hoffman, Tom Moore, Charles Rowe, Bob Ress, Bill Van Wagner, Coach Dunham.
 Middle Row - Jim Crocket, Asst. Mgr., Bill Fazio, Dick Rule, Joe Moore, Keith Kitchin, Captain, Junior Lasch, Roger Miller, Bob Martin, Manager.
 Front Row - Harold Biller, Sid Thomas.

The Pilgrims can boast of a Twin Valley League championship this year. The boys romped through the league undefeated by taking North Fairfield 35-26; New Haven 38-15; and Shiloh 39-16. They were awarded a handsome trophy.

The boys found stiff competition when they entered the Richland County League. However, they made a good account of themselves.

The season as a whole was a success, considering the fact that our boys defeated our ancient rival, Shiloh, three times, each time by a fairly high score. This is the first time it has happened in the many years of Plymouth's basketball history. Plymouth played in two leagues, a total of 19 games. In the tournament the Pilgrims defeated Shiloh and then lost to Union and Madison.

Following is a list of the season's scoring:

Keith Kitchin	239	Harold Biller	58	James Rhine	10
Joe Moore	182	Junior Lasch	50	Vance Hoffman	2
Dick Rule	96	Sid Thomas	13		

Coach Dunham is looking forward to a very promising season next year. The following boys will be back to take their places on the varsity:

Junior Lasch	Junior	Harold Biller	Freshman
Dick Rule	"	Sid Thomas	"
Joe Moore	"	James Rhine	"
Vance Hoffman	"		

The Reserve team started the season with thrilling victories over their opponents, then the going seemed to be against them until the latter part of the season; when the "Junior Pilgrims" hit their stride and showed some real basketball in winning 7 out of the last 8 games.

Athletic Award System

A new award system has been set up this year. It will be as follows:

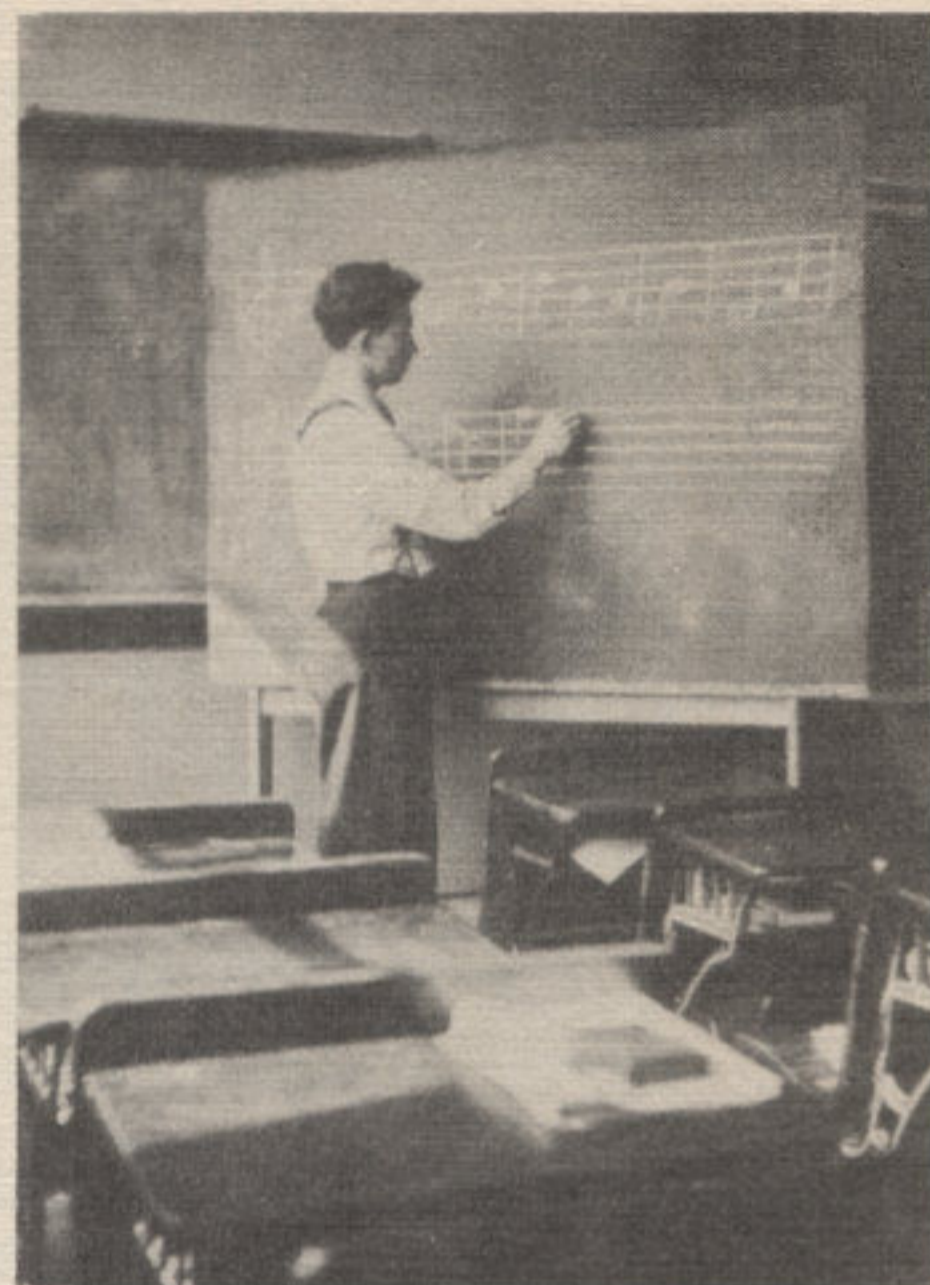

- Freshman - Varsity Football, Basketball----Chenille Numerals
Reserve Football, Basketball----Felt Numerals
- Sophomores - Varsity Awards-----8" Basketball Letter
Reserve Awards-----7" Basketball Letter
- Junior - If a player earns a varsity award in one or more sports he has his choice of a medal or a letter in each sport.
- Senior - A senior boy who has his letter and makes a varsity award in football and basketball he will have a choice of a belt buckle, a basketball, a football or another letter. If he doesn't have a varsity letter, he will be awarded one.
- Reserve Letter - It will be a 5" letter in a corresponding color to the varsity letter in the respective sport.

Physical Education

- Baseball - Coach Dunham started a baseball team this year with a large turnout. He expects to have a team in the T. V. League next year.
- Softball - There were five teams entered in the softball tournament. After several games the tournament was discontinued because of the boys' working on N.Y.A.
- Track - Jimmy Cunningham entered the Mansfield Relays and made a very creditable showing.

Music

Mr Griest at work

Mr. R. Byron Griest, our music supervisor, was born in Lawrenceville, Ohio on November 11, 1914. At the age of six he played the piano entirely by ear and at the age of nine began taking lessons but only during the summer. From the seventh grade through he served as accompanist for the school in Lawrenceville, was student leader of the orchestra, took part in operettas and other activities as well. When only a freshman he represented Lawrenceville in the Clark County Music Contest and won first place with a piano solo. In his sophomore year young Griest began taking lessons at Wittenburg Music School. The same year he was chosen soloist for the State Superintendents' Convention at Memorial Hall, Columbus. Upon graduation in 1933 he was valedictorian of his class and the following fall entered Wittenburg College remaining through 1938.

During this time Mr. Griest served as accompanist for the college and was a member of the choir. At Wittenburg he received his B. Sc. and B. Mus. degrees. He is a member of the Delta Sigma Phi social fraternity and Phi Mu Alpha national honorary music fraternity. During the summer following his graduation from Wittenburg in 1938 he was teacher of Music History and Appreciation at Wittenburg College summer session and at the same time served as Chapel organist.

Since 1938 Mr. Griest has taught at Madison Mills Public Schools in Fayette County for one year and Plymouth two years. His work here has proven his ability as an organizer as well as a fine teacher. Some of the new organizations since his arrival here are: Mixed Chorus, Band, Junior Choir, and a Music Club which has just been organized this year. A Capella work has been stressed in the vocal classes which is also something new for Plymouth Schools. Under his guidance several groups and individuals have entered various contests and did exceptionally well. With these facts in mind, we, the students of Plymouth High, say "Hats off to Mr. Griest". The past two years have been pleasant ones indeed and may he be here for many years to come. *Leona Taylor*

MIXED CHORUS

Back row--left to right--Janice Hoffman, Barbara Pickens, James Cunningham, Robert Ross, Willard Ross, Robert Martin, Roy Marshall, Edwin Beeching, Ray Ford, Joseph Hunter, Dick Rule, Betty Pickens, Jane Lippus.

Middle row--left to right--Genevieve Jacobs, Ruth Berger, Arlene Steele, Maxine Ream, Audrey Stotts, Arlene Ford, Marilyn Earnest, Leona Taylor, Margaret Ellison, Edna Hackett, Jean Derr, Dorothy Sourwine, Phyllis Miller.

Front row--left to right--Juanita Ruckman, Luella Vandervort, Zanette Briggs, Adelene Pump, Anna Mae Steele, Florence McDougal, Mr. Griest, Evelyn Moore, Mary Alice Weller, Thelma Hough, Margeret Bradford, Helen Gowitzka, Martha Boor.

PLYMOUTH ENTERS CONTESTS

For the first time Plymouth Schools have vied for honors in the contests sponsored by the Ohio Music Education Association and did right smart by themselves. The Grade School Choir entered the Grade School Competition at Wellington and came back with an excellent rating (II). Mary Alice Weller, ninth grade soprano, sang at this contest receiving a superior rating (I).

The next entry was made on March 22 in the Solo and Ensemble contest of the North Central District at Oberlin. The Girls' Ensemble sang "Little Boy Blue" by Robertson in competition with seven other groups and came out with an excellent rating (II). A superior rating (I) was attained by Helen Gowitzke, soprano, at the same contest.

The Mixed Chorus and Girls' Glee Club competitions were held at Bellevue on April 5 in which our organizations competed. Our Mixed Chorus was just started last year; consequently, we were very proud to receive a rating of very good (III) and also a right to enter the State Contest at Columbus. The selections used were: "Swedish Evening Prayer" by Giejer, and "Ave Verum" by Mozart. The Girls' Glee Club sang "Jesus, Jesus Rest Your Head" and "Going A Maying" by Nageli. This group also had a very good rating (III+).

On April 18 the Mixed Chorus traveled to Ohio State University at Columbus where they received the same rating as they attained at Bellevue. We're proud of our Music Department! Aren't you?

BAND

Back row--left to right--James Kennedy, Florence McDougal, Junior Marvin, Dick Rule, Wayne McDougal, Clarence Mills, Robert Ross, Paul Scott, Pearl Heubarger, Thomas Cunningham, Middle row--left to right--Wilbur Ruckman, Sid Thomas, Willard Ross, Adelene Pump, Margaret Ellison, Arlene Ford, Marilyn Earnest, Edwin Beeching, James Croket, Harold Billee Front row--left to right-- George Schaeffer, Margaret Briggs, Genevieve Jacobs, Douglas Willet, Byron Ream, Mr. Griest, William Miller, Robert Fox, Eldon Burkett. Right front--left to right--James Feters, James Rhine.

During the past few years there has been considerable discussion about Plymouth Schools having or not having a band. This year the attempt has been successful. We are all tickled pick because we have a band that will soon be able to play at the football games and various other activities.

There are about thirty-five people ranging from the seventh grade to seniors. The first part of the year was devoted to preparing new members of the band, then they later joined the rest of the group.

The organization has made a great deal of progress since its first practice and it is the hope of everyone that it will continue to do so.

HIGH SCHOOL OPERETTA

Friday night May 2 the Plymouth High School students presented a very colorful operetta "Miss Cherryblossom" under the direction of R. Byron Griest and Sherman P. Moist. Some of the leading parts were played by Mary Alice Weller, Robert Ross, Willard Ross, Helen Gowitzka, Edwin Beeching and James Cunningham. They were assisted by a group of geisha girls who danced and sang, American girls and American men or Foreign devils as they were called by the Japanese.

This performance was said to be one of the best ever given at Plymouth High School.

ALUMNI

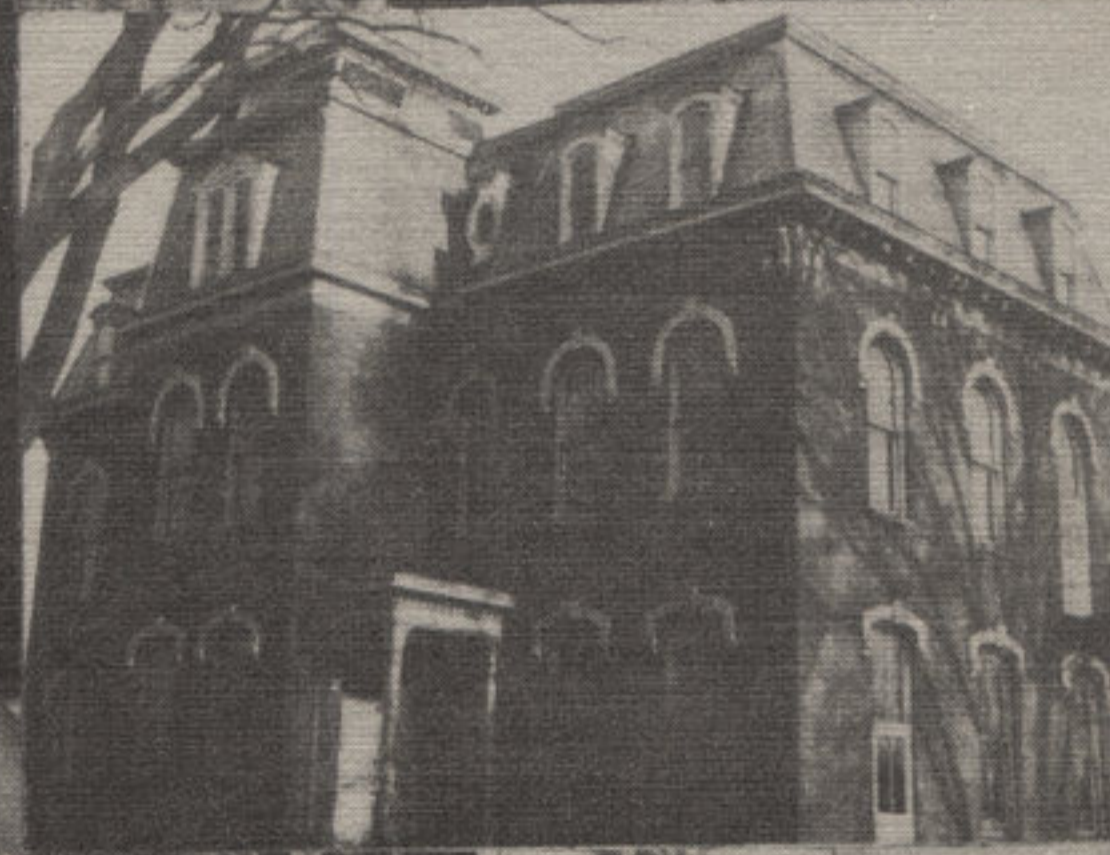

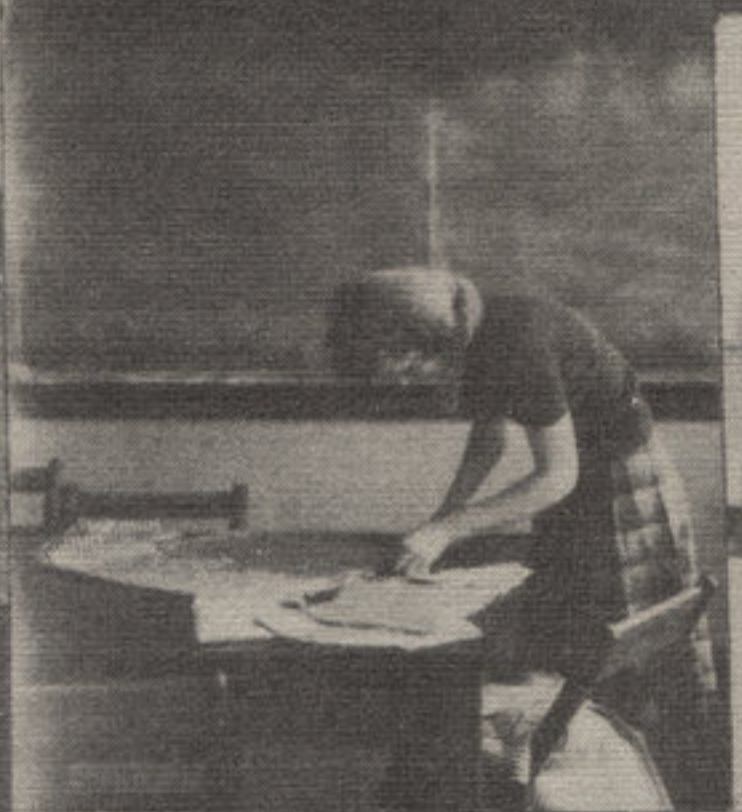

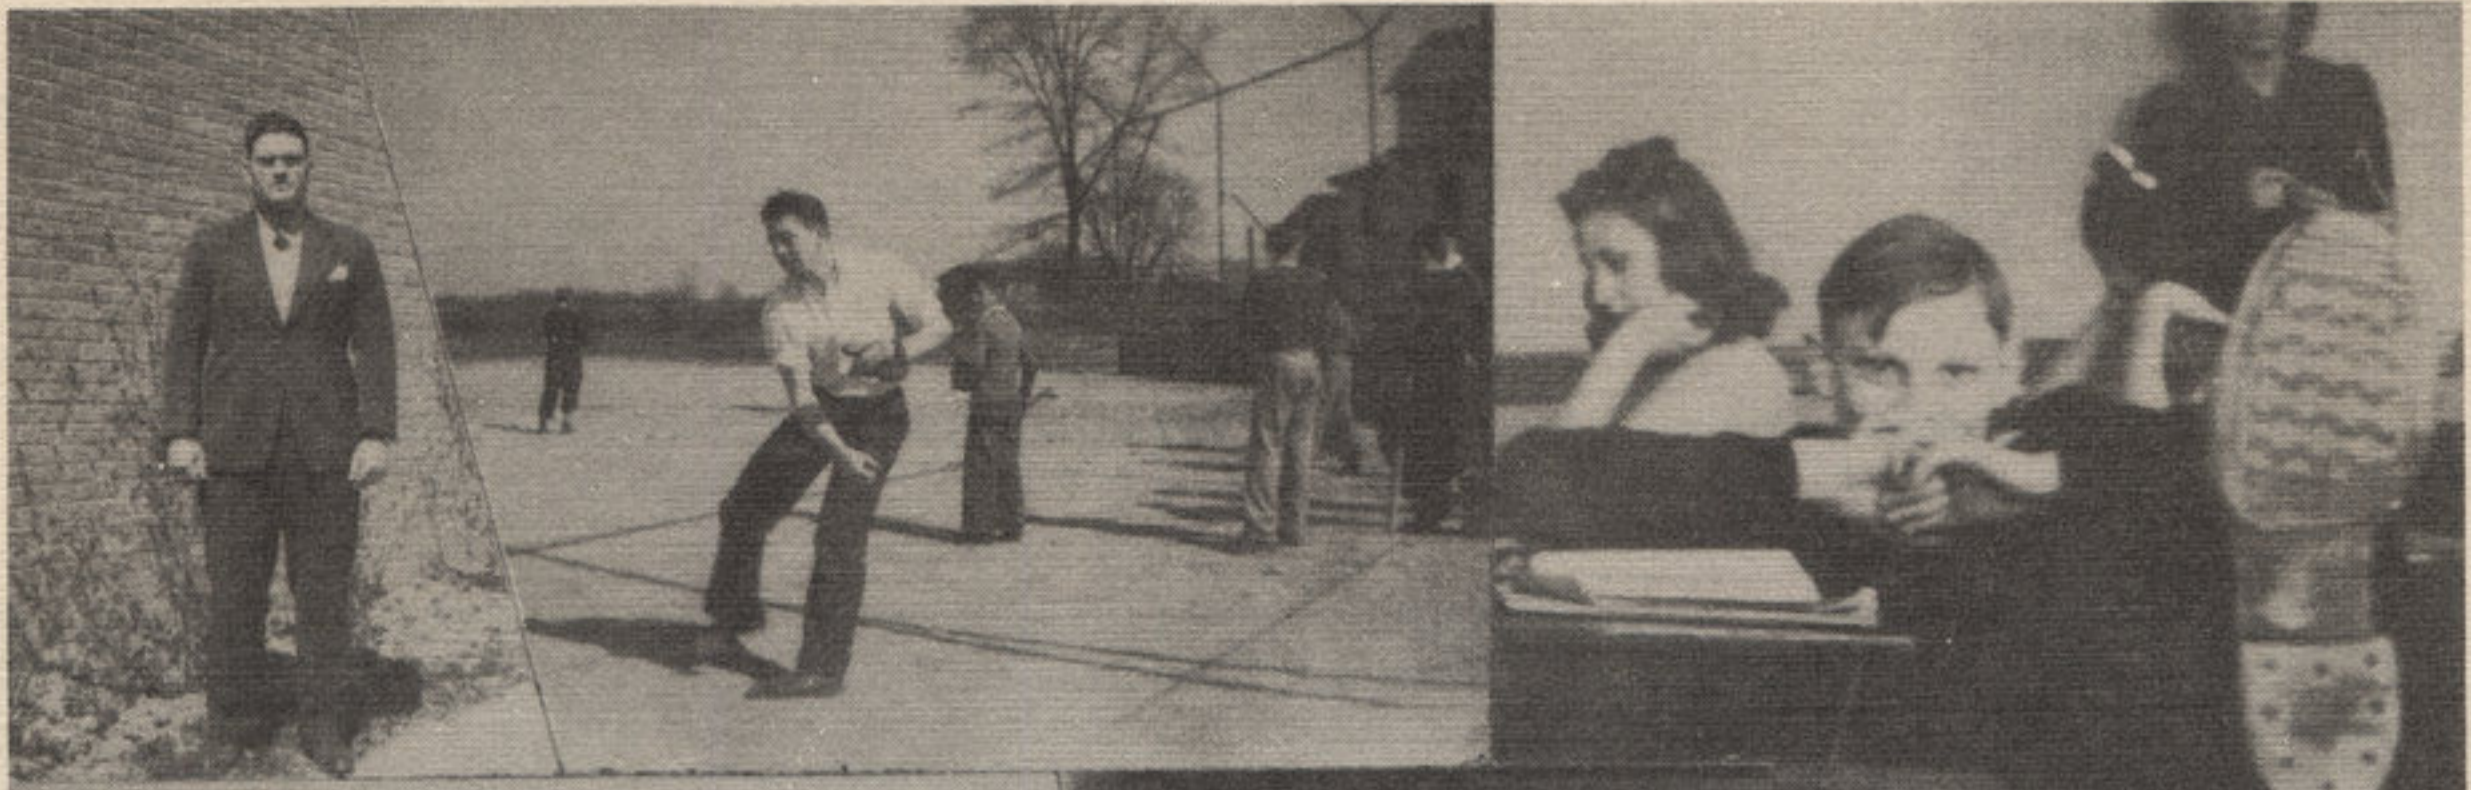

TO OUR UNDERSTANDING AND SYMPATHETIC TEACHERS!

"Left meant left when I was a lad,
And Right meant right-not simply bad;
Those terms, both simple and geographic,
And principally used in directing traffic,
Were each of them spelt with a quite small letter,
Not even the teachers knew any better,
Now each has become a Moral Sign,
Dividing the race by a bitter line,
So that each of us knows who is good and bad,
Which none of us knew when I was a lad.

And the same holds true of Red and White,
Once the names for lovely forms of light,
The red of lips, or of skies at dawn,
Or geraniums glowing near a deep green lawn.
And I sigh for the days when left meant left
And weep in a world of peace bereft,
For the days when red meant a summer rose,
And white meant a mountain clad in starlit snows."

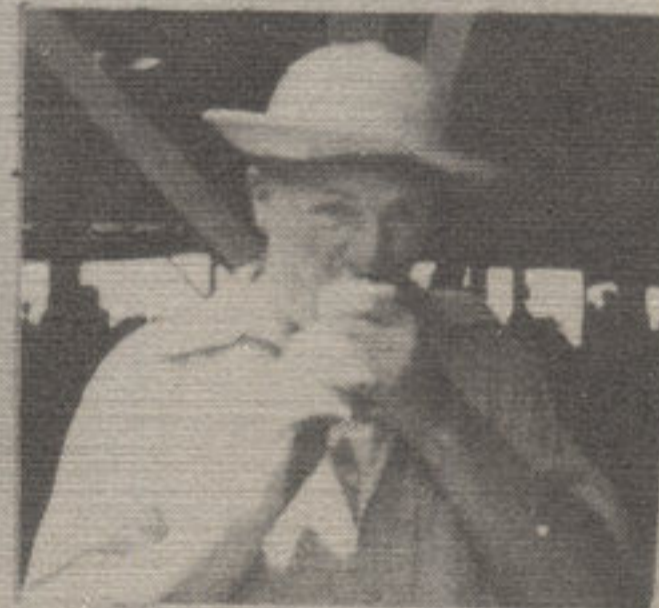

Irwin Edman.
