

Mayflower
1952

DEDICATION

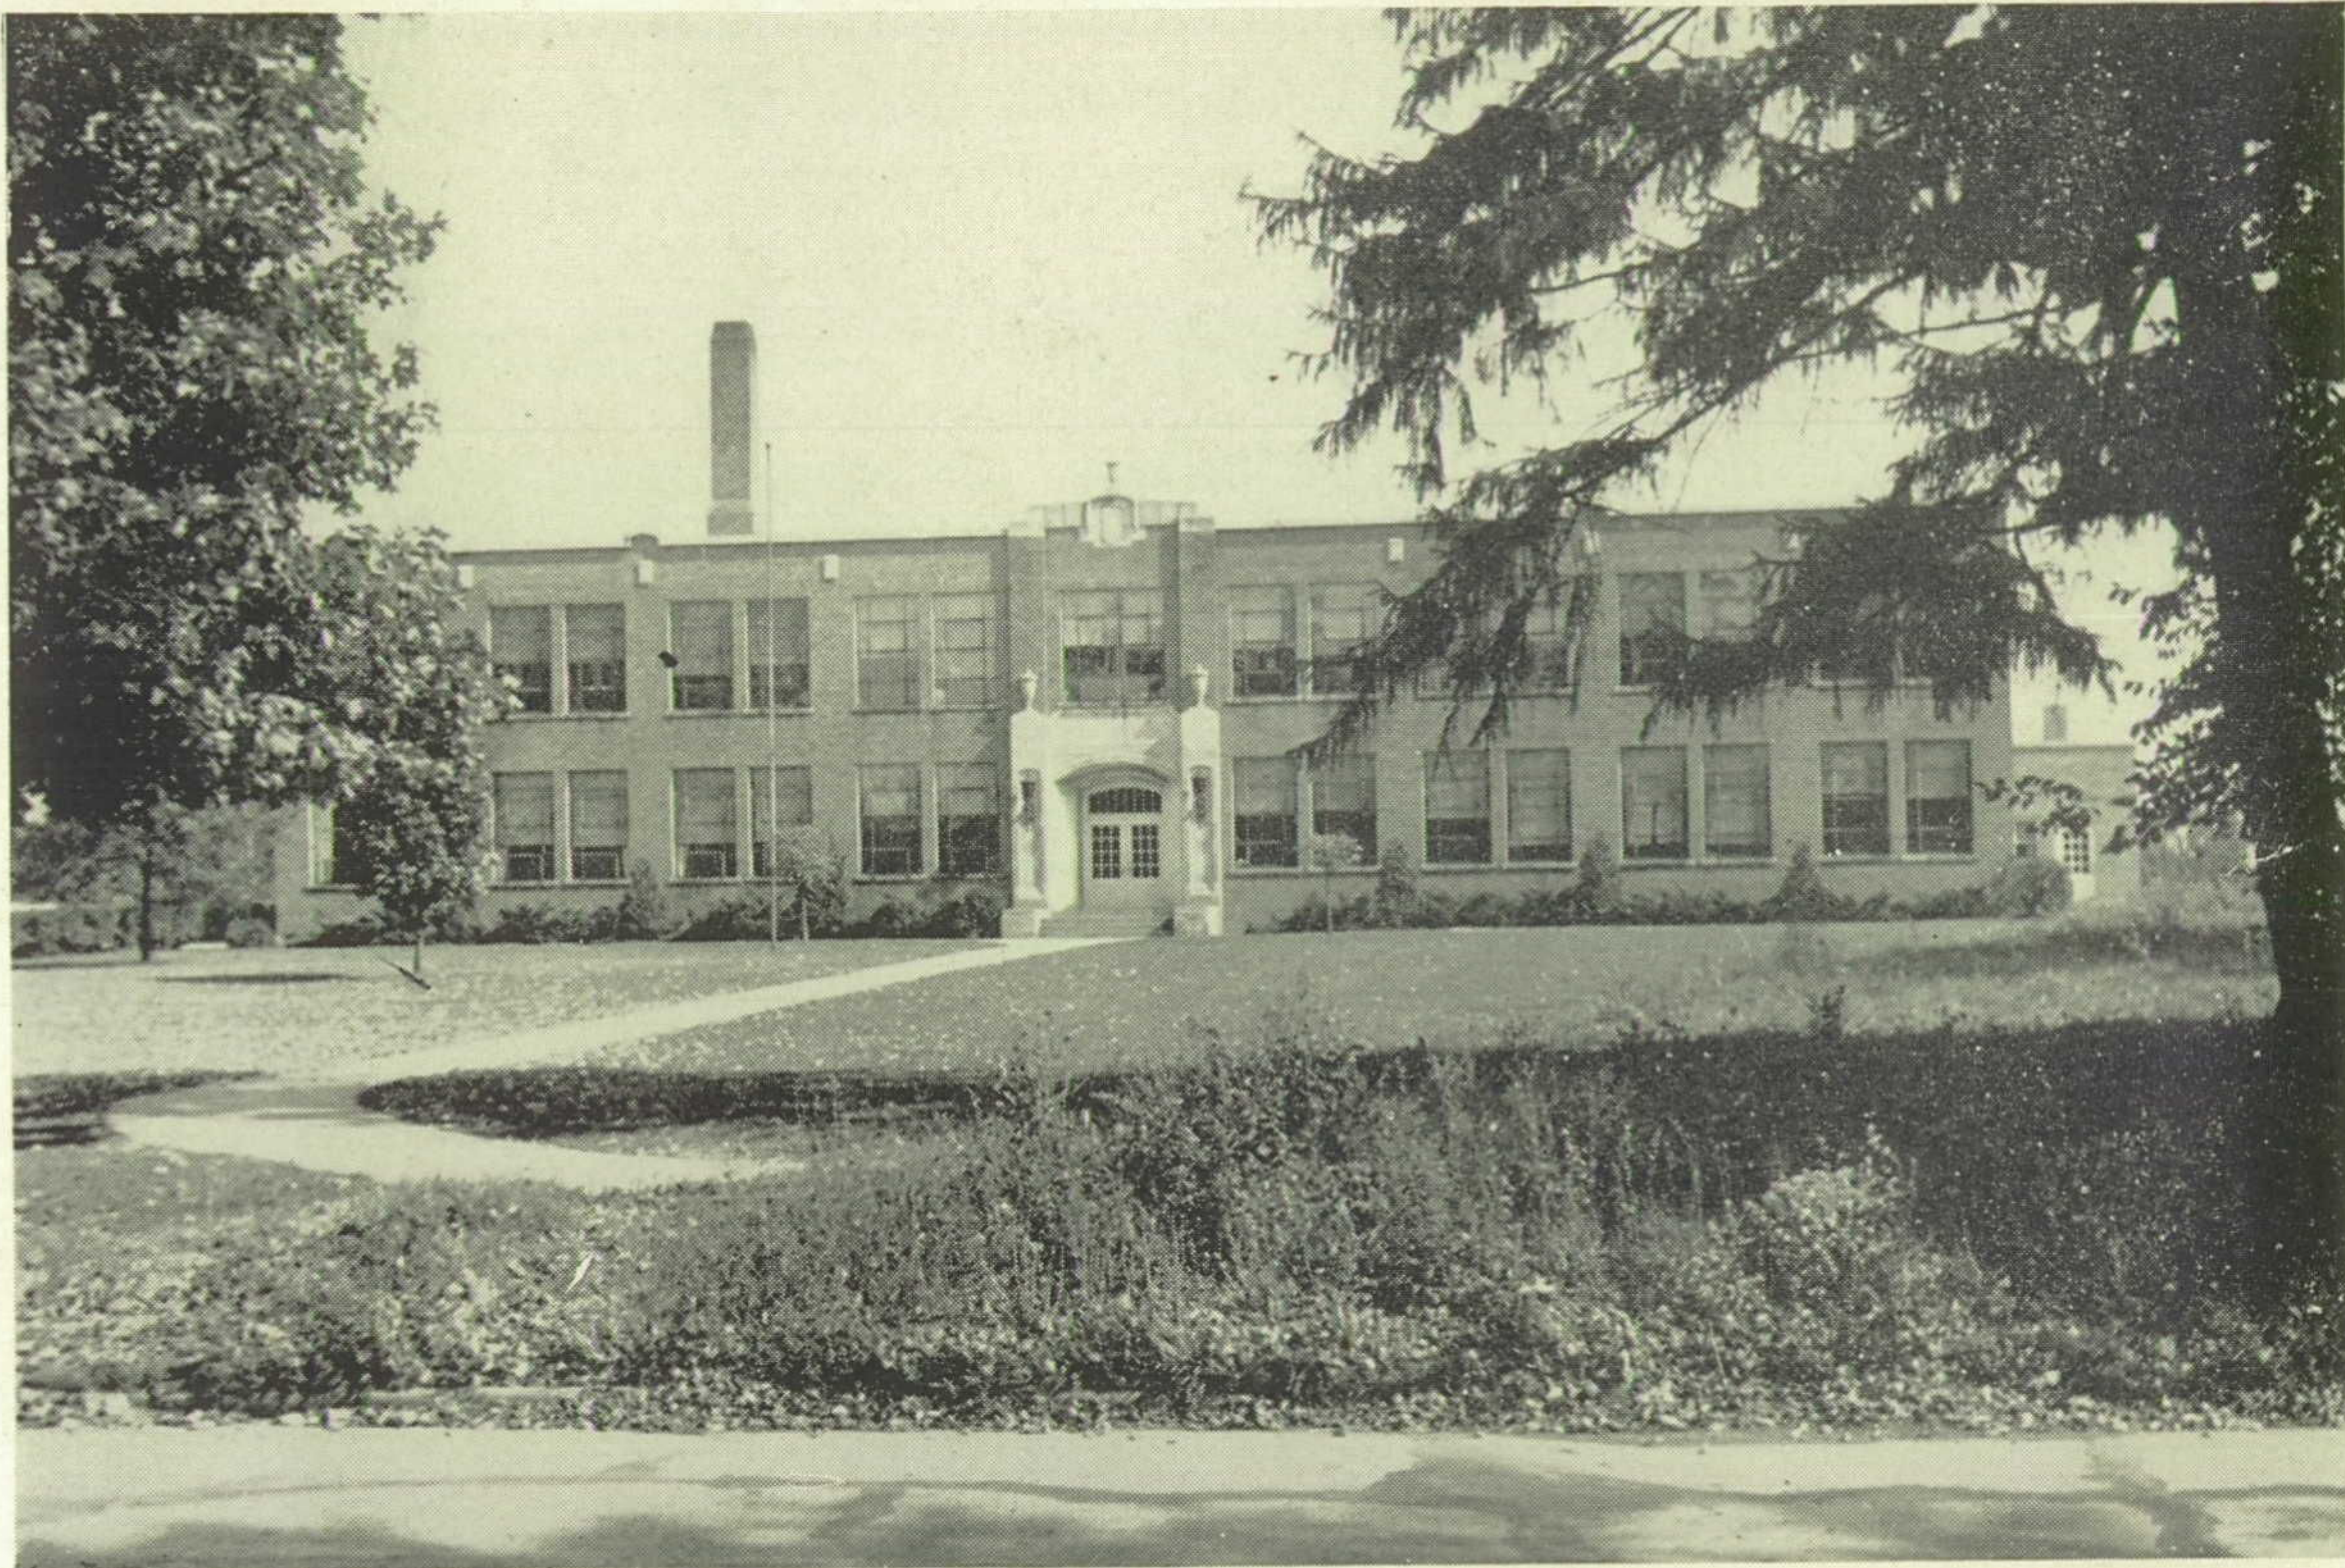

MRS. SOUTHARD

As a fitting tribute to having just completed 30 years in the teaching profession, we proudly dedicate this 1952 Mayflower to Mrs. Edith Southard, teacher of the social sciences at P.H.S. We feel that this is only a small and insignificant way of telling her how much we have appreciated her help and guidance during the last few years.

Mrs. Southard came to Plymouth in 1948 while Mr. Van Brunt was superintendent. During the time she has spent here she has participated in the P.T.A. and has been sponsor of the tenth grade.

To prepare herself for the teaching profession, Mrs. Southard graduated from Crestline High School. She attended Ashland College. From there she graduated with a B.S. Degree in Education.

At present, Mrs. Southard lives with her husband on a farm near Willard. Her family consists of two sons, one daughter, and six grandchildren.

History of Class of 1952

The class of '52 started out on their long twelve year journey to prepare themselves for good citizenship on September 9, 1940. Sixteen members of the class went through the twelve years together. This original class consisted of the following: Marilyn Cheesman, Marie Mumea, Emily Ford, Neil Kennedy, Alice Mathews, Leanna Shields, Larry Hampton, Marybelle Heuberger, Don Hetler, Elaine Rooks, Constance Hannum, Joe Lee Kennedy, Durward Vogel, Daniel Eby, Wilma Echelberry, and Ruth Barnes. During these years our teachers were: Miss Hamilton, first grade; Miss Akers, second grade; Miss Fikes, third grade; Mrs. Farrar, fourth grade; Mrs. Ervin, fifth grade; Mrs. Davis, sixth grade. We gained three new members that graduate this year with us. They are: Glenn Yockey, second grade; Helen Fox, third grade; Christine Lucas, sixth grade; Doris Reber, third grade.

We then entered Junior High School. These two years proved to be very eventful. In the seventh grade the history class was very interesting, but definitely hard. In the eighth grade we had a new subject called Civics which was also very interesting. During these two years we also had our own basketball team and cheerleaders. We played other Junior High Schools, such as Shelby and Shiloh.

In 1948 the class of '52 entered high school as Freshmen. At the beginning of this year we were swamped with dozens of new activities. Initiation by the class of '51 was very thrilling. The class could now choose their own subjects and look forward to four happy years of high school life.

The Sophomore year proved much like the Freshman year although the students were a little more familiar to high school life.

The Junior year was a very happy and exciting year for the class. This was the year the class purchased their beautiful class rings. The rings arrived on November 5, 1950. This was also the year for the class play, "The Campbells Are Coming." The play was a great success. Another big occasion was the Junior-Senior Banquet, given by the Juniors for the Seniors. The theme of the banquet was "Moonlight and Roses." When school was out in May of 1951, the new *Seniors* could hardly wait to get back to school.

At last, came the Senior year, and it proved to be a busy one. At the beginning of the year, our morale dropped to a new low when one of our class members, Doris Reber, met with a serious accident which prevented her from completing her final year with us. During our Senior year we gained two new members, Eva Jean Ousley and Kay Breitrick, only to lose them again a little later in the year. There were also many exciting activities such as the class play, "Adam's Evening", the F.H.A. dance, the Junior-Senior Banquet, and many other occasional things like getting measured for our caps and gowns, which were green and white. Of course, there was graduation in May and the class trip on the 25th of May. All in all, it was a very eventful and happy twelve years of trials and tribulations.

Class Prophecy

After working for three years with no relaxation, I finally decided to take a vacation. I called on *Leanna Shields*, head dress designer at the New York Fashion Shop, to see if she could arrange her vacation at the same time and join me. She said she could and would be glad to accompany me. While I was there I dropped in to see *Ruth Barnes*, one of their most popular models, modeling a beautiful ermine coat.

Leanna and I decided to take our vacation in the western part of the U.S.A. We would drive through in Leanna's new blue Cadillac. Just before we left, I picked up the paper and turned to the sports section to see how the Cleveland Indians were coming. There was a big article "Indians Cop Penant" by *Dan Eby*.

On the way west we took in the 500-mile Indianapolis Speedrace. There we saw our former classmate, *Glenn Yockey*, win the race and set a new track record. It just so happened that *Don Hetler* was Glenn's capable mechanic who kept the car in running condition.

The following morning we headed for Texas to look up an old friend, *Kay Breitrick*, and to our surprise who met us at the gate but *Neil Kennedy*. It seems Neil and Kay now own a large ranch there. While we were there they took us to a real wild west rodeo. The main attraction was a bronc busting contest, and once again it was an old P.H.S. graduate of the class of '52 that walked off with the honors. The winner of the event was *Wilma Echelberry*.

After we left Texas we went up to the Grand Canyon. The guide there sounded familiar, and it turned out to be *Marilyn Cheesman*. They're hiring women now that so many of their other guides have joined the Navy.

From there we went out to California to see the giant redwood forest. We went into

one of the gift shops that had been carved from the inside of a tree, and who did we find owned the shop but our old friend *Alice Mathews*.

After we had seen the redwood forest, we went to Los Angeles and checked in at the Hotel Hampton, owned of course by another old school pal, *Larry Hampton*.

We went to an opera in the evening and to our amazement we met again another of our classmates, this time the famous soprano, *Helen Fox*. Helen talked to us awhile between the acts of her new presentation which was "The Barber of Seville". Not knowing too much about the opera world, we asked her if she knew anyone else. She replied that one of the best literary critics was *Durward Vogel*.

We left L.A. a couple of days later and on our way back we stopped in Wyoming to see the Yellowstone National Park. There we met up with still another old acquaintance. It seems that *Leonard Smith* headed west, but that was as far as he got.

At a whistlestop on the way back to New York, we saw a train carying a presidential candidate who was making a campaign speech. It was *Emily Rose Ford* with her personal secretary, *Connie Hannum*.

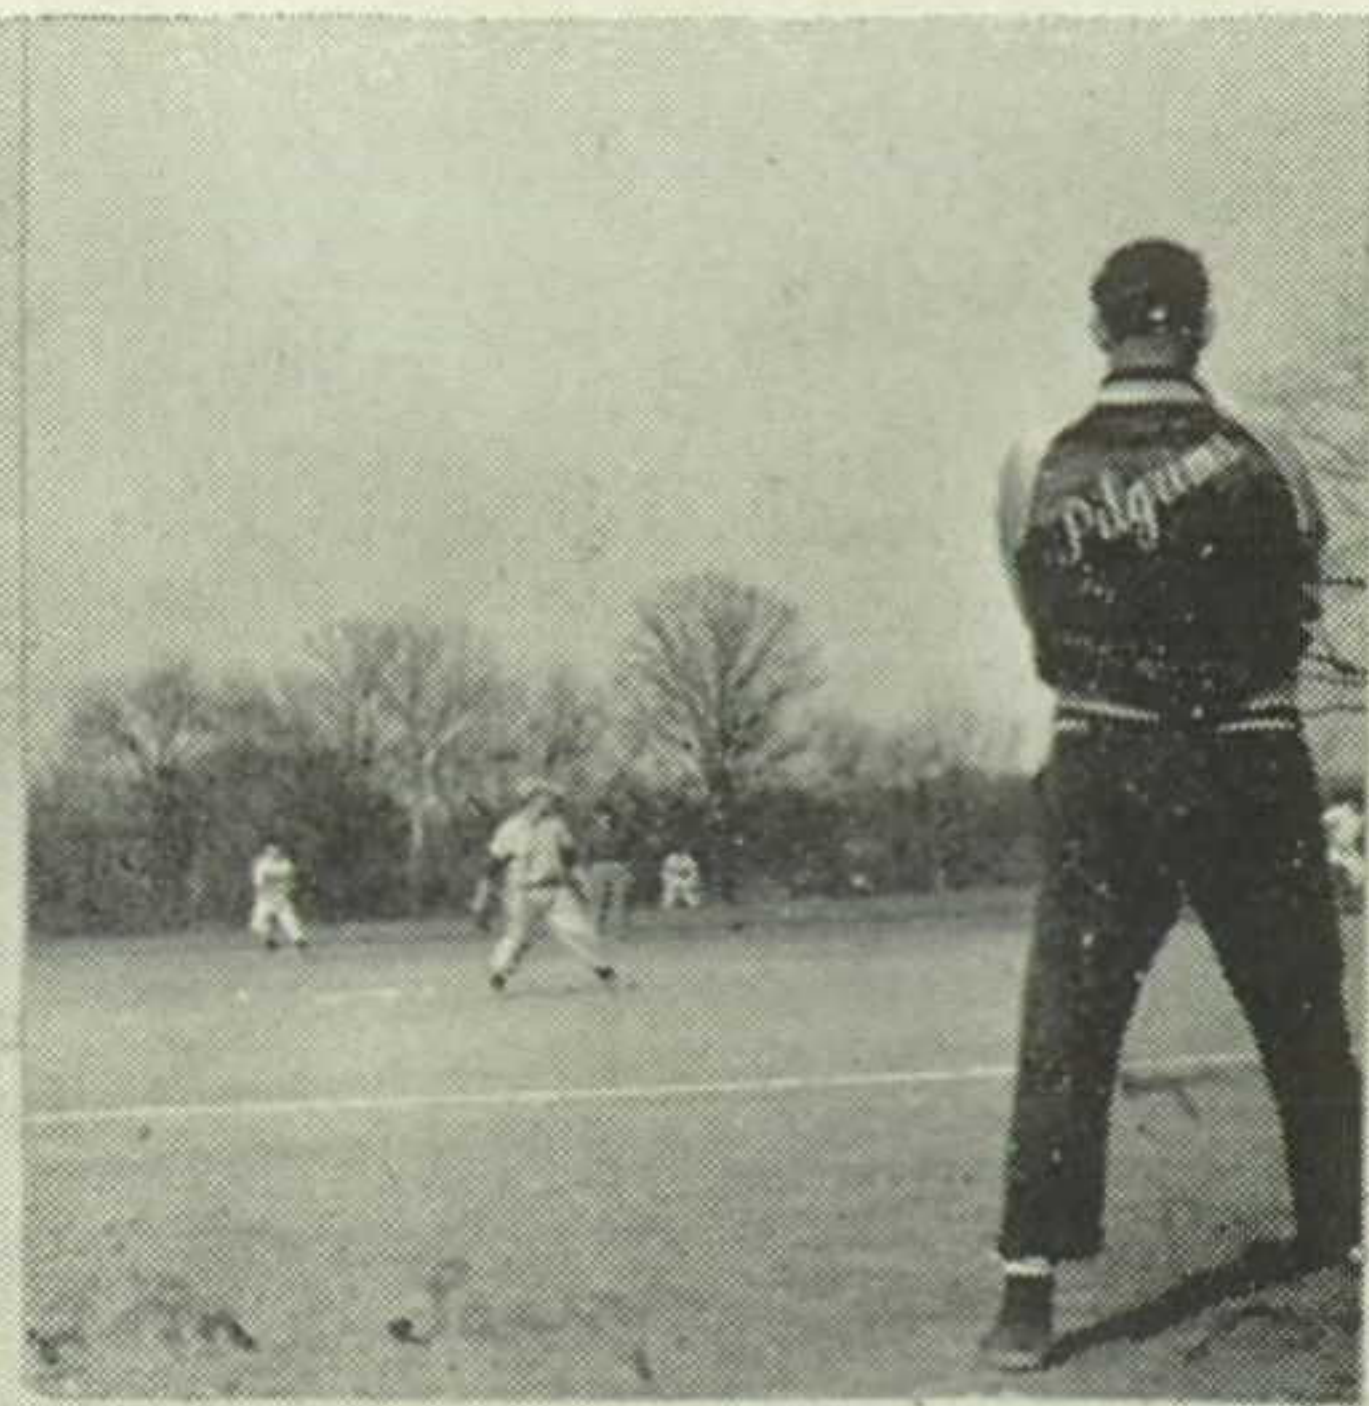

When we got back home I picked up the newspaper to see what the TV programs were, and I found some had been changed and new ones had been added. One was "The Cooking Hour" by *Mary Belle Heuberger* and *Elaine Rooks*. Another one was "The Fashion Show" by *Christine Lucas*, a Conover model.

That evening Leanna and I were watching the wrestling and there, wrestling against Argentina Roco, was *Mighty Joe Kennedy*. His manager was "Whip" *Wilson*, a professional basketball star.

What an ending to a wonderful trip. Is everybody happy?!!

F. H. A.

Under the direction of Mrs. Ruth Buzzard, home economics teacher, the Future Homemakers of America have completed another successful year at P.H.S. For the senior girls, it is the last year of associating with the girls from the other classes. The F.H.A. is the only club in school that is entirely composed of girls. To be a member, one must have had at least one year of home economics.

The one big event of the year which all the girls look forward to is the formal F.H.A. Dance. To this dance the girls must ask the boys. Since this is leap year the girls are justified in asking them. This year the dance was held on May 9.

The organization's officers are:

President	Shirley Goldsmith
Vice-President	Marge Ricker
Secretary	Janis Taulbee
Treasurer	Connie Hannum
Parliamentarian	Georgianna Pitzen

Front Row— Patty Young, Rose Fenner, Mary Margaret Brinson, Mary Robertson, Marjorie Curren, JoAnne Briggs, Mrs. Klassen.

Back Row— Lenore Briggs, Delores DeWitt, Sandra Vogel, Otis Port. Jack McQuate.

ART CLUB

When this school year began back in September of 1951, several new clubs were introduced to the students of P.H.S. The group pictured above represents one of these clubs, the Art Club.

Under the competent supervision of Mrs. Margrita Klassen, science teacher, the Art Club has proved itself as a successful undertaking. The members have been enthusiastic about their work.

The purpose of the club is to give the students an opportunity to know and study art. Their officers are:

- | | |
|---------------------|----------------|
| President | Jack McQuate |
| Secretary | Mary Robertson |
| Treasurer | Rose Fenner |

Front Row—Jim Frederick, Dick Goldsmith, Roberta Bachrach, Joan Postema, Peggy Burrer, Wilma Cornett, Bud Garrett, Mrs. Klassen.
 Back Row—Patsy Markley, Daher Huzovitch, Lurma Risner, Wilma Martin, Bob Wirth.

CAMERA CLUB

Besides the Art Club, the Camera Club is another new organization at P.H.S. Also like the Art Club it is under the supervision of Mrs. Klassen.

The members meet often and discuss the camera and its uses. They show a great deal of interest in their work.

The Camera Club gives the boys and girls a chance to learn to take pictures and to use the camera in the proper manner.

The club's officers are as follows:

- | | |
|---------------------|------------------|
| President | Joan Postema |
| Secretary | Roberta Bachrach |
| Treasurer | Lurma Risner |

Acknowledgments . . .

As the time approaches for the 1952 Mayflower to go to press, I look back over the weeks, even months of endless toil that has been required to put together such a book as this one is. I wonder how I can best express my appreciation to those who have co-operated so willingly. Publishing a yearbook is not an easy task, and if a book is to be a success, many willing workers are needed to help. There are many persons to whom I am indebted for their services in helping to make possible the editing of this book.

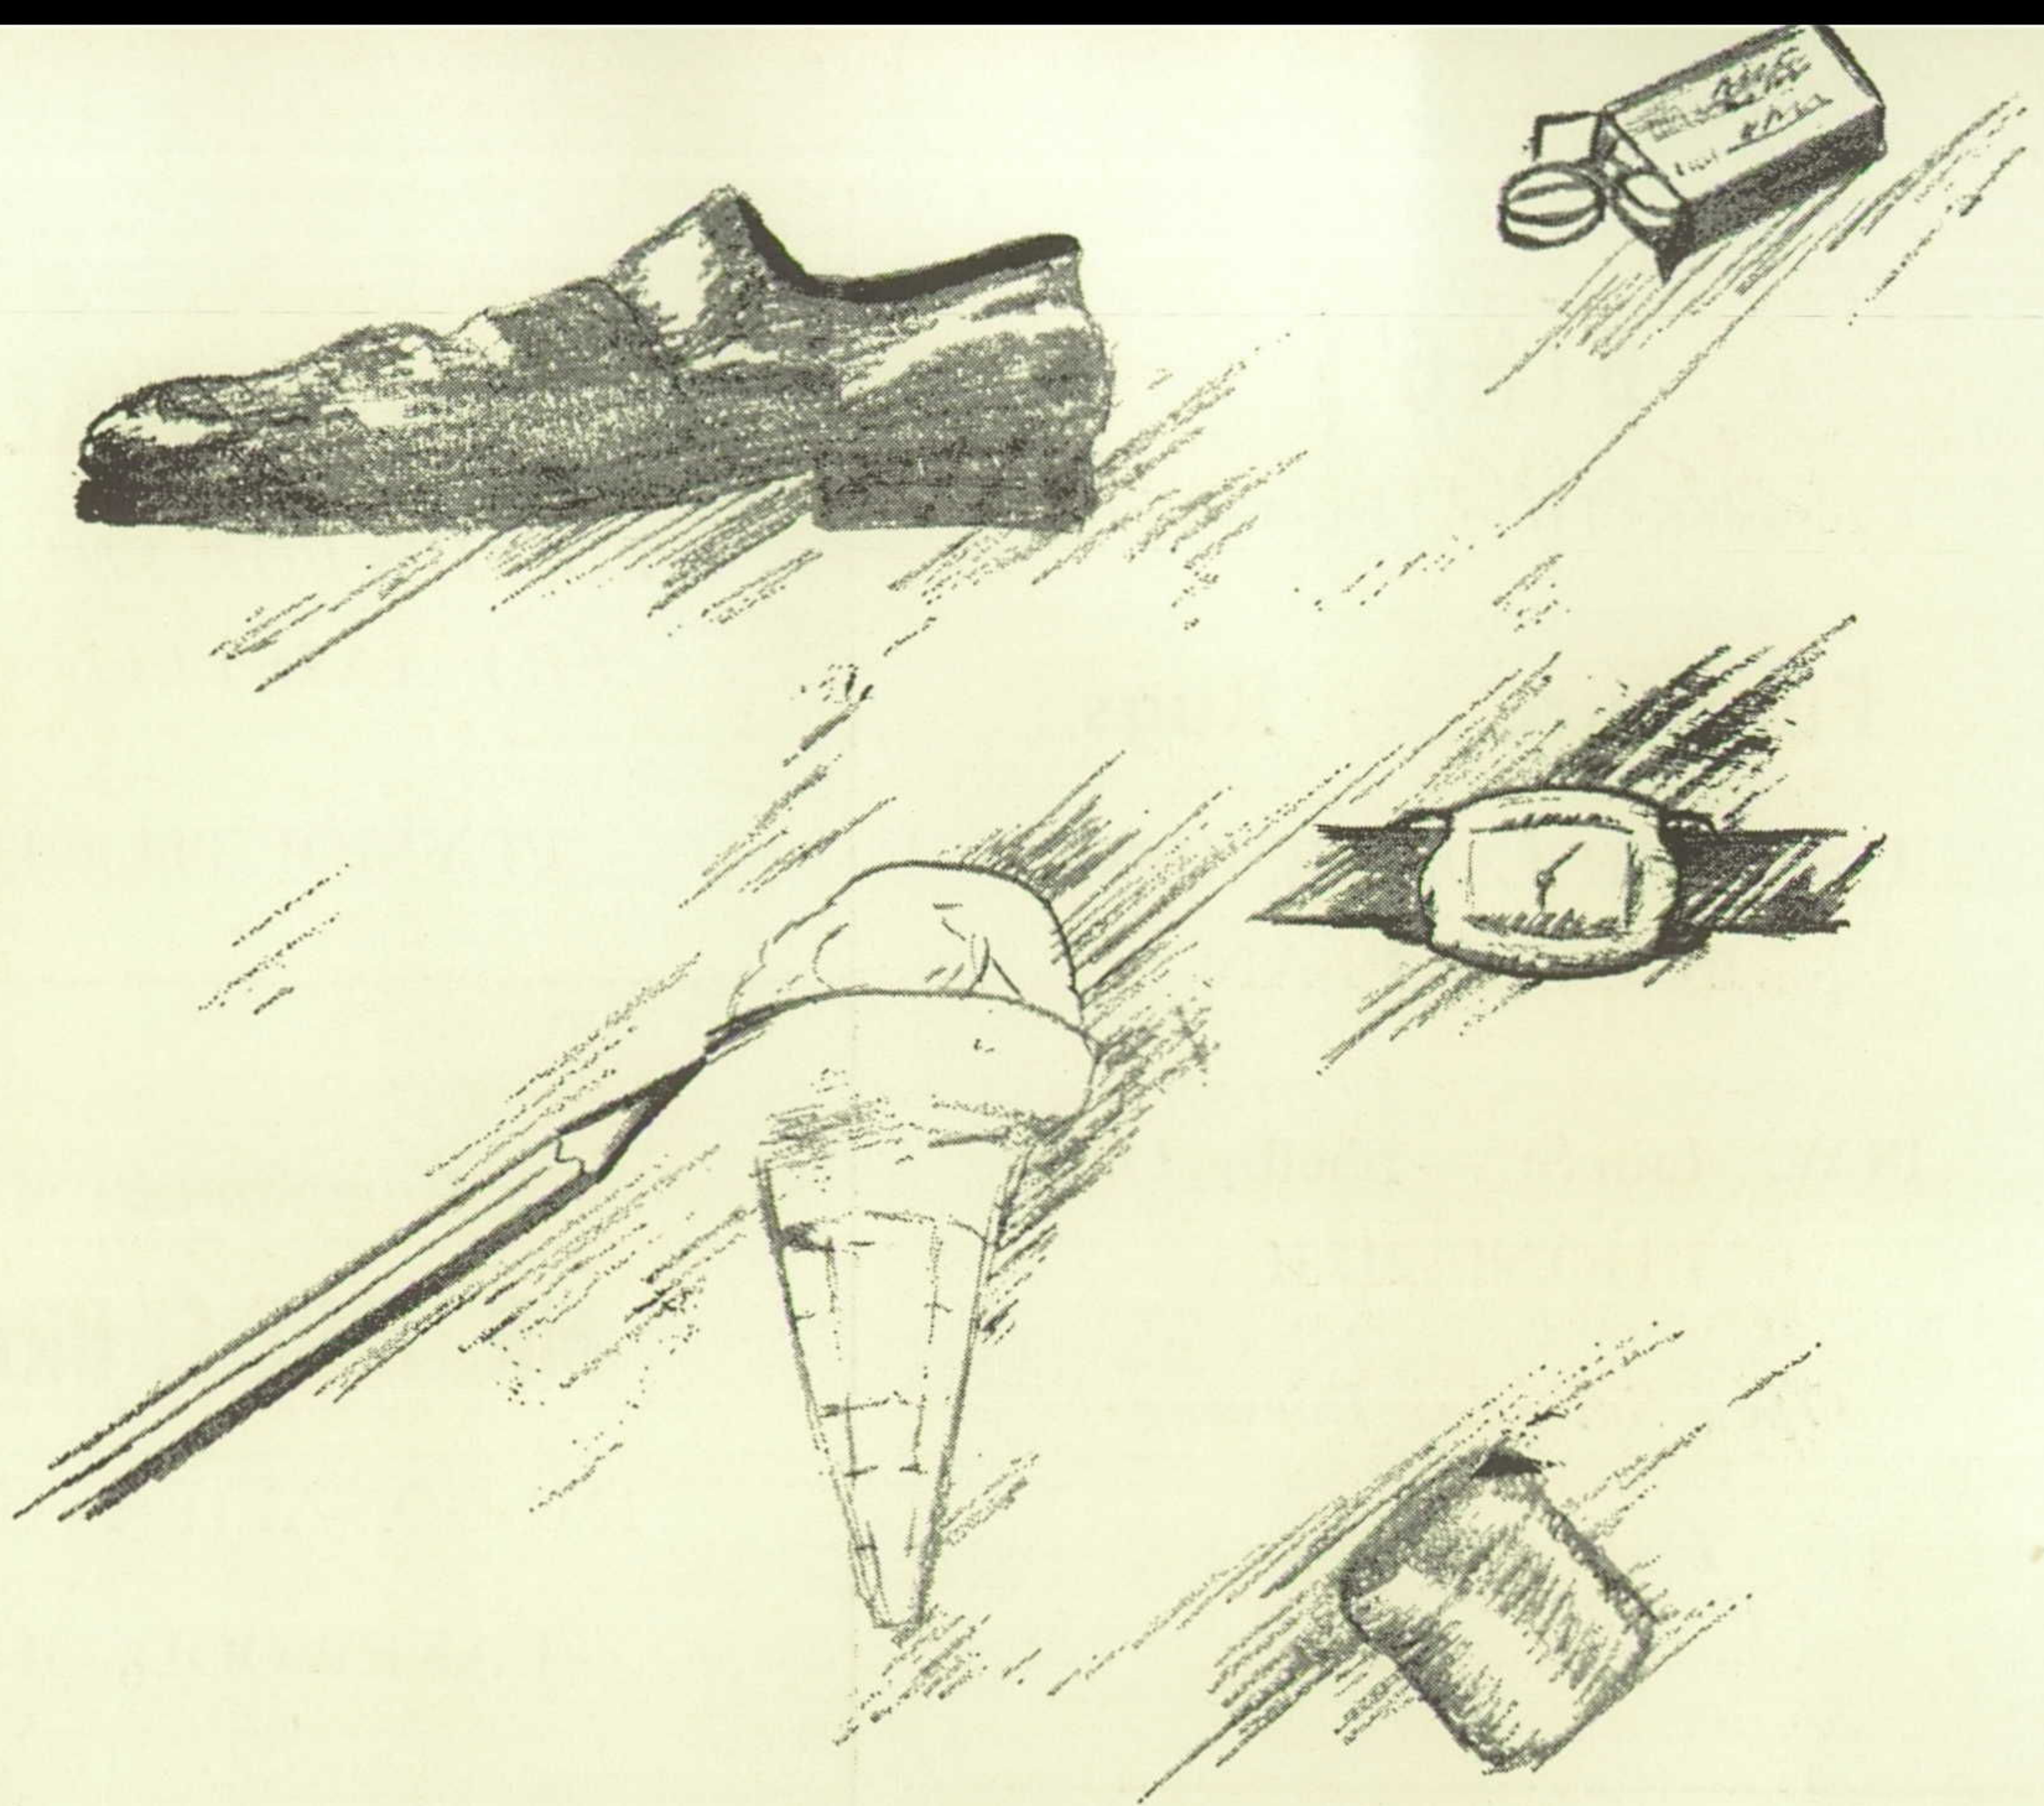

I would like to thank Mr. Coon for allowing the staff members the time needed to work on the book. Often, time was needed during school hours, and he showed his co-operation by allowing them that time. Mrs. Meyers also was very helpful. She did a great many things that a school secretary is not expected to do or even paid to do, but she willingly gave up her time for the members.

The photographers deserve special merit. Pictures are the main constituent in any yearbook. I'm afraid the book would be very dull and uninteresting if it were not for the pictures. Mr. DeVito of Shelby and Bob Wirth took the pictures. Bob is a sophomore and his hobby is photography. For one so young, he did an expert job.

To the members of the staff in particular, I want to say thanks. The members are listed in the book if you are interested in knowing who they are. They have been most co-operative. Their eagerness and willingness has made this last year in high school a very memorable one for me. If I ever work with another staff, my only hope is that it is as nice as the staff of the 1952 Mayflower has been.

There is one person who I have not mentioned and he is perhaps the most important one of all. That person is our sponsor, Mr. Poling. Mr. Poling took the job of sponsor willingly. He has proved himself to be very competent in such matters. The staff has appreciated his help and guidance.

Emily Rose Ford

To the generous businessmen of the community of Plymouth, we want to express our sincere gratitude. This is, in reality, your book, for without your co-operation and the money supplied by your purchases of advertising space, the publication of this book would not have been possible. We know that in the future the advertising staff of the Mayflower will find you as co-operative and helpful as we have.

To the members of our staff—thanks a lot for the difficult and time consuming job which you have done so well. You have been the connecting link between this book and the advertisers. Selling advertising is a proposition, and your prompt efficient, and courteous service to our customers have been a great asset in making our advertising campaign a success.

And to everyone who reads this book—don't stop at this page. Beyond you will find the leading businesses of Plymouth offering you the best in merchandise. Your patronage of these establishments is always deeply appreciated and welcomed.
