### FOREWORD

The 1966 "Havamal" is presented to you by the twenty-one member annual staff of Plymouth High School.

This yearbook is an effort to present a fair and interesting record of persons and events you want to long remember.

All merit found in this book should be credited to the untiring patience of its advisor, Mrs. Morrow, the hard work of each and every staff member which was put forth, and the help and cooperation of the seniors, underclassmen, faculty, administration, and all others who have contributed to it.

The 1966 issue of the Havamal is dedicated to the senior class members' parents. This is only a small symbol of gratitude, for we could never fully express our appreciation to you. Great is the amount sacrificed by you to date and much more will you sacrifice for us in the years to come. Your influence has and will determine many events in our lives.

There is no stronger love than that of a parent for its offspring. The only equal to it is the love of a child for its parent. "Thank you" . . . we sincerely mean it.

# ORGANIZATIONS

Along with the academic side of every school, extra-curricular participation plays an important part in the life of the students. Through the various organizations within the school, a student can work with those whose interests are similar to their own. The organizations bring out leadership ability, talent, and the determination to work toward goals that will benefit the entire student body as well as the organization itself.

This year the Student Council purchased ten pennants representing the members of the J.A.C. basketball league.

The Library plays an important role in the school system supplying important information for the students as well as the faculty. It keeps the librarian busy supplying reference material for the students to use in preparing reports for classroom assignments.

The High School Library is constantly growing. In 1965, 4,500 books, pamphlets, and paper backs were circulated. The library now subscribes to 36 periodicals and 6 newspapers.

Each year the Future Homemakers of America select a theme. This year they chose--

Due to the fine job done by Mr. Risner and everyone else who helped, this year's play was acclaimed by many as Plymouths' most successful effort.

## *Staff makes changes*

The ANNUAL STAFF has a new advisor this year. Also, from the American Year-book Company, they have a new area representative who has helped them a great deal. The color picture of the various activities of the school on pages 4 and 5 was possible as a result of a job "well done" by the advertising staff.

Everyone knows it takes a great deal of time to put an annual together and the staff this year has worked endlessly.

# MUSIC

As part of its extra-curricular activities, Plymouth High School has presented for the discretion of its students, the Plymouth High School Marching, Concert, and Dance Bands; plus the Plymouth High School Chorus.

The Plymouth High School Concert Band, under the direction of Mr. Harold Hughes, has throughout the year, participated in various activities such as the ALL COUNTY BAND FESTIVAL, at Lexington, Ohio on March 29.

Under the direction of Mr. Jeffrey Risner, Plymouth High School has produced the greatest Chorus group in its history. They have performed for various organizations such as the Medina Methodist Church for Lent services.

# FOOTBALL

Playing a tough schedule, Plymouth Big Red finished the season with a 3-7 record. Playing under our new coach, Larry Root, the varsity had a successful season and showed much spirit and determination. We would like to congratulate the seven seniors who have played in their last season and who have proved themselves to be capable leaders. With eleven lettermen returning, Plymouth can look forward to a victorious 1966 season.

The 1965 Plymouth Cross Country Team was led this year by Coach Guy Flora. This year proved to be a rebuilding year as only four returning lettermen finished the season. Plymouth started the season by defeating Madison for the first time in Plymouth's history. The district meet was held in Mansfield at Possum Run Golf Course. Jon Daup competed with 120 boys and took 20th place. Next year Coach Flora should be able to look forward to a successful season with 3 lettermen returning and experienced underclassmen.

## *Big Red upsets New London*

The Plymouth Big Red Basketball Team finished the 1965-66 season with a "6-12" record. The Big Red proved that hard work and attitude pays off. They set an all time scoring record against Northmor 98-61. The Big Red won five games in regular season play, but pulled the upset of their tournament by soundly defeating the favored New London Wildcats 59-47, and lost a well fought battle to Western Reserve in overtime the next night. Our congratulations go to the five Seniors who have played their last game. We wish the best to the coming Varsity Squads.

In tournament play, Plymouth defeated South Central 6-5 to advance to the sectional final against Crestline, and continued on in the tournament by defeating Crestling 1-0, with the help of strong pitching and sound defense. After winning their sectional, the Big Red advanced to the district and downed Wynford, 10-3. In their district final, Plymouth was defeated 2-0 by Buckeye Central.

## *Varsity Places 3rd at Vista*

This year's Plymouth Big Red Varsity Cheerleaders proved to be one of the best squads Plymouth has ever had. This year's cheerleaders were a great asset to Plymouth High School as well as to the football and basketball teams. During the summer of 1965, our Varsity Cheerleaders participated at Camp Valley Vista near Cambridge, Ohio. At this camp they competed against about 25 different schools. They won 3rd place in final competition. We congratulate them for their unceasing spirit, great, and very successful year.

This year's Freshmen cheerleaders did a good job cheering their team to a fine season. This squad showed a lot of spirit and determination. They were a faithful squad although they did not have a large backing. We congratulate this squad for their valiant efforts.

This year's Varsity Alternates were Barb Wagner and Beth Ross. These two cheerleaders were very valuable as they filled in at different times during football and basketball season. Much credit should be given to these alternates as they had to be at every practice. We congratulate these cheerleaders for their fine hard job.

There are many extracurricular activities that go on inside and out of school. One of the most important is the Homecoming Queen and her court. We pride ourselves on the beautiful queens that we elect and who reign over the Homecoming Game. Another is the club activities which choose their own queens to reign at the dances and banquets held in their favor. These are better known as the F.H.A. and F.F.A. Queens and their courts. Much interest is taken in these activities. We are proud to have them among our school activities.

# ADMINISTRATION AND FACULTY

Today's Space Age schools do not have the monopoly on education that they exercised in the nineteenth century. They share this responsibility with movies, radio, television, newspapers, and magazines, and the state plays an important role in strengthen-education by recommending improvements.

Rapid transition from the make shift three R's education of the one-room school-house with its poorly paid and poorly prepared teacher to the modern, better equipped, and better staffed elementary and secondary schools emphasized by Plymouth's program of studies is part of the keystone of education which provides for an enlightened citizenry.

# UNDERCLASSMEN

As new faces became familiar, the students settle down to the task of selecting their class officers and representatives to the Student Council. Classes begin planning their money-making projects to enlarge their class treasury. Clubs and organizations become active, and the school year is in full swing.

As the Class of '69 entered their first year of high school, they met their class advisors, Mr. Bartlett and Mr. Hosler, and selected their class officers: Beth Ross, Vice-President; Leo Hess, Secretary; Larry Kaman, Treasurer; and Lee Fenner, President. The class won second place in noise making in the annual Noise Parade. March 18 was the date of their first dance and money making project. This year's Freshman football and basketball teams have met with great success.

Heading the Class of '67 this year is Mr. Flaherty, advisor; Miss Easterday, advisor; Leslie Henry, Treasurer; Barry Foster, President; and Steve Ruckman, Secretary, Mrs. Morrow, Adv. and Bill Goth, Vice Pres. Early this year the Juniors received their class rings. Then they won the trophy in the Noise Parade. They sold Stanley Products and sponsored a dance to build up their resources. May 14 was the big date which brought to a climax the project they had worked for the past three years-- their Jr. Sr. Prom. Now they are ready for their final year of high school.

# CLASS OF 1966

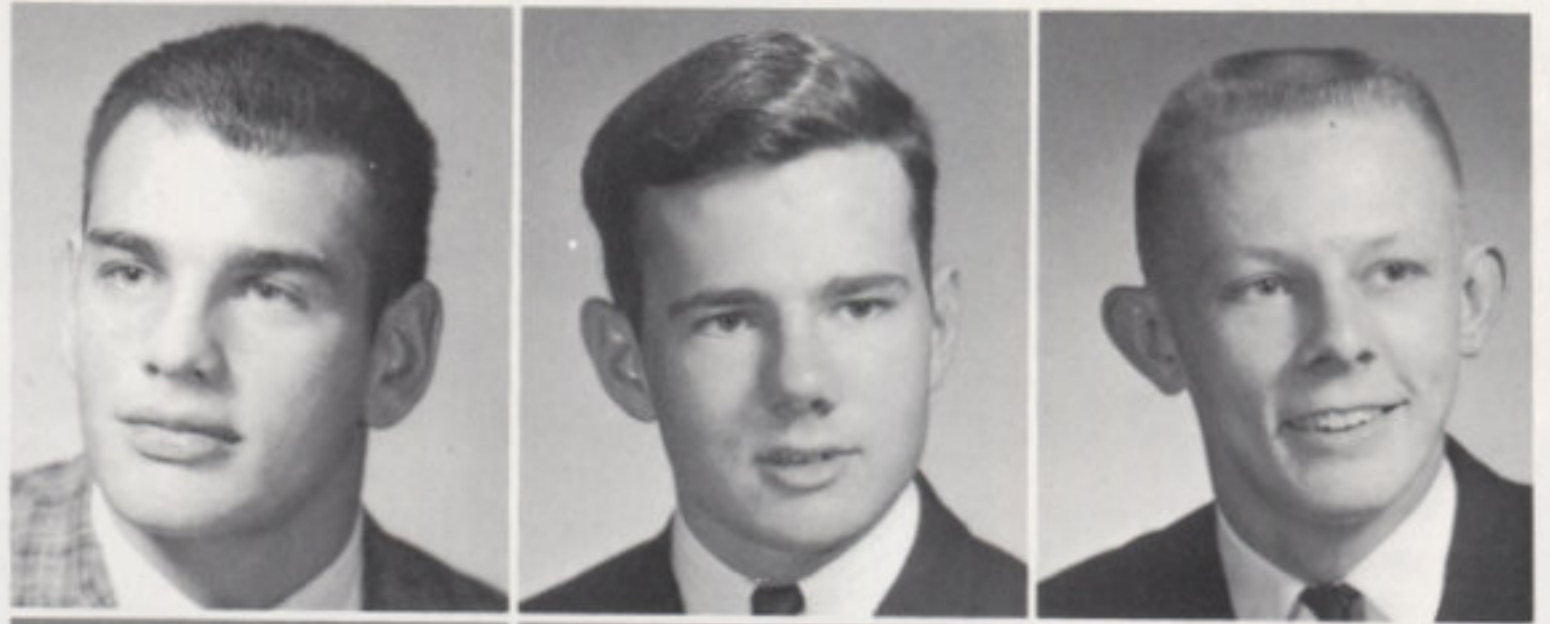

The Class of 1966 has always attempted its projects as a group effort rather than an individual effort. This group endeavor was mostly reflected in the 1965 Junior-Senior Prom and in the winning the Homecoming float.

We excitedly entered our senior year realizing our accomplishments before graduation. The ordering of announcements, posing for portraits, and measuring for caps and gowns contributed toward our goal.

## *A Faith to live by*

On May 27 the Class of Nineteen hundred and sixty-six met for the last time as a whole for their Graduation in Mary Fate Park. Many people from near and far came to hear Pastor J. R. Howe speak on "A Faith to Live By". The Invocation and Benediction were given by Reverend R. Mace and the Diplomas were passed out by the President of the School Board, D. P. Markly. The Class Colors were Navy Blue and White, the Flower was a Red Rose, and the Motto was "Here We End but Soon We Rise Again."
