Would you buy a used car from this guy?

Food Power

Gotta love it!

Like my new trombone?

I can do this with my eyes closed!

He might be funny looking but he gets straight A's!

Look! No cavities!

See what happens when you swallow one of these things?

... and this is a desk!

He followed me home.
Can I keep him?

I just washed my hands
and can't do a thing
with them!

A rose between two
thorns.

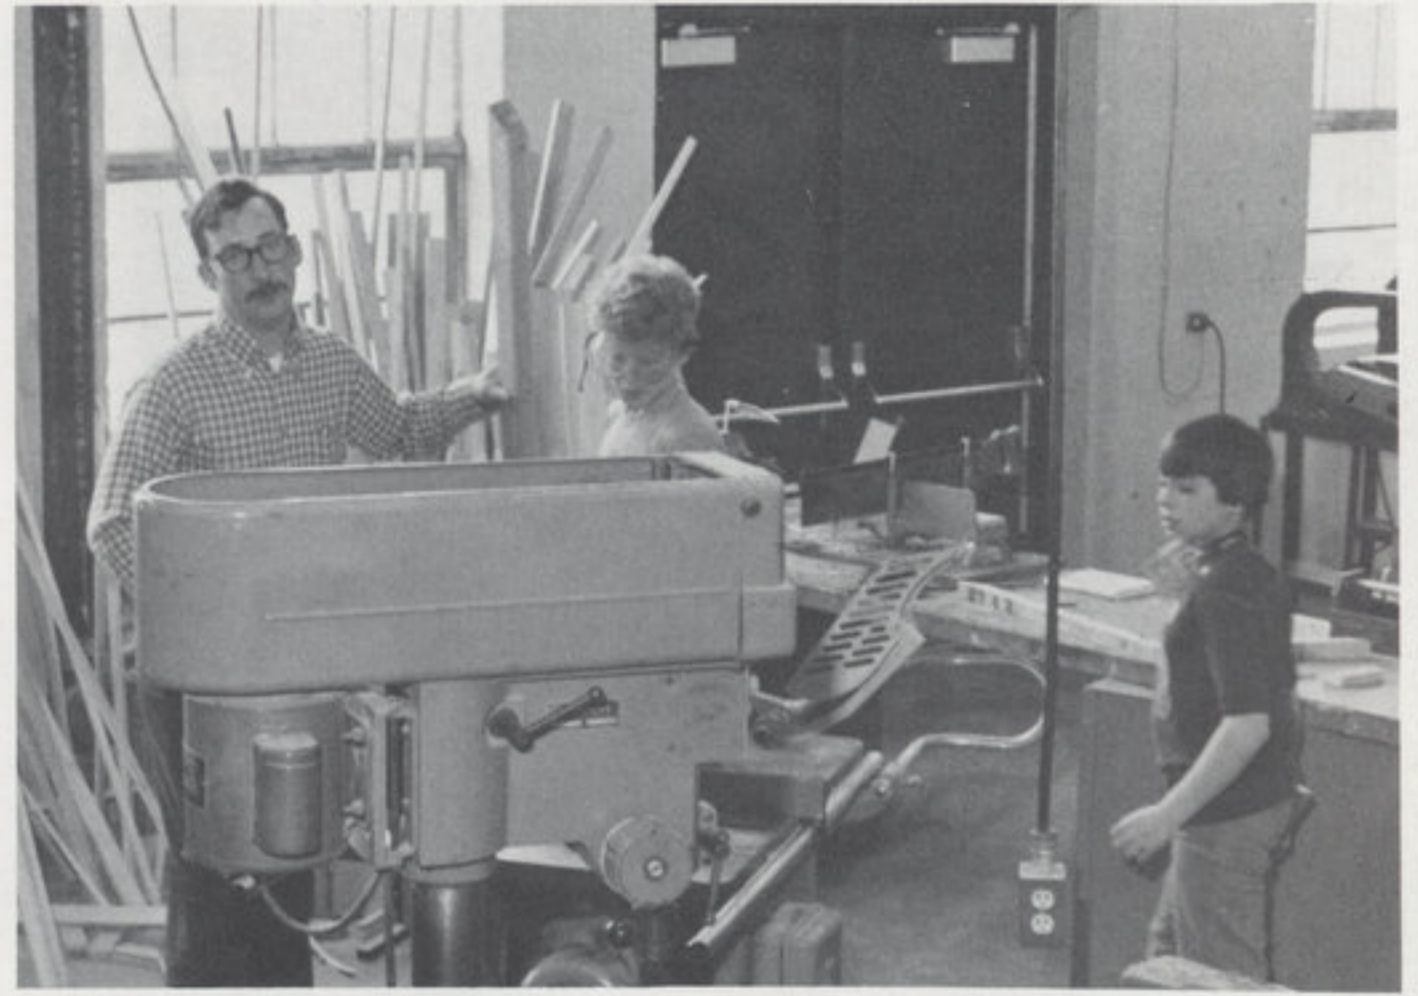

Smile, you're on Candid
Camera.

I know she can dance,
but can she sing?

**What's this growth
coming out of my
shoulder?**

**You guys know how this
thing works?**

**We're off to see the
Wizard!**

Look Ma, no deodorant!

**We would do something
wrong?**
