

The background of the entire page is a dense, abstract splatter pattern. It consists of numerous thin, elongated lines and larger, irregular blotches of bright pink and vibrant green paint. The splatters are scattered across a light-colored, textured surface, possibly paper or canvas, creating a dynamic and energetic visual effect. The colors are saturated and stand out against the neutral background.

DEDICATION

The yearbook staff would like to dedicate the 1990-91 Shiloh Middle School Yearbook to Miss Farrar. She has helped many students over the past 34 years of her teaching career. It is no secret that Miss Farrar is a pooch lover, but she also loves teaching and kids. We want Miss Farrar to know her years of hard work and dedication to Shiloh Middle School have not gone unnoticed.

THANK YOU MISS FARRAR!

CHOIR AND BAND

Our Music Department has enjoyed a very successful year. Mr. Conklin and Mrs. Burks are very proud of the participation of students in the elective band and choir programs. Students in band and choir perform at various concerts during the school year and participate in the District X Solo/Ensemble contest for area Middle Schools. Our theme this year is "A World In Tune." Our band and choir programs provide an excellent opportunity for all students interested in broadening their creative horizons.

Clubs & Helpers

This years Academic Challenge team is a very enthusiastic group. We have done well in Huron County Competition and are expecting the same at the Clear Fork and Richland County Tournaments. This team has exceeded all of my expectations. They are superb people.

To win games, teams need skill; and most teams have a fair share of skill. Sometimes the only difference between two teams is luck. The winning team's good luck is always the losing team's bad luck.

The 1990 Shiloh Middle School football team had skill, lead by the large number of eighth graders. However, luck was always on the other side of the field. A record of 3 wins, 3 losses, and 1 tie was the end result. You can look for this team to improve greatly in the future.

Success was the story for both the eighth and seventh grade basketball teams. Lead by a strong defense, 14 wins and 3 losses were accomplished by both boys teams. Shiloh Middle School can be proud of all athletic teams.
