# In Memory Of Alissa Maggard

Nov. 6, 1980 - Sept. 28, 1998

“I Truly Believe That If You Want Something Bad Enough, You Can Attain It;  
Follow Your Dreams.”

Alissa Maggard was a senior who was involved in various school activities which included volleyball, cheerleading, softball, track, academic challenge, S.A.D.D., and in her spare time, she tutored other students.

She was also involved in many out-of-school activities including assistant manager at the Plymouth pool, two part-time jobs, gymnastics and dance, and helping her family.

Alissa was ranked number one in her class. She was planning on attending Purdue University and majoring in aeronautical engineering and enrolling in the ROTC Program.

# There's A New Sheriff In Town

As you look through this yearbook it is my sincere hope that the recollections of your high school years are good ones. These four years of your life were instrumental in shaping who you are today.

Although our yearbook may provide a pictorial glimpse of the past, it won't be able to remind you of all the sights, sounds, and smells of your high school days.

Do you remember the pep band marching through the halls? How about the power outage in September and everyone had to go to the park? Do you recall Mr. Roll, (your friend) Mr. Sotora, and myself giving away pop at Christmas time? What did you do when we cancelled school because of snow and ice after Christmas break? Can you smell the lunches being served? What did you do for Spring Break?

As a first-year principal, my year was unforgettable. We did really well on the proficiency tests. Our faculty and staff were professional and committed to serving you. The student body was fun to work with. I sincerely enjoyed this year.

In conclusion, whether you are 16 or 60 when you look at this "memory book," it is my sincere desire that you look back with pride on your high school days. I know that I can say I am proud to be here.
