## Special Groups

**Leaders Club**

The Leadership Club consists of 5<sup>th</sup> grade students who are nominated by their teachers. Mrs. Bloomfield is their advisor. This group is responsible for bringing in community leaders who speak to the students and they also read to younger students. Members are also involved in the school wide recycling program. Members include:  
Back row - Alexzandra Gies, Bailey Keene, Breka Brown, Donathan Roberts, Dakota Baker, Justin Miller, and Mrs. Bloomfield, Advisor.  
Front row - Nikki Sims, Molly Snyder, Haley Rinehart, Dylan Lasch, Collin Hursh and Brandon Kanney

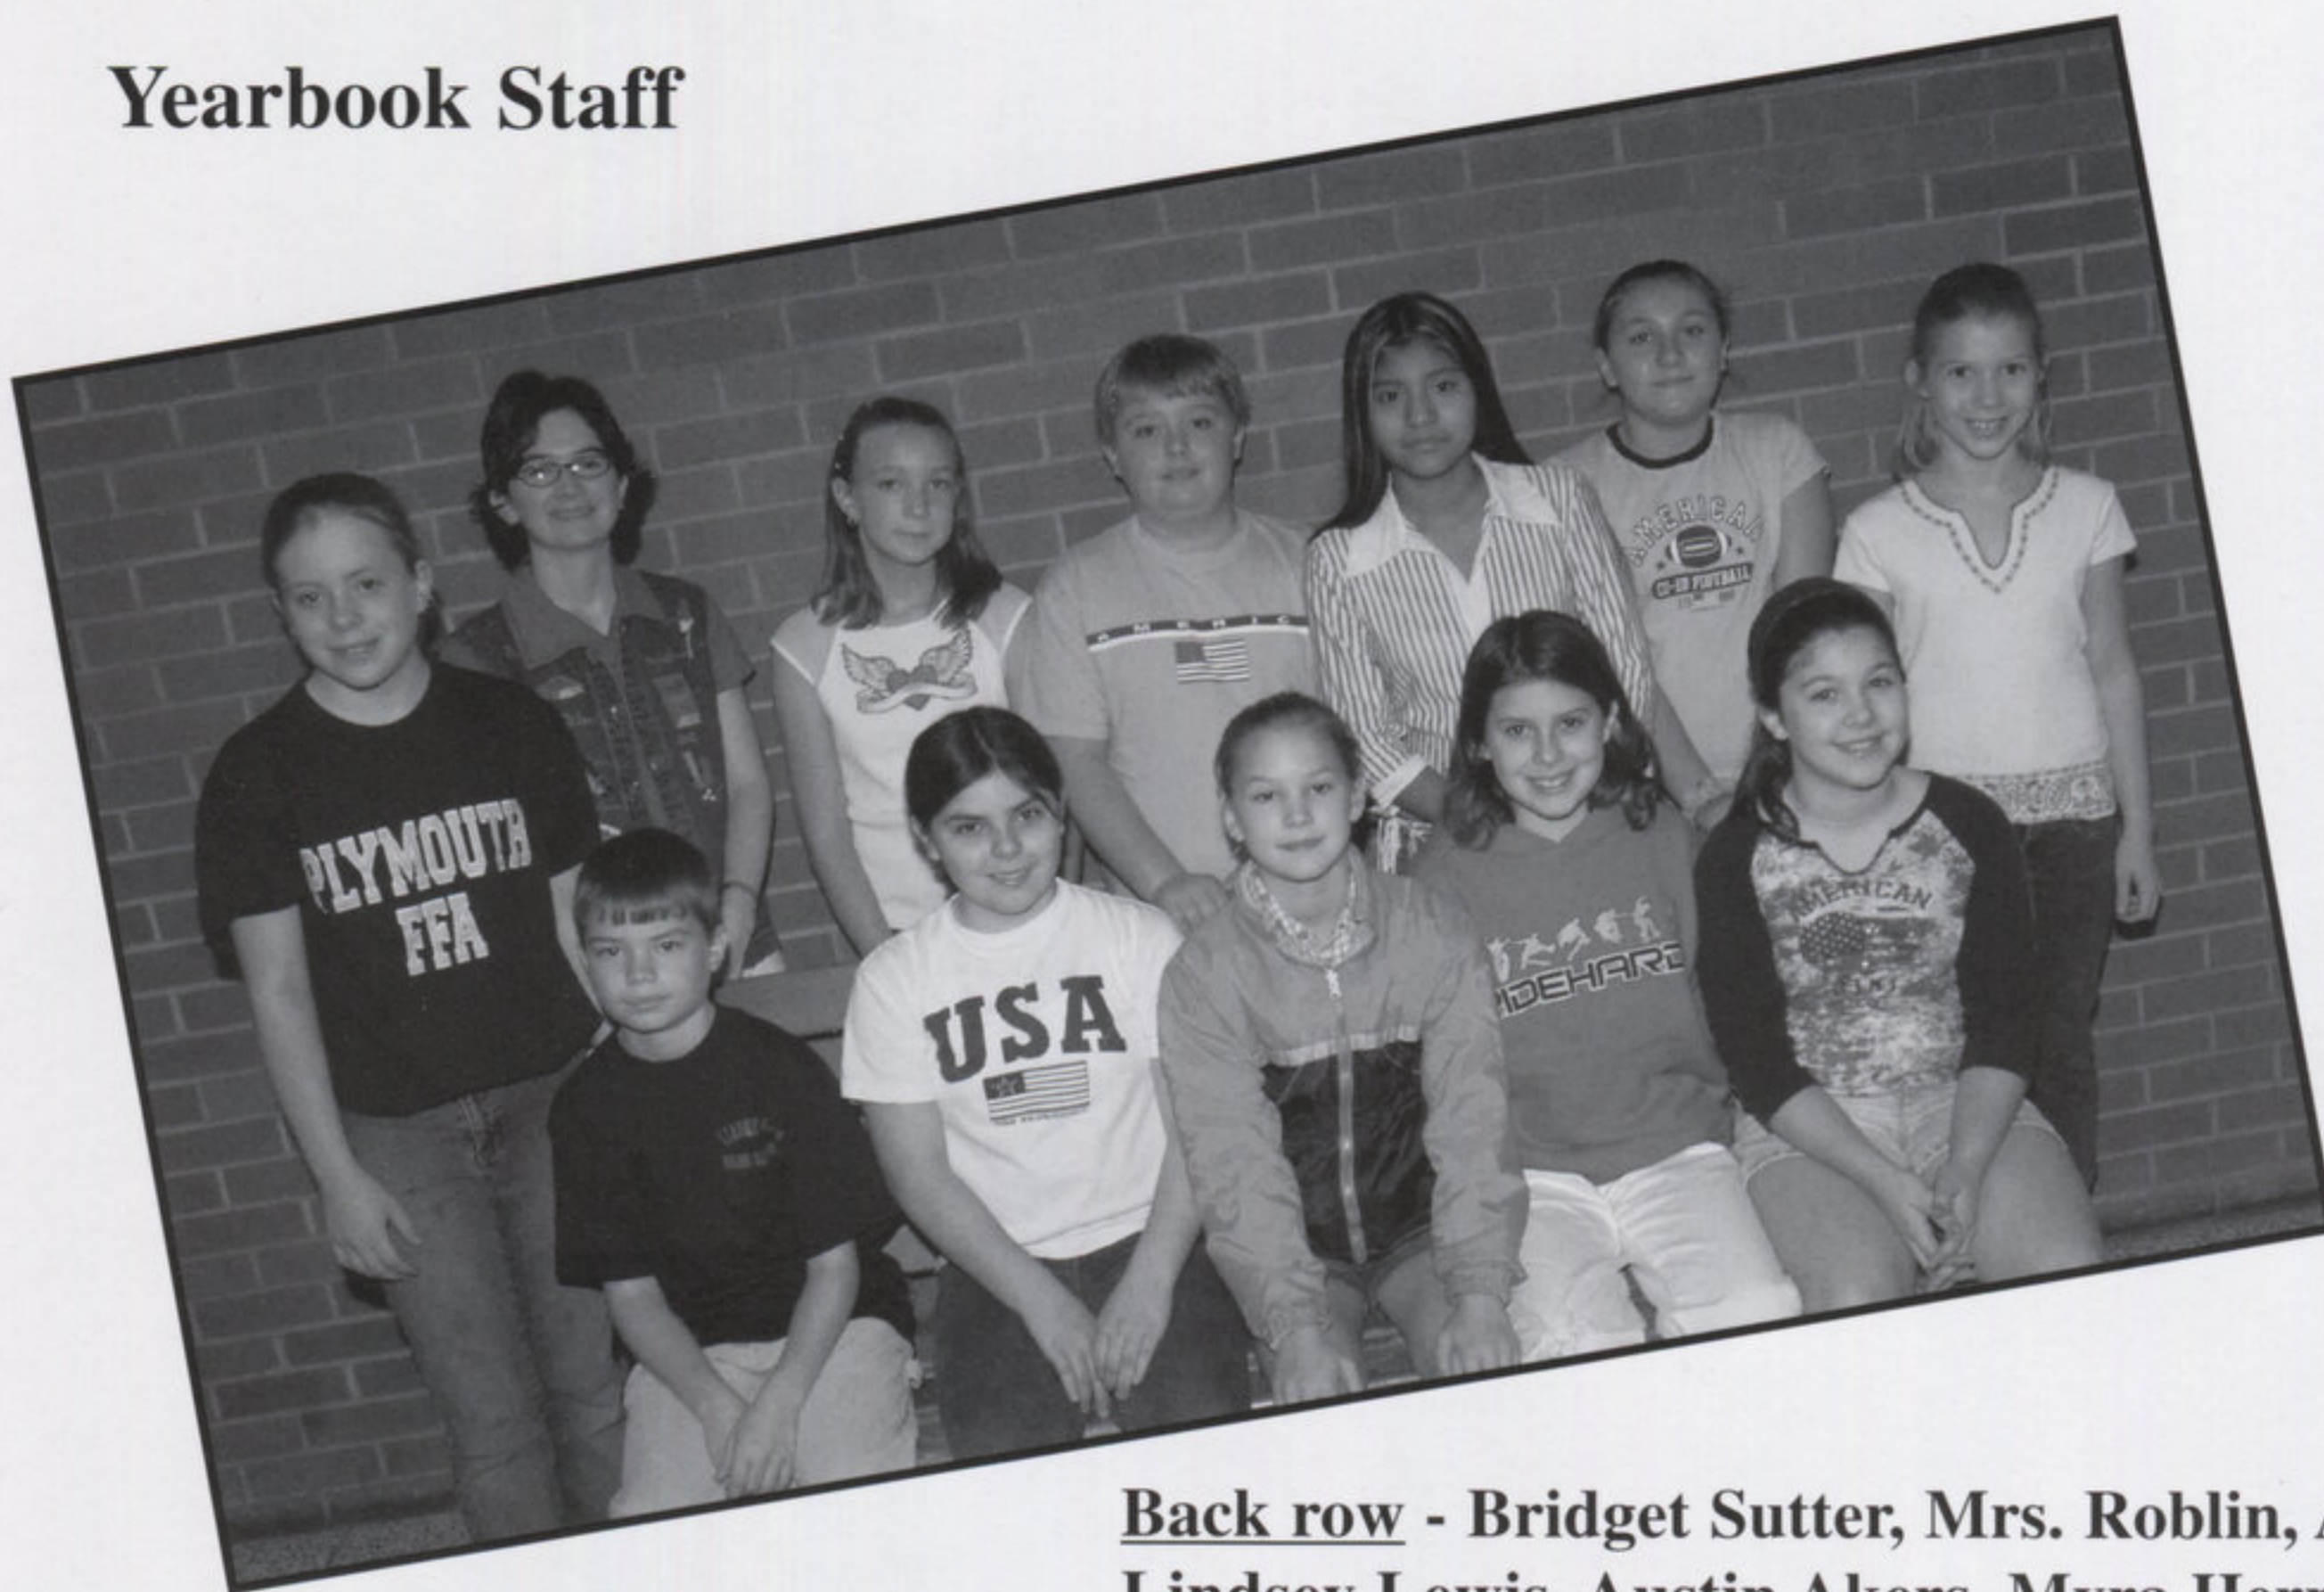

The Ohio Reads Program is responsible for encouraging reading through a volunteer program. Volunteers come from the Plymouth-Shiloh community. They read with students on a weekly basis for 30 minutes each time. Mrs. Karen Sutter is the coordinator of this program. They have 20 volunteers for this school year.

The PTO organization is responsible for fund raising activities that help fund student activities and field trips throughout the year. Two of their big fundraisers include the Scholastic Book Fair and Santa's Secret Shop. Sue Phillips and Ruth Donnersbach are the coordinators of this group. They also have many parent volunteers that help.

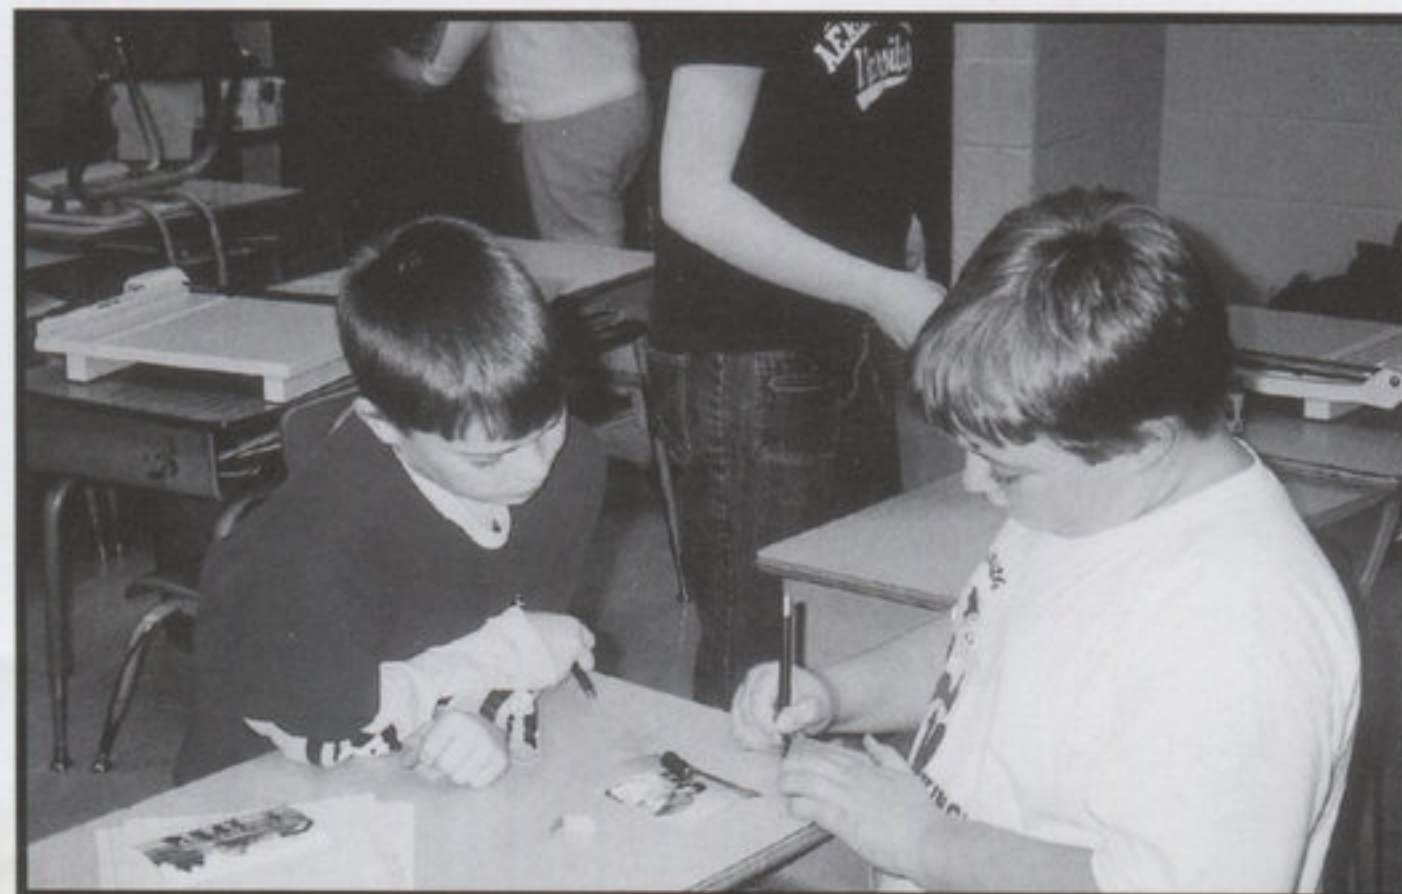

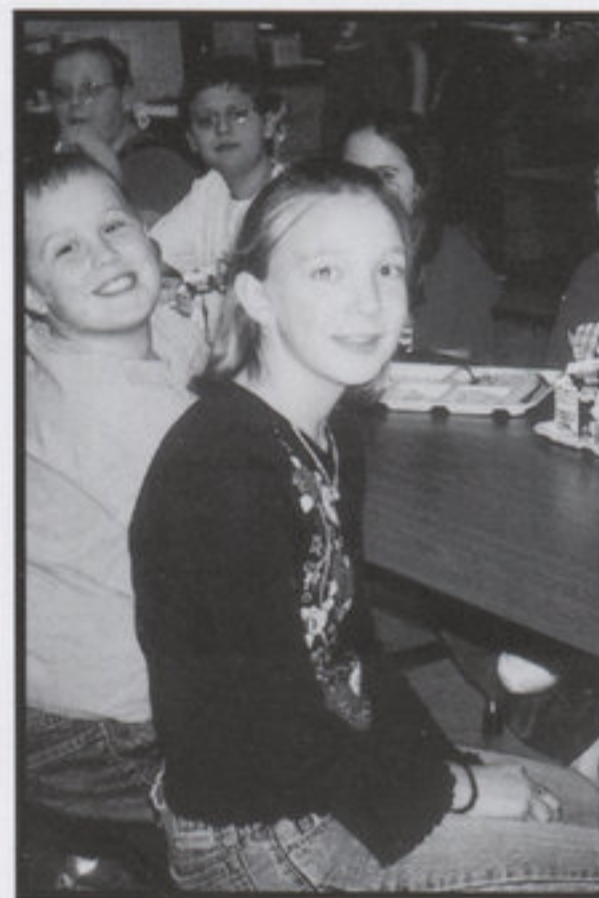

The Talented and Gifted Program services students in grades 2-5 that are exceptional in many areas. During their time together they study areas of interest to the students. They also publish a monthly newspaper that includes current events and has a spot light on different grade levels each month. Miss Wiedle is in charge of this group.

The Lighthouse Program is responsible for funding many extra curricular activities for students and the community. The activities include sporting programs, field trips to places like the Columbus Zoo and Cedar Point. They held a summer camp in connection with summer school. They also sponsored Proficiency tutoring in the fall for the 4<sup>th</sup> graders. This past October they hosted a Halloween costume-judging contest and awarded prizes. The school and community can't thank them enough for their support of the various activities

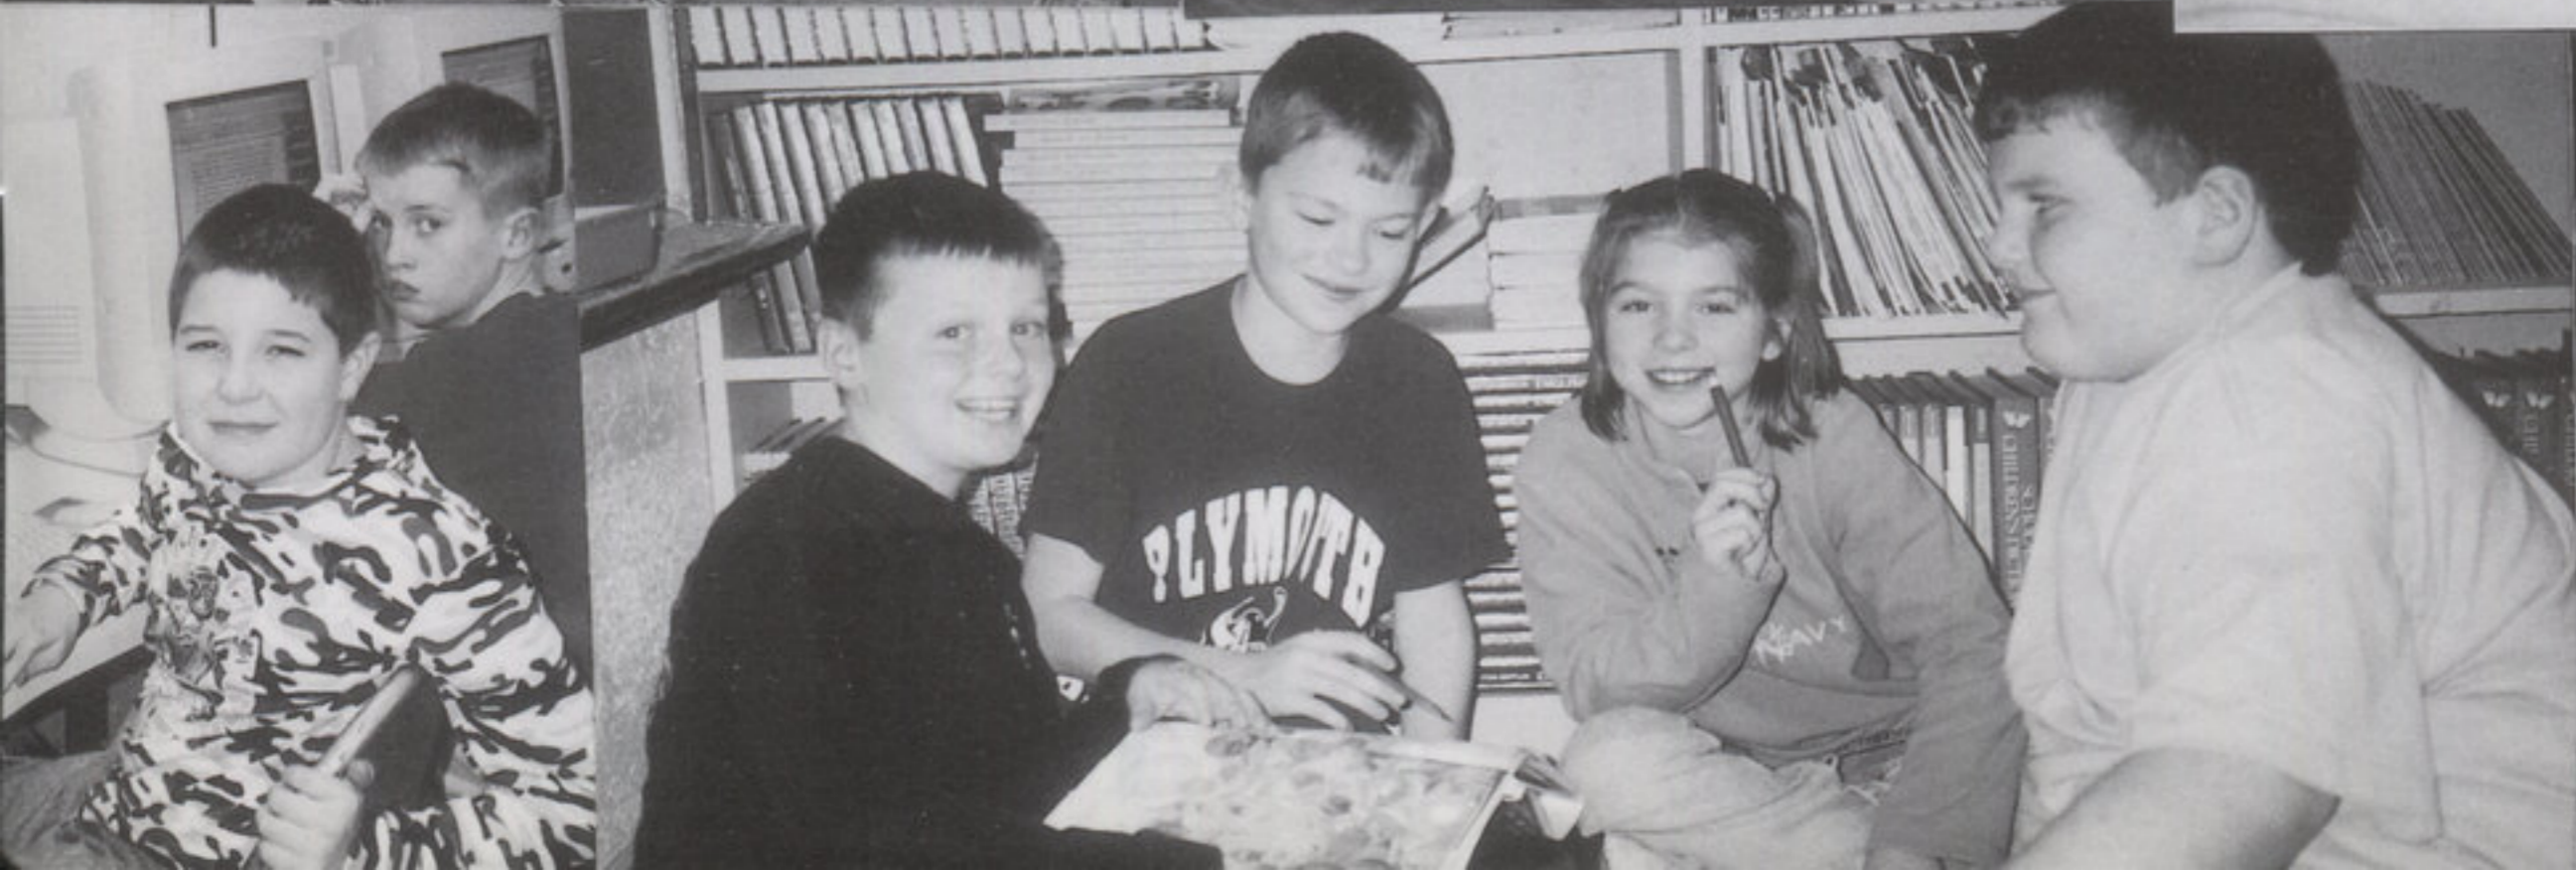

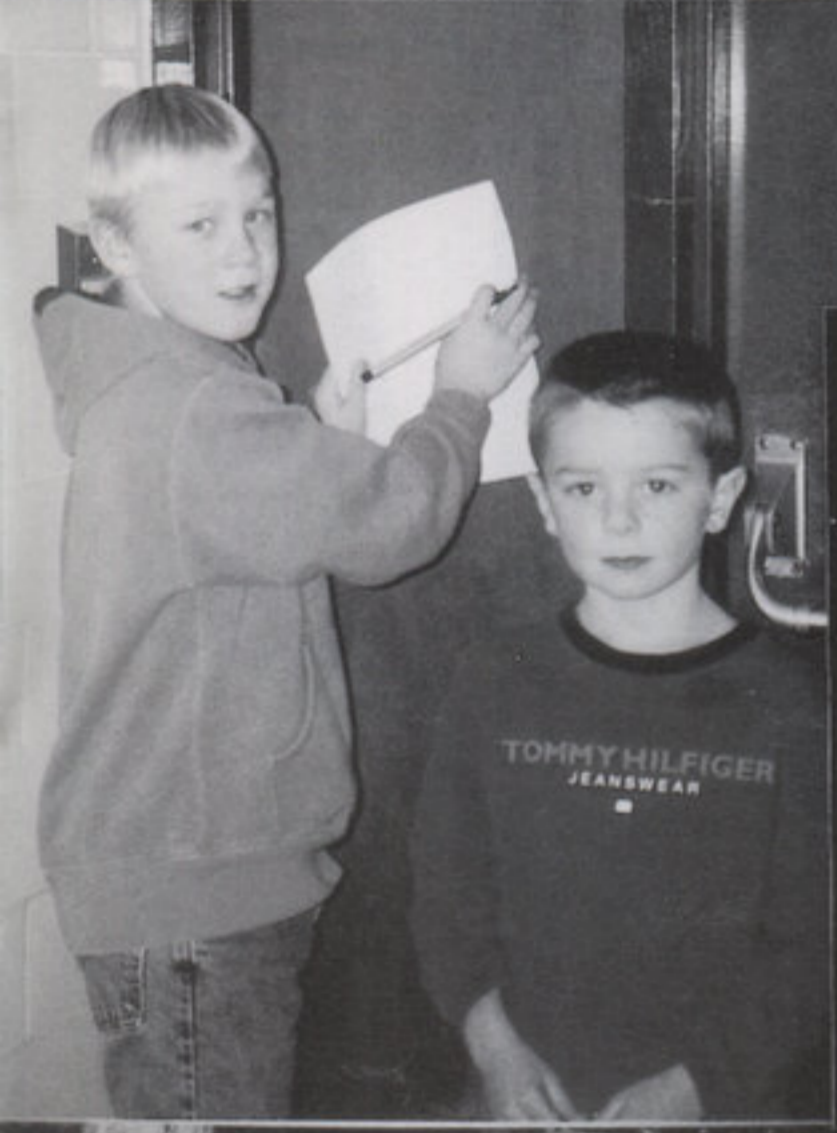

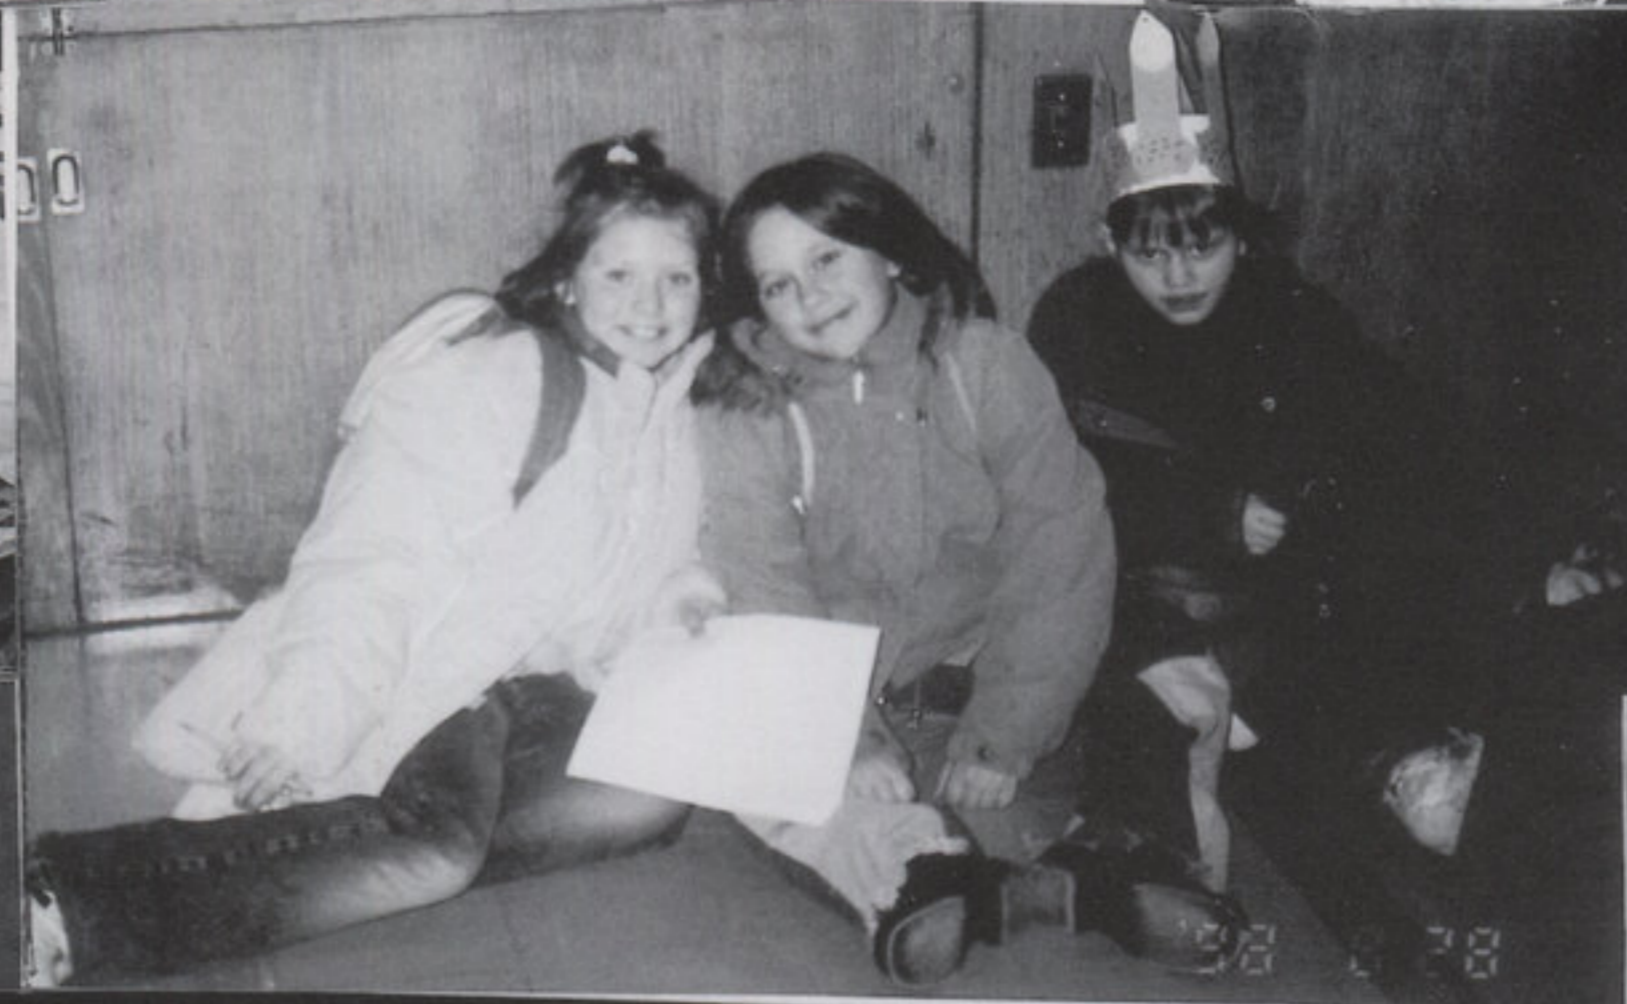

# Yearbook Staff
