# Members of Freshmen Basketball

This was the first season of Freshman Boys Basketball under the new head coach Troy Keen. The boys had a good season, with many of their losses being very close games that could have been changed by one possession.

The team ended the season with a 6-10 regular season record, and an 0-1 tournament record. There was a lot of talent on the team, and all of the players should help contribute a great deal to the Plymouth Basketball Program in the near future.
