"IT DOESN'T MATTER HOW YOU FINISHED. ALL THAT MATTERS IS THAT YOU FINISHED."

"Some of the things that I remember from these past years would be all of our trips to regionals. I also remember the time I broke the bus window at Old Fort! I'll never forget when we took the wet floor sign from McDonald's."

~SKY~

"Sky had a great career. He was a regional qualifier and was a big part of turning our program around."

COACH MCKENZIE

"I STARTED RUNNING BECAUSE I WASN'T GOOD AT ANYTHING ELSE. THAT WAS 6 YEARS AGO AND NOW I RUN BECAUSE I LOVE IT."

"Some of my fondest memories with this team is when we went running through the woods and on the roads at New London. I also remember in junior high when Skylar and I finished first and second. I'll never forget the time Ariel lost her retainer at practice and we spent forever looking for it."

"Evan trained himself into being one of the top runners in the area. That is all due to his dedication to the sport."

COACH MCKENZIE

"Best girls team we've had in my 10 years as a coach.
They work well together and are very competitive."

Coach McKenzie

“Working hard outshines talent if talent doesn’t work hard”

“My experiences in this sport have brought me many new friends and it led me to meet Matt. One thing that I remember the most from my career is when I beat Heather Stoodt my junior year. This year, I have not walked in a single race and that’s an accomplishment for me. My most memorable moment is the Boys vs. Girls fiasco in the beginning of the year.”

Kristin Keaton

“Three years as cross runner, Kristin has improved every year. Her expectations for the team have been high and that’s a plus.”

COACH McKENZIE

“...Everything happens for a reason...”

Kristy Collins

“I remember during conditioning, Kenzie would run with us! My goal was to keep up with him! I also remember the Elgin Invite. I liked it the best. I liked getting up early and riding the bus with the rest of the team and then going to McDonald’s afterwards. All-in-all it was a lot of fun.”

“Kristy Collins was a great addition to our team. She has great work ethic, attitude and sportsmanship. My only regret is not having her sooner.”

I've missed more than 9000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.

A LOOK INSIDE

this year !!

This year Student Council sponsored many school festivities. Homecoming was the major event they hosted. Throughout the week of homecoming Student Council held many activities to get the student body involved in school spirit such as powder-puff football, spirit days, the bonfire, class competitions, and the homecoming noise parade. The Student Council also invited children from the community to come to the school for Halloween and participate in many fun games and activities followed by trick-or-treat. They got students to donate their gently used clothes and then took them to the upstairs store in town. They Student Council also participated in teacher appreciation week by making a breakfast for the teachers and putting together books for them from the students. They have contributed a lot to the school and community this year.

Mr. Conklin directed Plymouth marching band for 28 years. The 05-06 school year will be his last. He has done a wonderful and succesful job of teaching the marching band members how to put on a good and enjoyable halftime show at the football games. It took practice but he made sure our band looked good out on the field! Thank you Mr. Conklin

THE EDITORS

I am so proud of how this yearbook turned out. We had a few minor setbacks in the beginning but the end product is amazing. Everyone was very hard working, and that's what made this yearbook so special. I just want to thank everyone for all of their help and dedication this year. You all made it unforgettable.

-Meagan-

I was really impressed by this year's yearbook class. We all did our best, and though we had some rough times, we worked through them to finish this book. Our 2006 yearbook has exceeded everyone's expectations, and I'm proud to have been involved in such a great production. The hard work and dedication this year's class has shown will allow upcoming classes to continue to have the privilege to create their own yearbook. I'm really proud of everyone involved. Thanks for making this year's yearbook such a great success!
