The Ohio Reads Program is a volunteer program that invites members of the surrounding community to come in and read with the students in grades K-4. Volunteers give at least 30 minutes, once a week to come in and read with students that are nominated by their teachers. This is a very rewarding experience for both the volunteers and the students. Karen Sutter is the Director of this program.

Volunteers not pictured: Linda Heinaman, Vicki Mack, Vicki Hale, Bernice Campbell, Sue Bauer, Rachel Sutter, Laura Kanney and Debbie Deskins.

The PTO is made up of parents and teachers that work together to organize various events throughout the school year. The money that is raised from the events is used to help fund field trips during the school year.

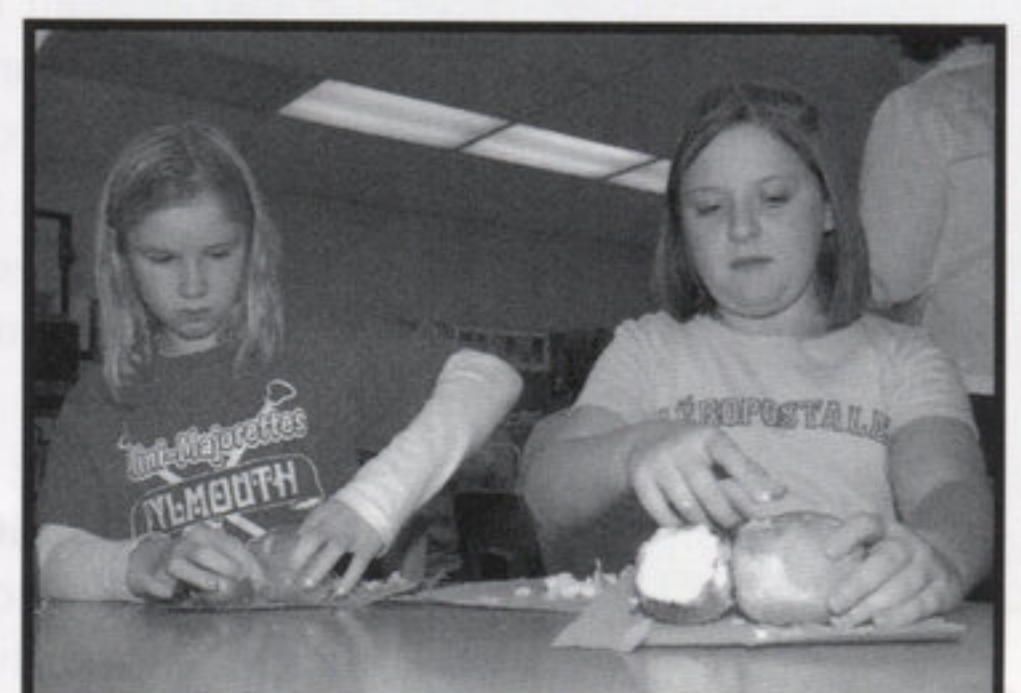

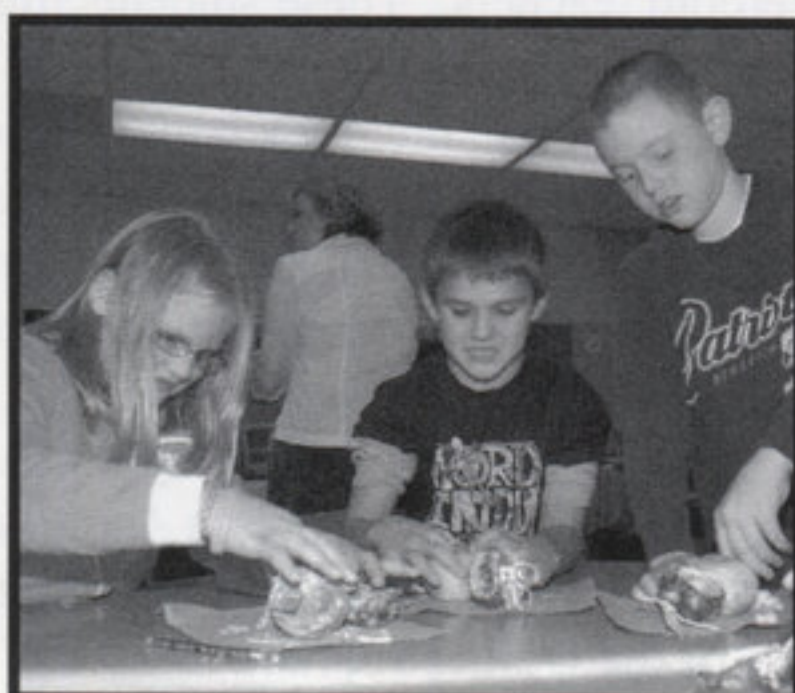

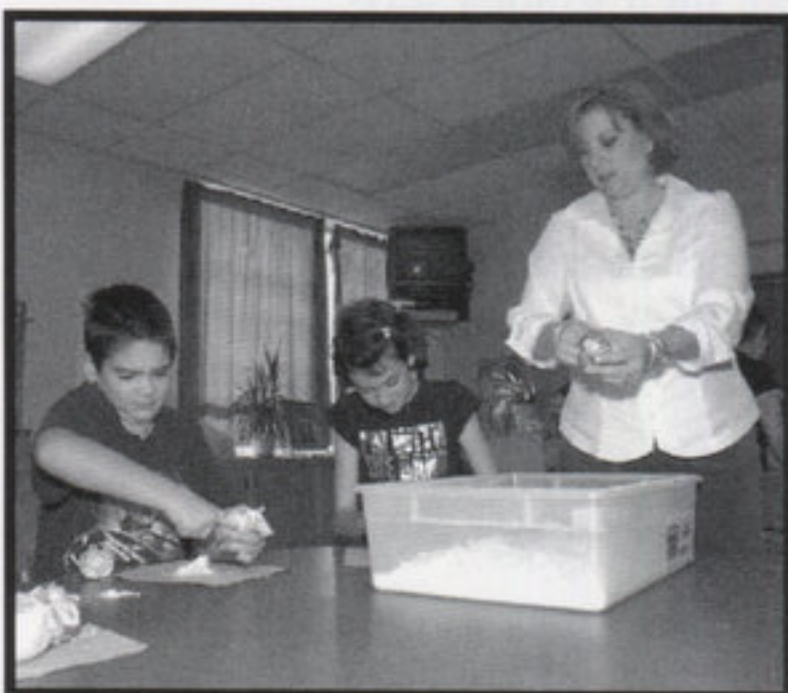

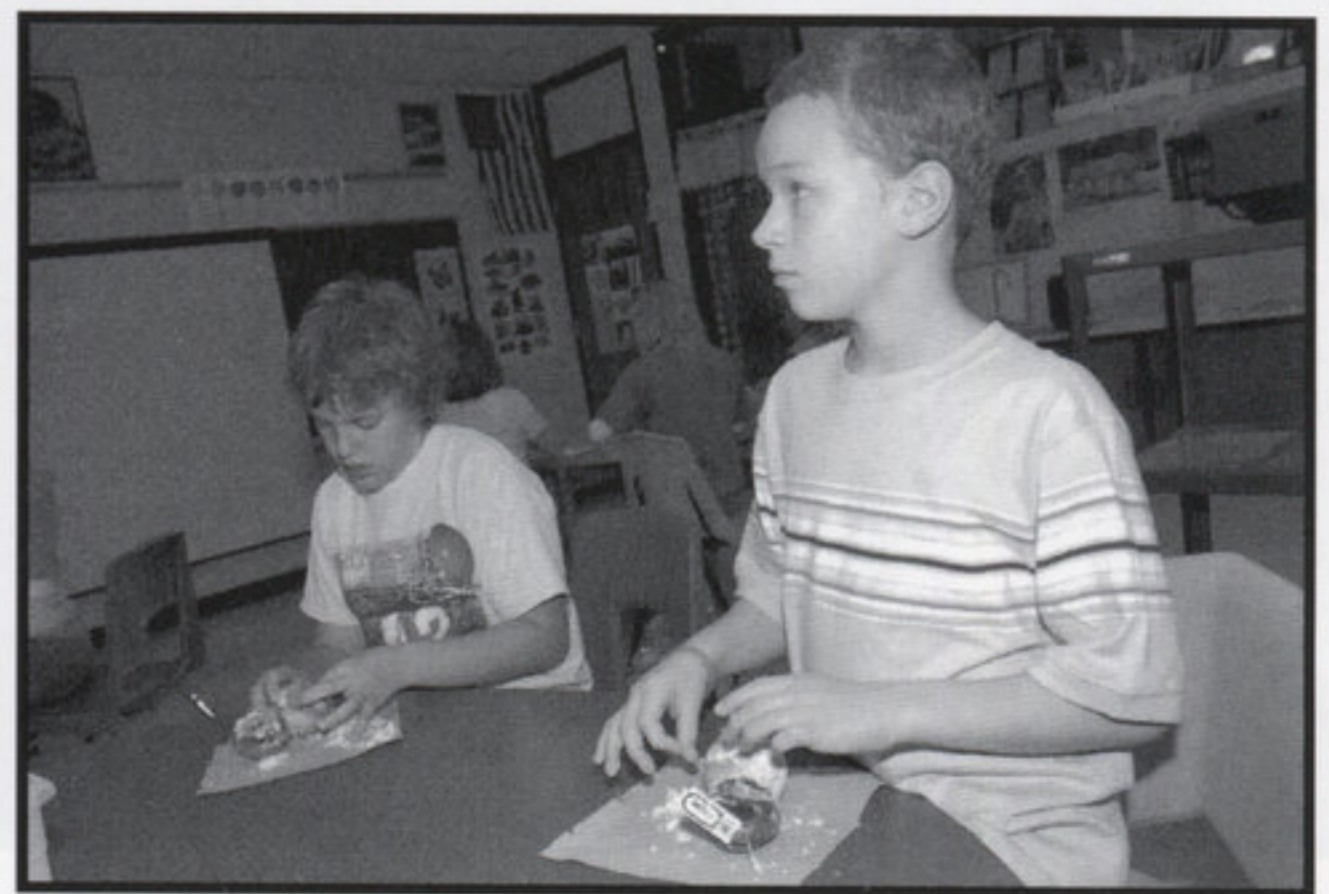

This year the PTO sponsored Dads and Donuts and Moms and Muffins during the Scholastic Book Fair, fall selling project, spring candy bar sales, Reading Carnival prizes, Santa and the gift of a book to each student at Christmas and the Secret Santa Shop.

The Leader's Club at Shiloh Elementary School is composed of fifth grade students who are recommended by their homeroom teachers. These students must take their grades seriously and exhibit good behavior as they are role models to the younger students. The goal of the Leader's Club is to help make our school and community a better place.

The main focus of the Leader's Club is the improvement of Reading skills. The fifth grade members meet once a week with their third grade partners to reinforce and improve Reading skills. The younger students enjoy and look forward to working with their older partners.

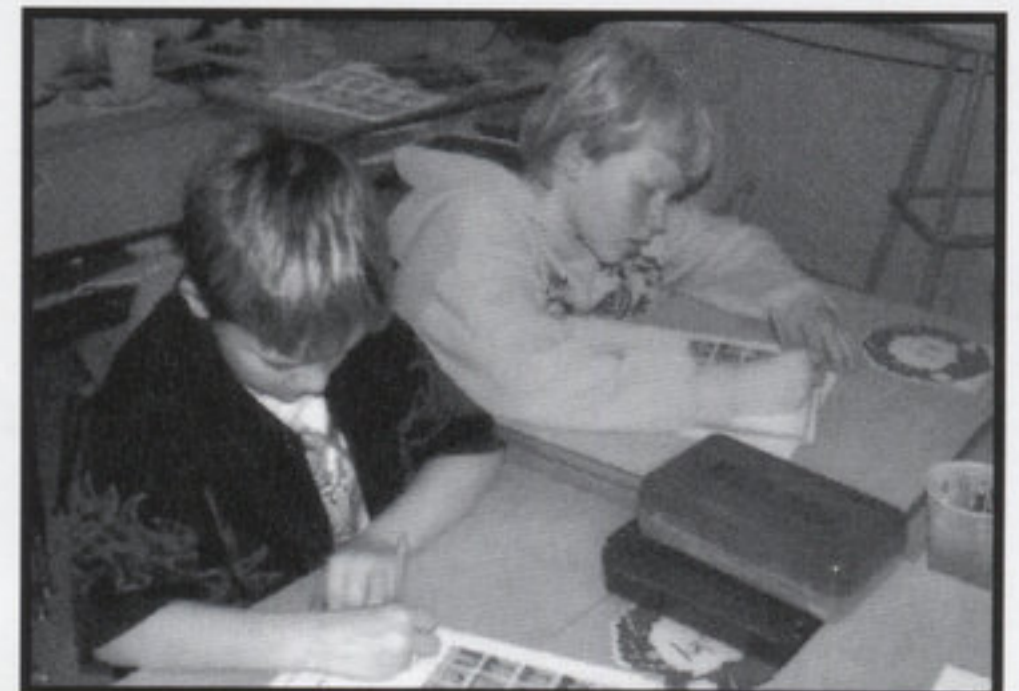

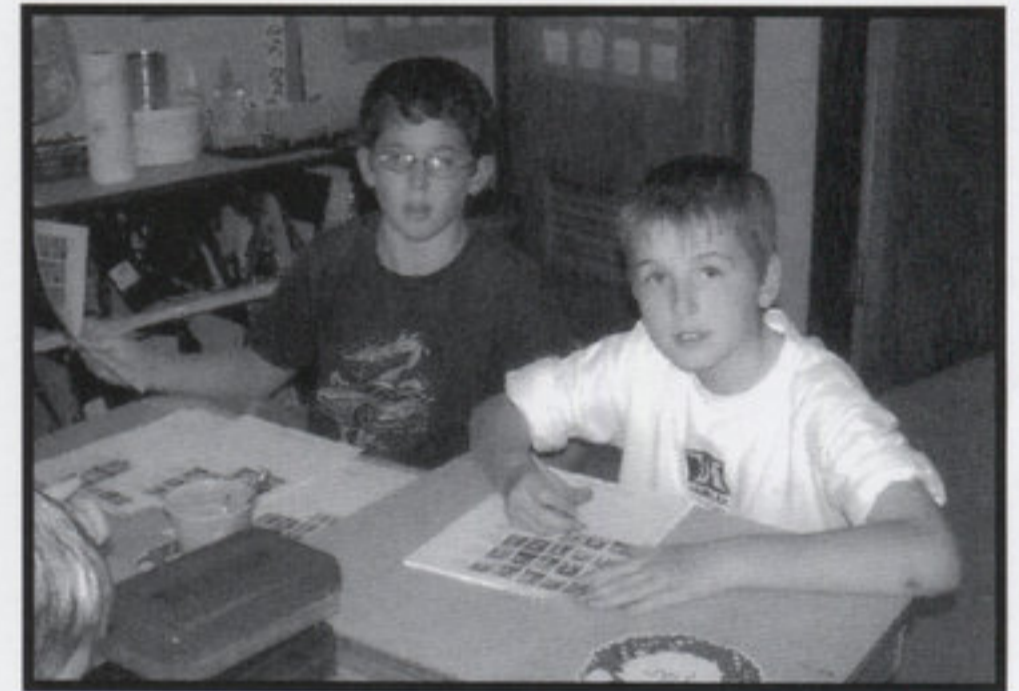

In addition to working with younger readers, some projects that the Leader's Club members participate in are: collecting pennies for the Salvation Army's "Million Pennies for Christmas," Plymouth Shiloh community food drive, and school wide recycling.

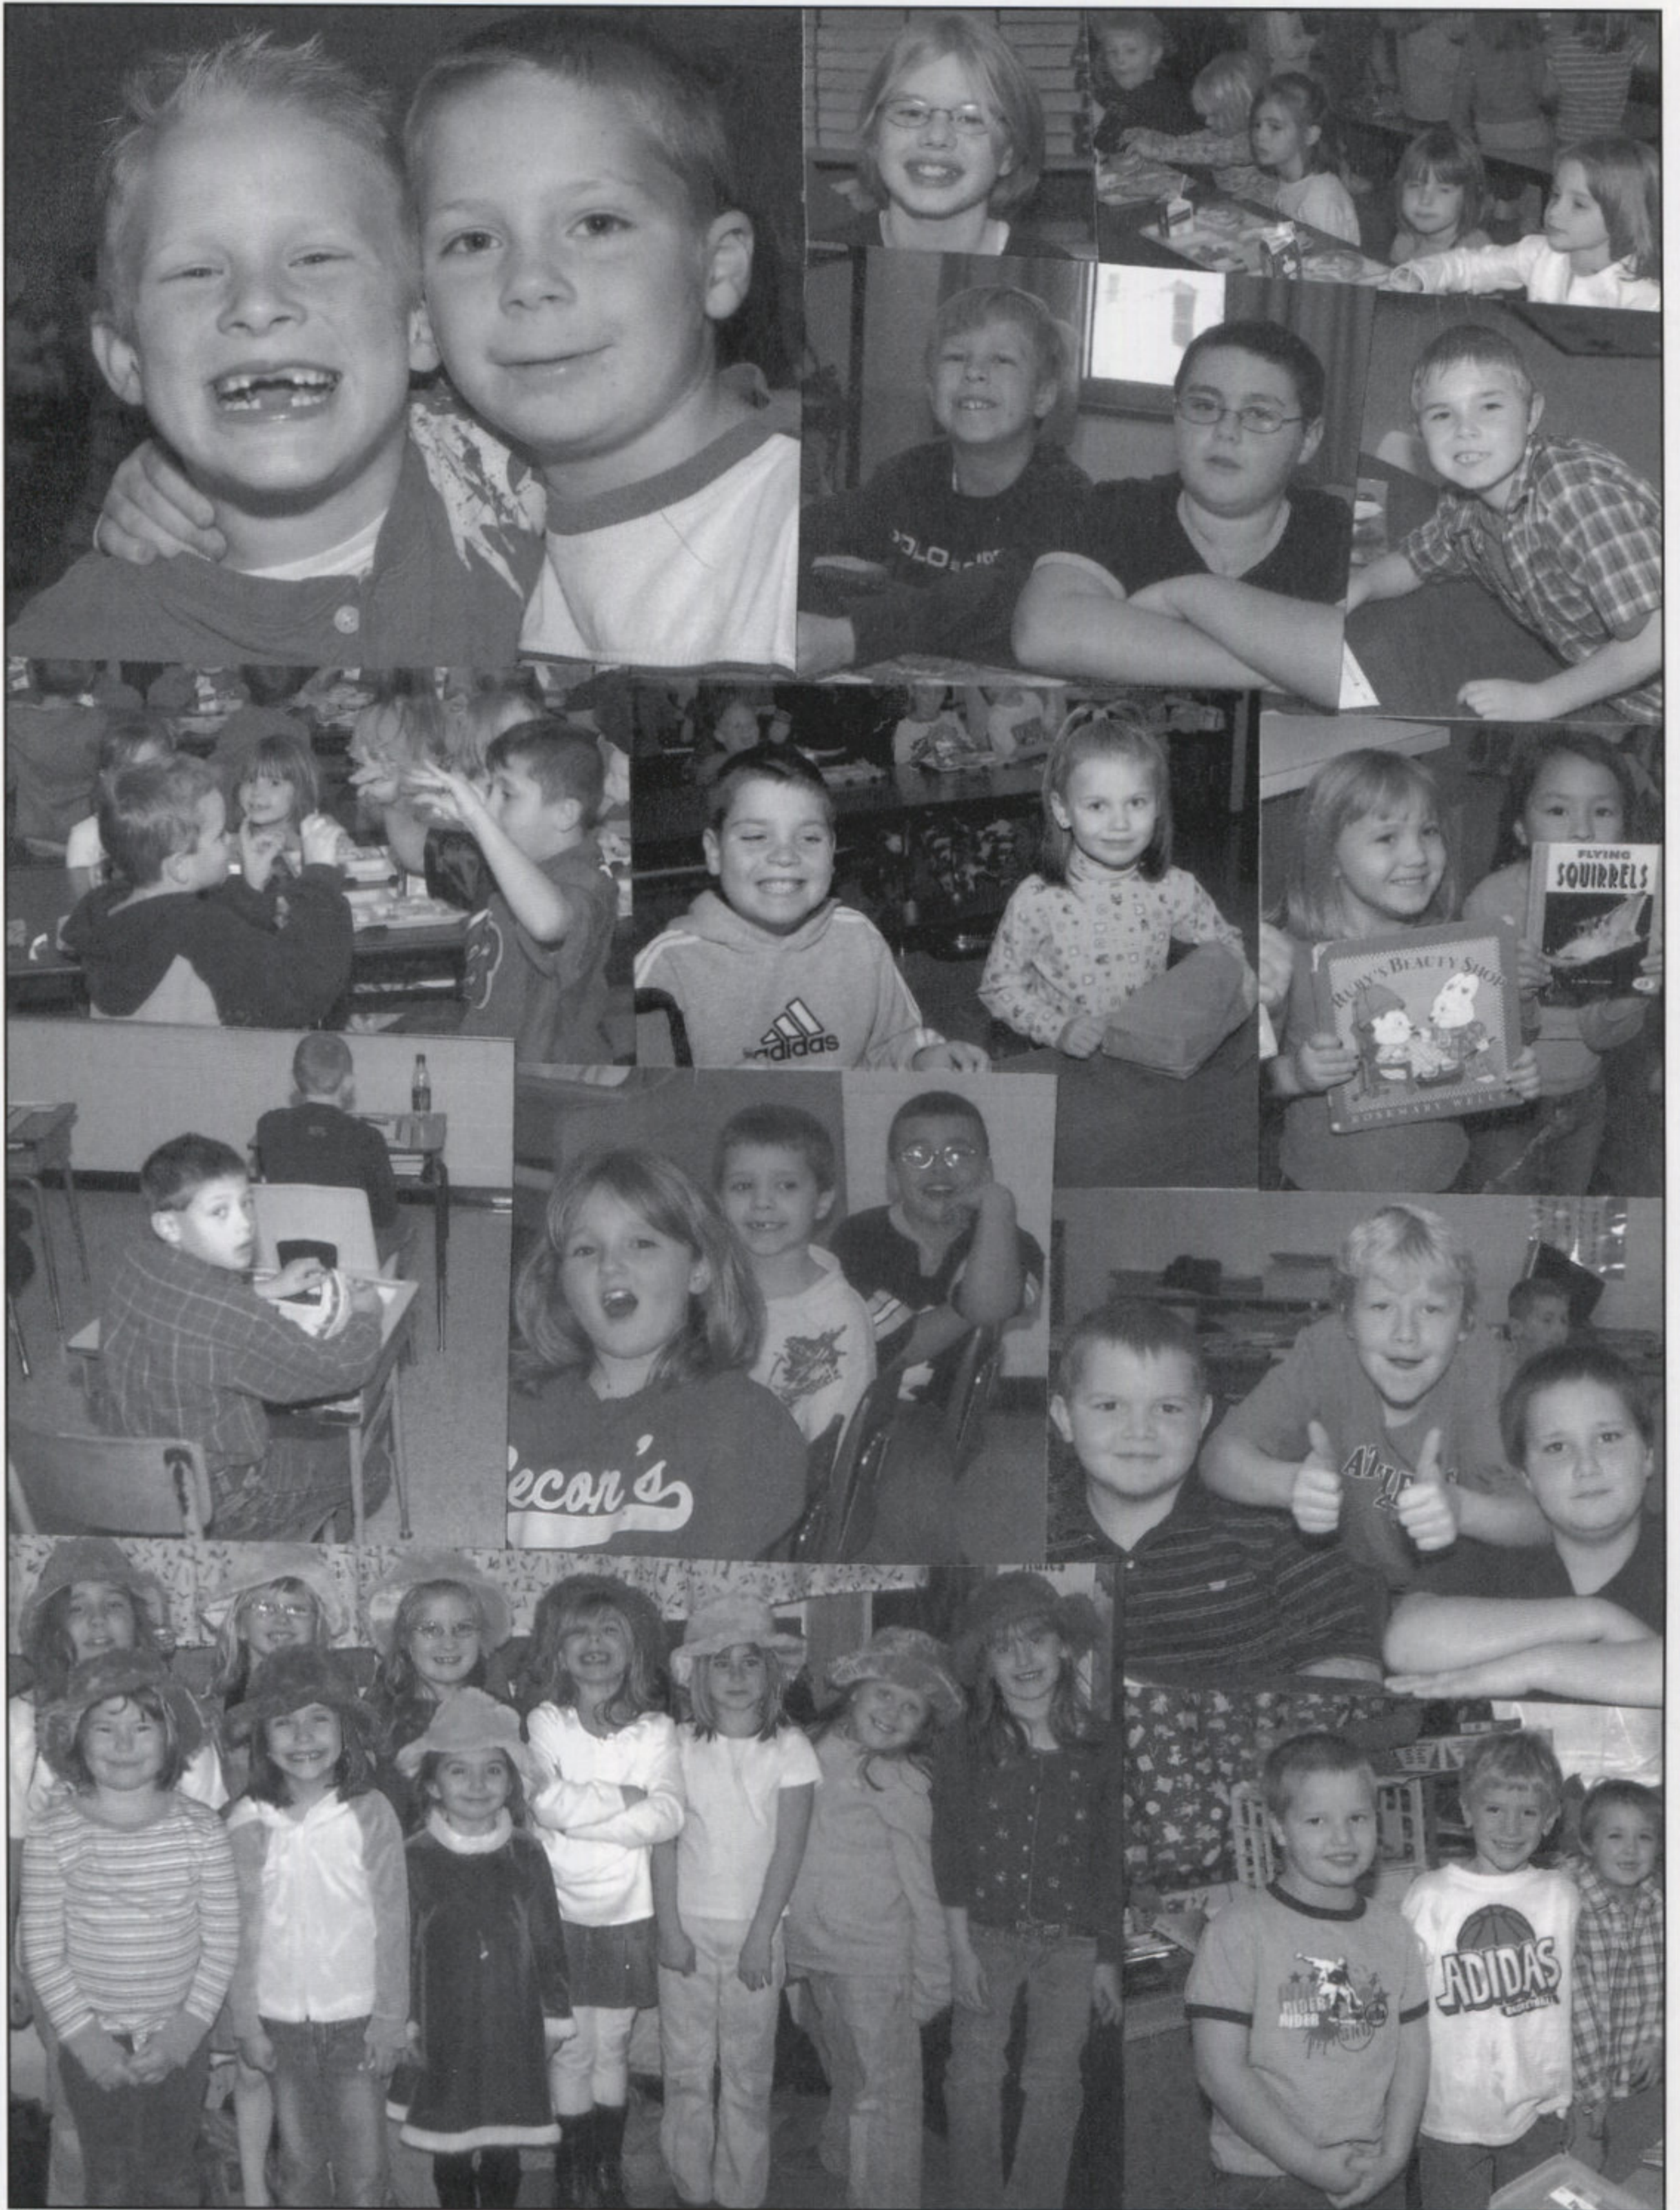

We are proud of the students of the Leader's Club.
