The 2008 - 2009 school year brought a lot of change to Shiloh Elementary. The students and staff moved into their brand new building, just across the parking lot from the current middle school and high school.

We also kicked off an exciting initiative set forth by Mrs. Gray, Mrs. Smart, Mrs. Kanney, Mr. Donoghue, Mr. Long and Mrs. Joyce Thompson. They researched and enthusiastically created the Viking High Five program. This program gave individual students the opportunity to learn some valuable character education traits, as well as earn some prizes like t-shirts, water bottles, and a sports bag. The ability to earn these prizes came from students earning green slips from their teachers and other staff members by demonstrating their willingness to be ready, responsible, respectful and safe.

Classrooms also had the opportunity to earn different colored paper hands, based on the months theme, by showing the Viking High Five traits like being safe, responsible, respectful and ready. They had to get caught by other staff members in areas like the hallway, at lunch or in specials. The monthly goal for each class was 24 hands. If classes earned or exceeded 24 hands, they were rewarded with spending time with Mrs. Gray. Some of the special times spent with Mrs. Gray included a scavenger hunt, having lunch with her, playing a game and getting an extra recess.

The class that got the most hands each month won the privilege of winning the traveling Viking High Five Trophy.

The Viking High Five program has proved to be a huge success. The staff is very proud of all the students at Shiloh Elementary.

Go Vikings!!

Yearbook Staff

The 2008 - 2009 yearbook staff was a hardworking group of 5th graders. Nominated by their teachers, they spent time after school helping to design the grade level and montage pages. This year's members include, from left, Hannah Atkins, Taylor Hass, Ryan Stumbo, Addyson Horne, Paige Manuel, Brianna Vincent, Remington Smedley, Katie Sheppard and not pictured, Tyler Wiley and Laura Grube. Mrs. Roblin would like to thank each of them for their help with this year's yearbook.

Leader's Club

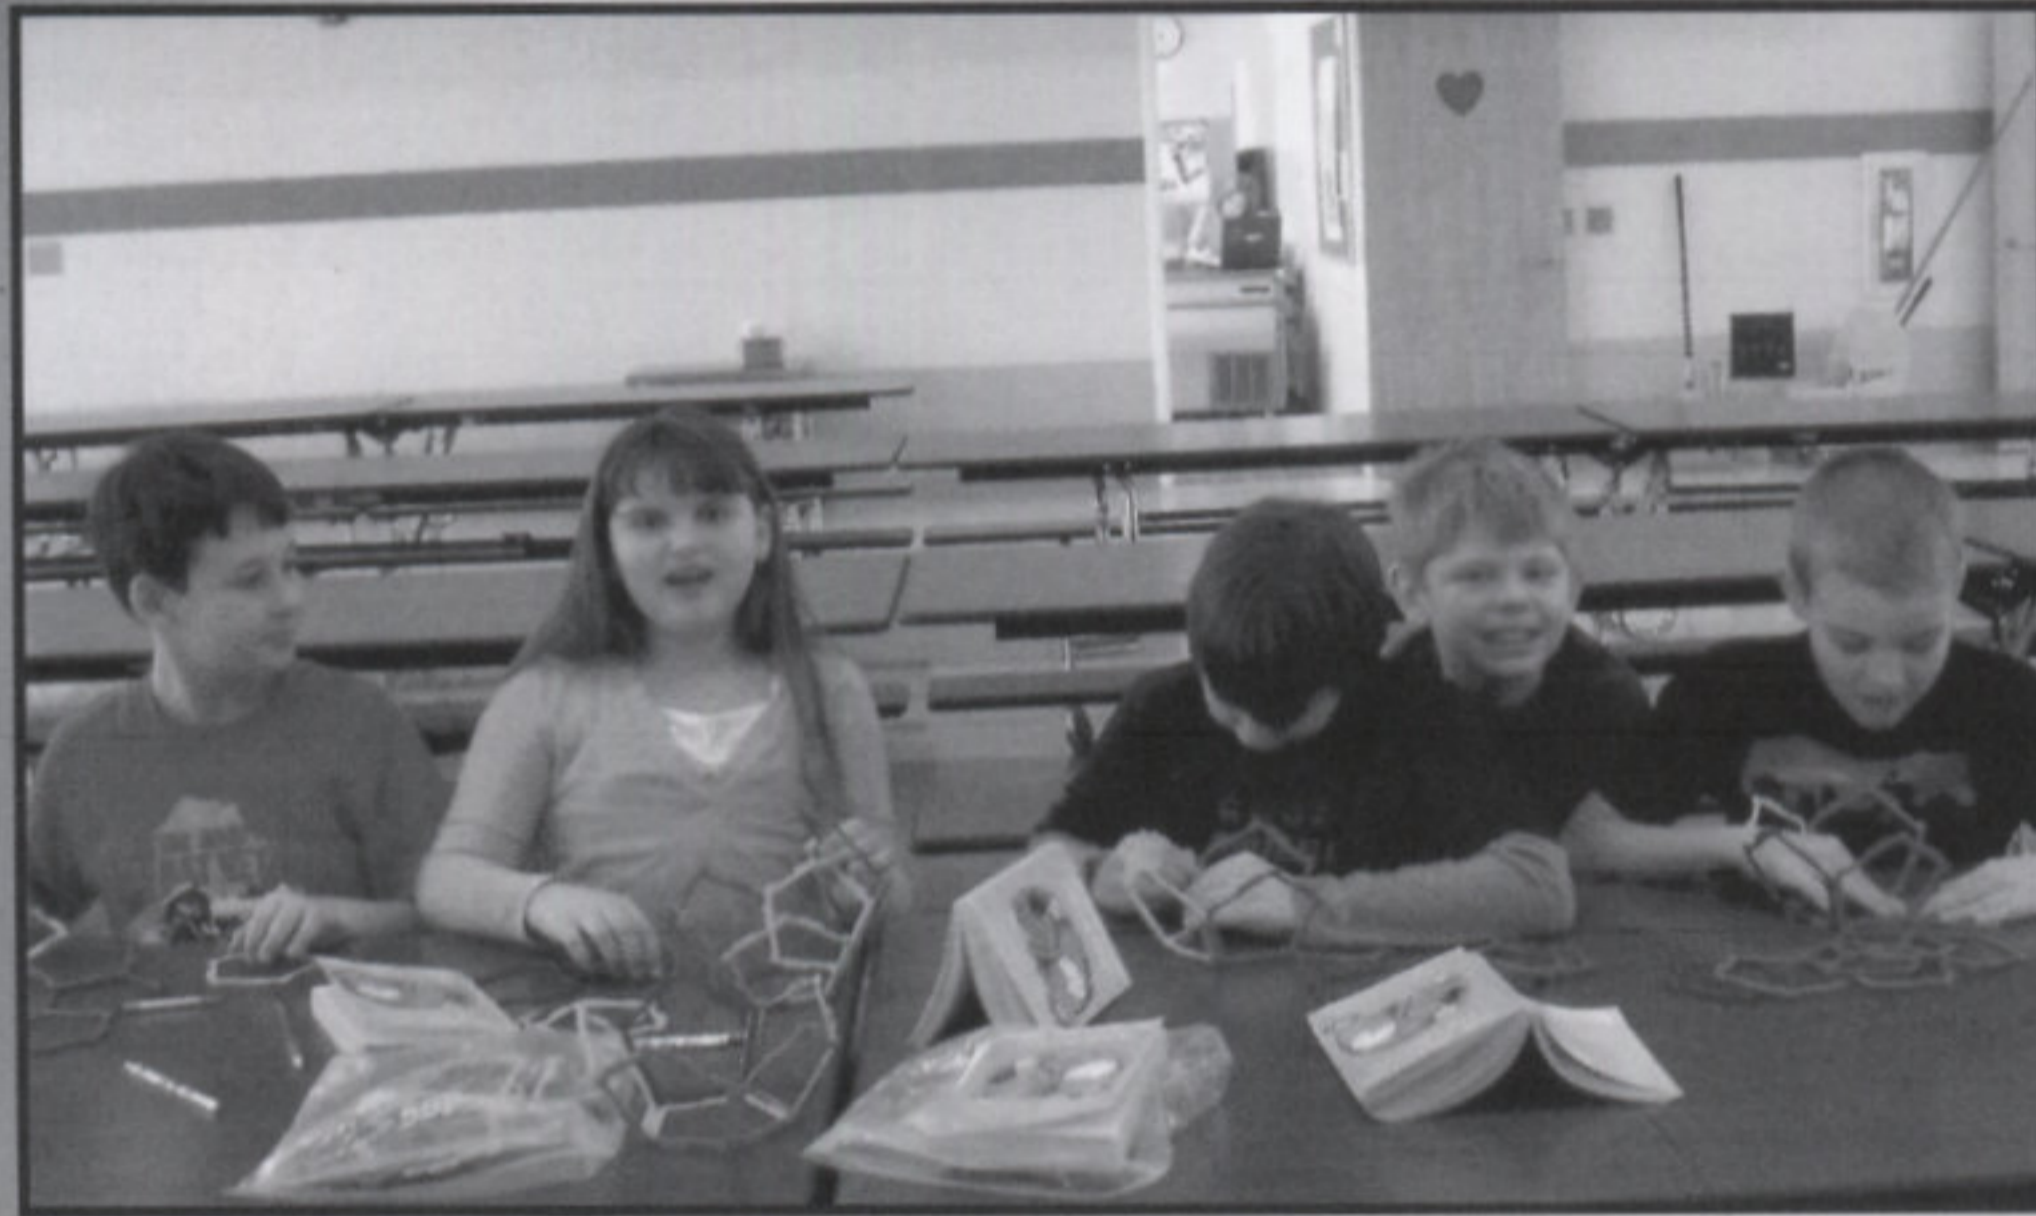

The Leader's Club at Shiloh Elementary School consists of fifth grade students who are recommended by their homeroom teachers. These students must take their grades seriously and exhibit good behavior as they are role models to the younger students. The goal of the Leader's Club is to make our school and community a better place.

The main focus of the Leader's Club is the improvement of Reading skills. The fifth grade members meet once a week with their third grade partners to reinforce and improve Reading skills. The younger students enjoy and look forward to reading with their older partners.

In addition to working with younger readers, some projects that the Leader's Club members participate in are: collecting food for Plymouth-Shiloh community food drive, school wide recycling, distributing weekly food backpacks, "Secret Student" program, and helping Mrs. Gray with special projects like the fall scavenger hunt. The Leader's Club members are led by Mrs. Linda Bloomfield.

We are proud of the students of the Leader's Club. This year's fifth grade members are: (back row, from left) Colten Young, Haven Keene, Noah Porter, Jacob Beckner, Olivia Simmons, Alex Oney, and Paige Manuel (front row, from left) Kendall Sanders, Ashley Kidd, Christian Ringer, Ben Hawk and Donald Baugh.
