Andrea and Stephanie scrub a tombstone.

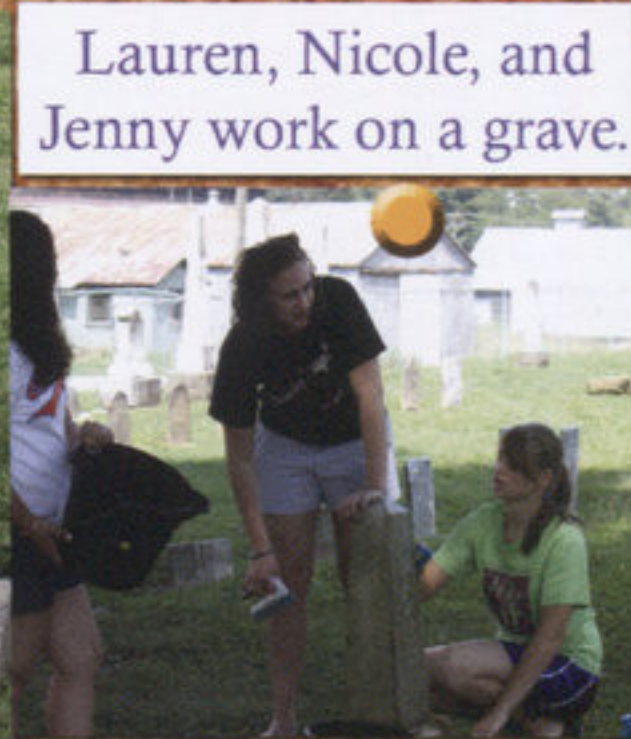

Before

This summer the student council started restoring Pioneer's Rest, a cemetery in Plymouth. They scrubbed graves, identified each tombstone and redrew the map of the cemetery. They plan to create a sign with all the information they have gathered.

After

Lauren, Nicole, and Jenny work on a grave.

One of Student Council's biggest activities is sponsoring the Homecoming Dance. They start making decorations weeks before the event, working together to make Homecoming a success. At left, Nicole and Haley cut up cardboard for decorations.

Bottom, left to right: Whitney, Josh, Dobbs, and Andrea paint the bottoms of columns. Lauren and Katie paint peace signs and flowers for the Peace and Love theme.

Emily splatters paint on a sheet while others help. Right: Austin holds a cut-out peace sign.

Student Council also sponsored a fun Christmas activity. Students could buy candy canes to send to whomever they wanted. Santa delivered them on the last day of school before Christmas break. Thanks to Austin Akers for being Santa!

Left: Andrea and Mrs. Grube help Austin get dressed.

Right: Austin passes out the candy canes.

## Do's and Don'ts

- Don't walk EVER! (Except at Lucas)
- Don't eat apples before you run. You will be sorry if you do.
- Do listen to Coach. Always.
- Don't swear at people who are cheering for you, even if you really want to.
- Do stretch - a lot. And drink water - a lot.
- Don't wreck your skateboard and break your arm like Brett. It's hard to run that way.
- Don't run into a gas station on the way to regionals either. You might find yourself in the middle of a robbery.
- Do show up to practice on time, every time.
- Do your best at every single race.
- Don't make excuses.
- If the guys in the back of the bus say 'don't look,' DON'T LOOK!
- Don't aim for people when you blow your nose.
- Don't go into a porta-pot if the guys are around. They will try to tip you.
- Don't count the number of people you pass out loud. It's rude.

I had a lot of fun this season. It was my first year cheering in high school and I really enjoyed it. Cheering in the Thanksgiving Day Parade in Chicago was an amazing once in a life time experience. I enjoyed getting to know the other cheerleaders and the Greens ;)  
-Kacy =)

This football season was a lot of fun. I feel we all worked hard and everyone got along. My favorite part was taking the trip to Chicago on Thanksgiving. It's sad it ended but I wish next year's girls the best

This season was very fun. Even though it was my first year cheering in high school, everyone helped and included me. There are also many memories from this season. Memories I won't forget. All I'm gonna say is, mini bag of popcorn, popcorn button, and sealed windows!  
You might almost catch the hotel on fire!

"This was my first year coaching and I am very glad I decided to do it. We faced injuries and the loss of players all year. The guys have really stepped it up and continued to get better throughout the season. There is one thing I'm sure of, whether we win or lose, they will play as hard as they can while they are on the floor. I am very proud of my team and would not trade this season for anything."

**RELAY FOR LIFE**  
AMERICAN CANCER SOCIETY  
A TEAM EVENT TO FIGHT CANCER

Student Council organized a Relay for Life fundraiser during April. Instead of exchanging batons for the relays, runners had to wear a prom dress while they ran and then give the dress to the next runner in the exchange zone. Each day, teams from each homeroom competed against each other out on the track. The freshmen competed against other freshman homerooms, the sophomores against other sophomore homerooms, and so on. On the last day, the winning teams from each grade, as well as a team of staff members, competed for the overall championship title. The juniors won this final race. Through the event, the school raised \$362 to be donated to the American Cancer Society.

The winning freshman team was made up of Brooke Kucinic, Mikayla Reer, Alex Picklesimer, and Austin Durbin.

Winning for the juniors were Zach Kanney, Stephanie Grube, Megan Bisel, and Trae Michael.

The team of staff members was made up of Mr. Martin, Miss Flanegan, Mrs. Swinehart, and Mr. McFarland.

The sophomore champs were Josh Endicott, Savanna Mosley, Emily Jamerson, and Jerimiah Crager.

The winning team of seniors was Derrick Beers, Noah Tucker, Andrew Smith, and Allyssa Brown. Brandon Kanney ran in Derrick's place in the championship race because Derrick was absent.
