The cheerleaders did a great job this football season. The Varsity was a very hard working group that was quite helpful to the JV this year. We had several new cheerleaders to the JV and Varsity, yet our co-captains Emily Jamerson and Christyn Runkle, together with the other experienced juniors worked diligently to make sure everyone was prepared. Varsity members also volunteered often at JV games to further aid their success as well. I look forward to the opportunity we have to grow in the future with our young squad and their positive work ethic.

**Ridge Elkins**

Enjoy it, it goes fast.

Football is meant to be fun, so make it. Go hard every play. I love you guys! Stay together and keep fighting!

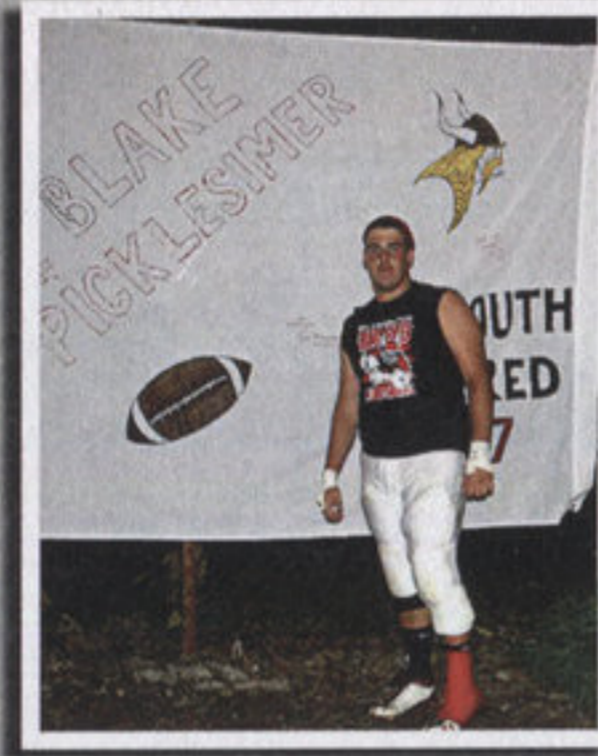

Zach Kanney

**Philip Gillum**

You won't win unless you know you can win, You won't beat the person across from you unless you know you can. Football is a beautiful game and it's all about the desire and the will to win. All eleven players on the field have to play with passion and heart if you want to succeed. Love the game and never take it for granted.

PLYMOUTH BIG RED

**Blake Picklesimer**

Clear eyes.  
Full hearts.  
Can't lose.

Don't play down to the other team's level.

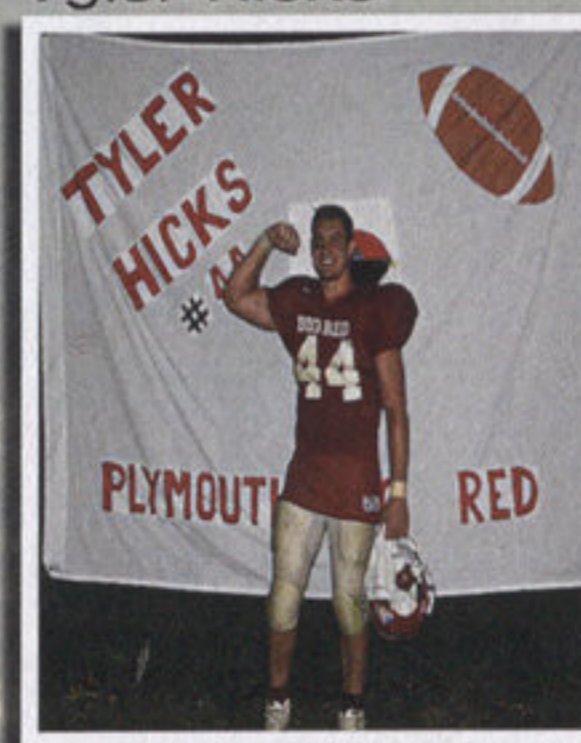

Dylan West

If you can get out of practice, do it. Play on Friday nights. Practicing is for losers, which most of you are. I rock. Love, Jay Durbb

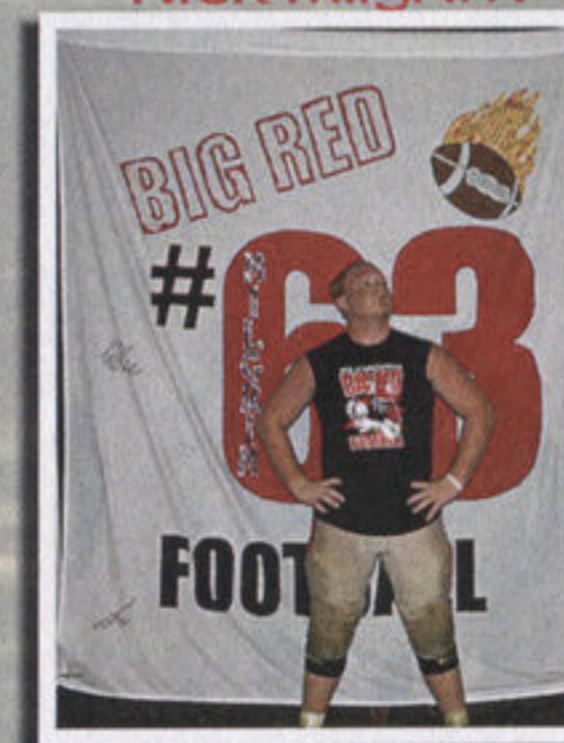

Go as hard as you can possibly go everyday and never give up.

Tyler Hicks

Logan Lacy  
Go with one mentality: either I'm knockin' you out or I'm gonna knock myself out.

If you're going to do something then do it going hard. If you don't then what's the point of doing it?  
Nick Milgrim

**Craig Miller**

I can't believe it's over, you blink and it's gone. Build on the tradition. Love, QB1

Play every play like it's your last cause you never know when it will be your last.
