This football season was great! This was my 2nd football season and I really enjoyed it! Our hello cheer always got compliments because it was so long! :) I hope everyone enjoyed it as much as I did.
@Debrina Bolen

This football season was a great season! Even through all the rain, we still had fun! It was a great last football season for us seniors! I'll miss football games a lot!
@Kim Hale

It was a good season and I can't believe it's my senior year already. The season definitely went too quick.
@ChristynRunkle

It's hard to believe that was my last time cheering at a football game. This season was definitely one of the best. Even though it rained so much, we still had fun all season.

Mr. Hopkins @Coach_Hopkins

The golf team was very young this year with six new golfers to our team and one returning letterman. Our golfers worked very hard during the season and improved their total team score by forty strokes. I look forward to bringing all of our golfers back and having a great season next year. Through hard work our future looks bright.

Yearbook this year was a blast! I won't forget all of the fun times I had taking pictures. In yearbook next year don't hesitate to ask Mr. Lewis for help and just relax and enjoy it!

I had so much fun doing the yearbook this year and taking all the pictures for the sports. I'll really miss this next year! Good luck to next year's staff and remember to go out and take pictures of everything so you miss nothing and turn pages in on time so you aren't rushing to finish it in the last days of school, especially if you're a senior!

Coming to Plymouth was everything but boring! I didn't really know what to expect, will it be like in all the high school movies? Are the teachers going to be nice? I still remember my first school day like it was yesterday, I was so lost!

Being an exchange student is not just a bed full of roses, there has been days when I have been thinking "Why did I do this? Is it worth it, the loneliness and home sickness, is it really worth it? My answer: yes!! It became a year I will never forget, a year that shaped my life, shaped who I am and who I will become! I will remember you all!

I really want to thank Bev, John and Madison; at this point they opened their home and their heart for me. I already miss you!

Thanks to all my teachers and coaches you guys were so patient with me! I enjoyed every one of your practices, maybe it didn't look like I did everyday, but I really did! I never felt

unwelcome or strange here! Thanks for everyone who helped me with the homework, talked to me in the lunchline, explained all the worksheets or just told me the answer!

I know that I will miss this so much!
You guys are awesome!
GO BIG RED!!

 *Julia*

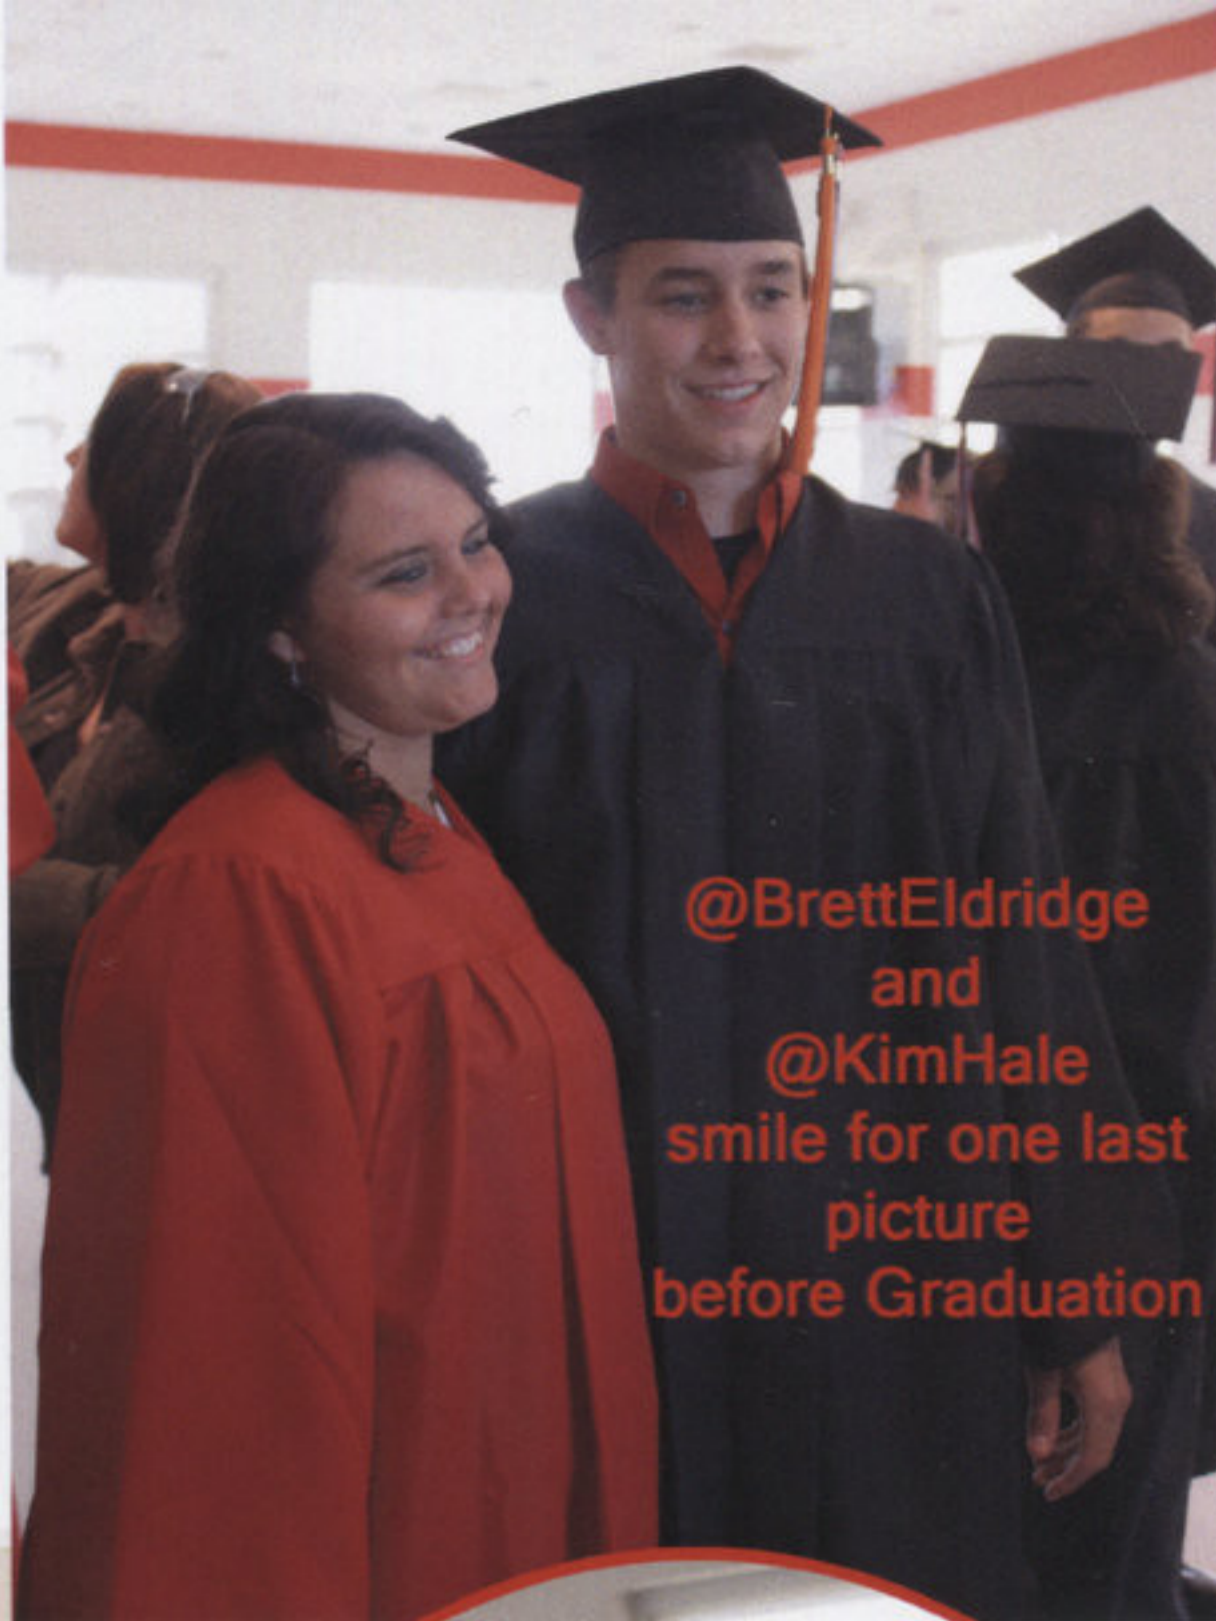

P.S. If you guys have the opportunity to come to Germany, visit me! Or do an exchange year, it will change your life! You have taken a big spot in my heart and always will be remembered!
