The image features a white background with horizontal blue lines. Scattered across the page are several vertical strips of colored paper: blue, yellow, green, and red. Each strip is outlined with a dashed line, suggesting they are meant to be cut out. In the center, a red banner is tilted diagonally, containing the word "SENIORS" in large, white, bold, sans-serif capital letters. On the right side of the page, there are three circular punch holes. A thin red vertical line runs down the right side of the page, passing through the punch holes.

The JV football team showed tremendous effort this season sporting a 2-5 record. With a roster that often was at 13 players, the boys showed that they have what it takes to get the job done. Coach Eric Picklesimer lauded the players skills and felt that they made huge steps towards contributing to the varsity squad next season

Making History

The 2014 Plymouth football team ended the season at 4-1. They started the season off with a huge win against the Lucas cubs, almost doubling their score at 40-22. The Big Red boys went on to defeat Sandusky St. Mary's 46-39 even after a rain delay. The boys perserved once again by overcoming Harrison Central and it seemed as though the entire town came out and witnessed Gabe Saez, our wonderful Spaniard, kick a last second field goal to win the game 35-34. The fault in our season came during the first conference game. Playing Mapleton, the boys scrambled to catch up but the mounties held them with a 13 pt lead. Redemption was not far off in week 5, as PHS was victorious over Monroeville to finish off homecoming week with a 58-27 win. A strong excitement grew at PHS in week 6 as rumors of the playoffs spread through the school. With a victory over South Central, the boys felt their dreams come true. Even with a tough loss to St. Paul on Friday, the Big Red did not forget about their first ever playoff bid. Week 8 rounded out smoothly at Western Reserve with a Big Red win of 47-34. Week 9 topped off with another big win against New London at home with a score of 34-6. A glorious 27-0 win over Crestview was all the boys needed to round off their regular season. The announcemet of playoff opponents brought back memories of week one and the boys geared up to face Lucas once again. Unfortunately, our big red boys of fall fell short in week 11 and the best season of football ever played at PHS came to an end.

This years student council participated in many service activities and fun school events. Over the summer they did things like scoop ice cream and assist with BINGO at the Plymouth Festival. At the begining of the year they did things like host a "Back to School Party" and got decorations ready for this years Homecoming Dance. They also volunteered for the Salvation army by collecting money at the local grocery store and ran booths at the Trick or Treat event held at the school. This group of hard working students jumps at any opportunity to better their school and community.

The JV girls had a tough season, but with every hardship that they endured they learned something from it and grew stronger! It was a learning season for everyone, whether it was learning a new position or even getting pulled up to play Varsity from time to time. Though it wasn't the season they hoped for, they are excited and hopeful for next years season!

ONE TEAM ONE DREAM

This was a season filled with a lot of lessons learned and many hardships. Countless injuries on the team lead the Big Red to only win one game; but, this didn't stop them from playing hard and giving it all they had every game. A lot of the girls grew stronger this year. They learned what they need to work on over the summer to make next year's season better. "We can have no progress without change, whether it be basketball, or anything else."

"Basketball isn't about the bright lights, packed arenas, and highlight reels. Basketball is the way of life. Basketball is a relationship between you and the ball, you and your teammates. If you love the game, nobody can take that from you."
-Michael Jordan

"Injury taught me to be strong through all the chaos and trust God with every decision in my life. You can either make the choice to let self-pity define you or, you can rise up and choose to be strong and faithful through it all. Every positive thought propels you in the right direction."

"At the end of the day, losing season and all, I am so thankful that I got to play with these girls and develop the friendships that I did."

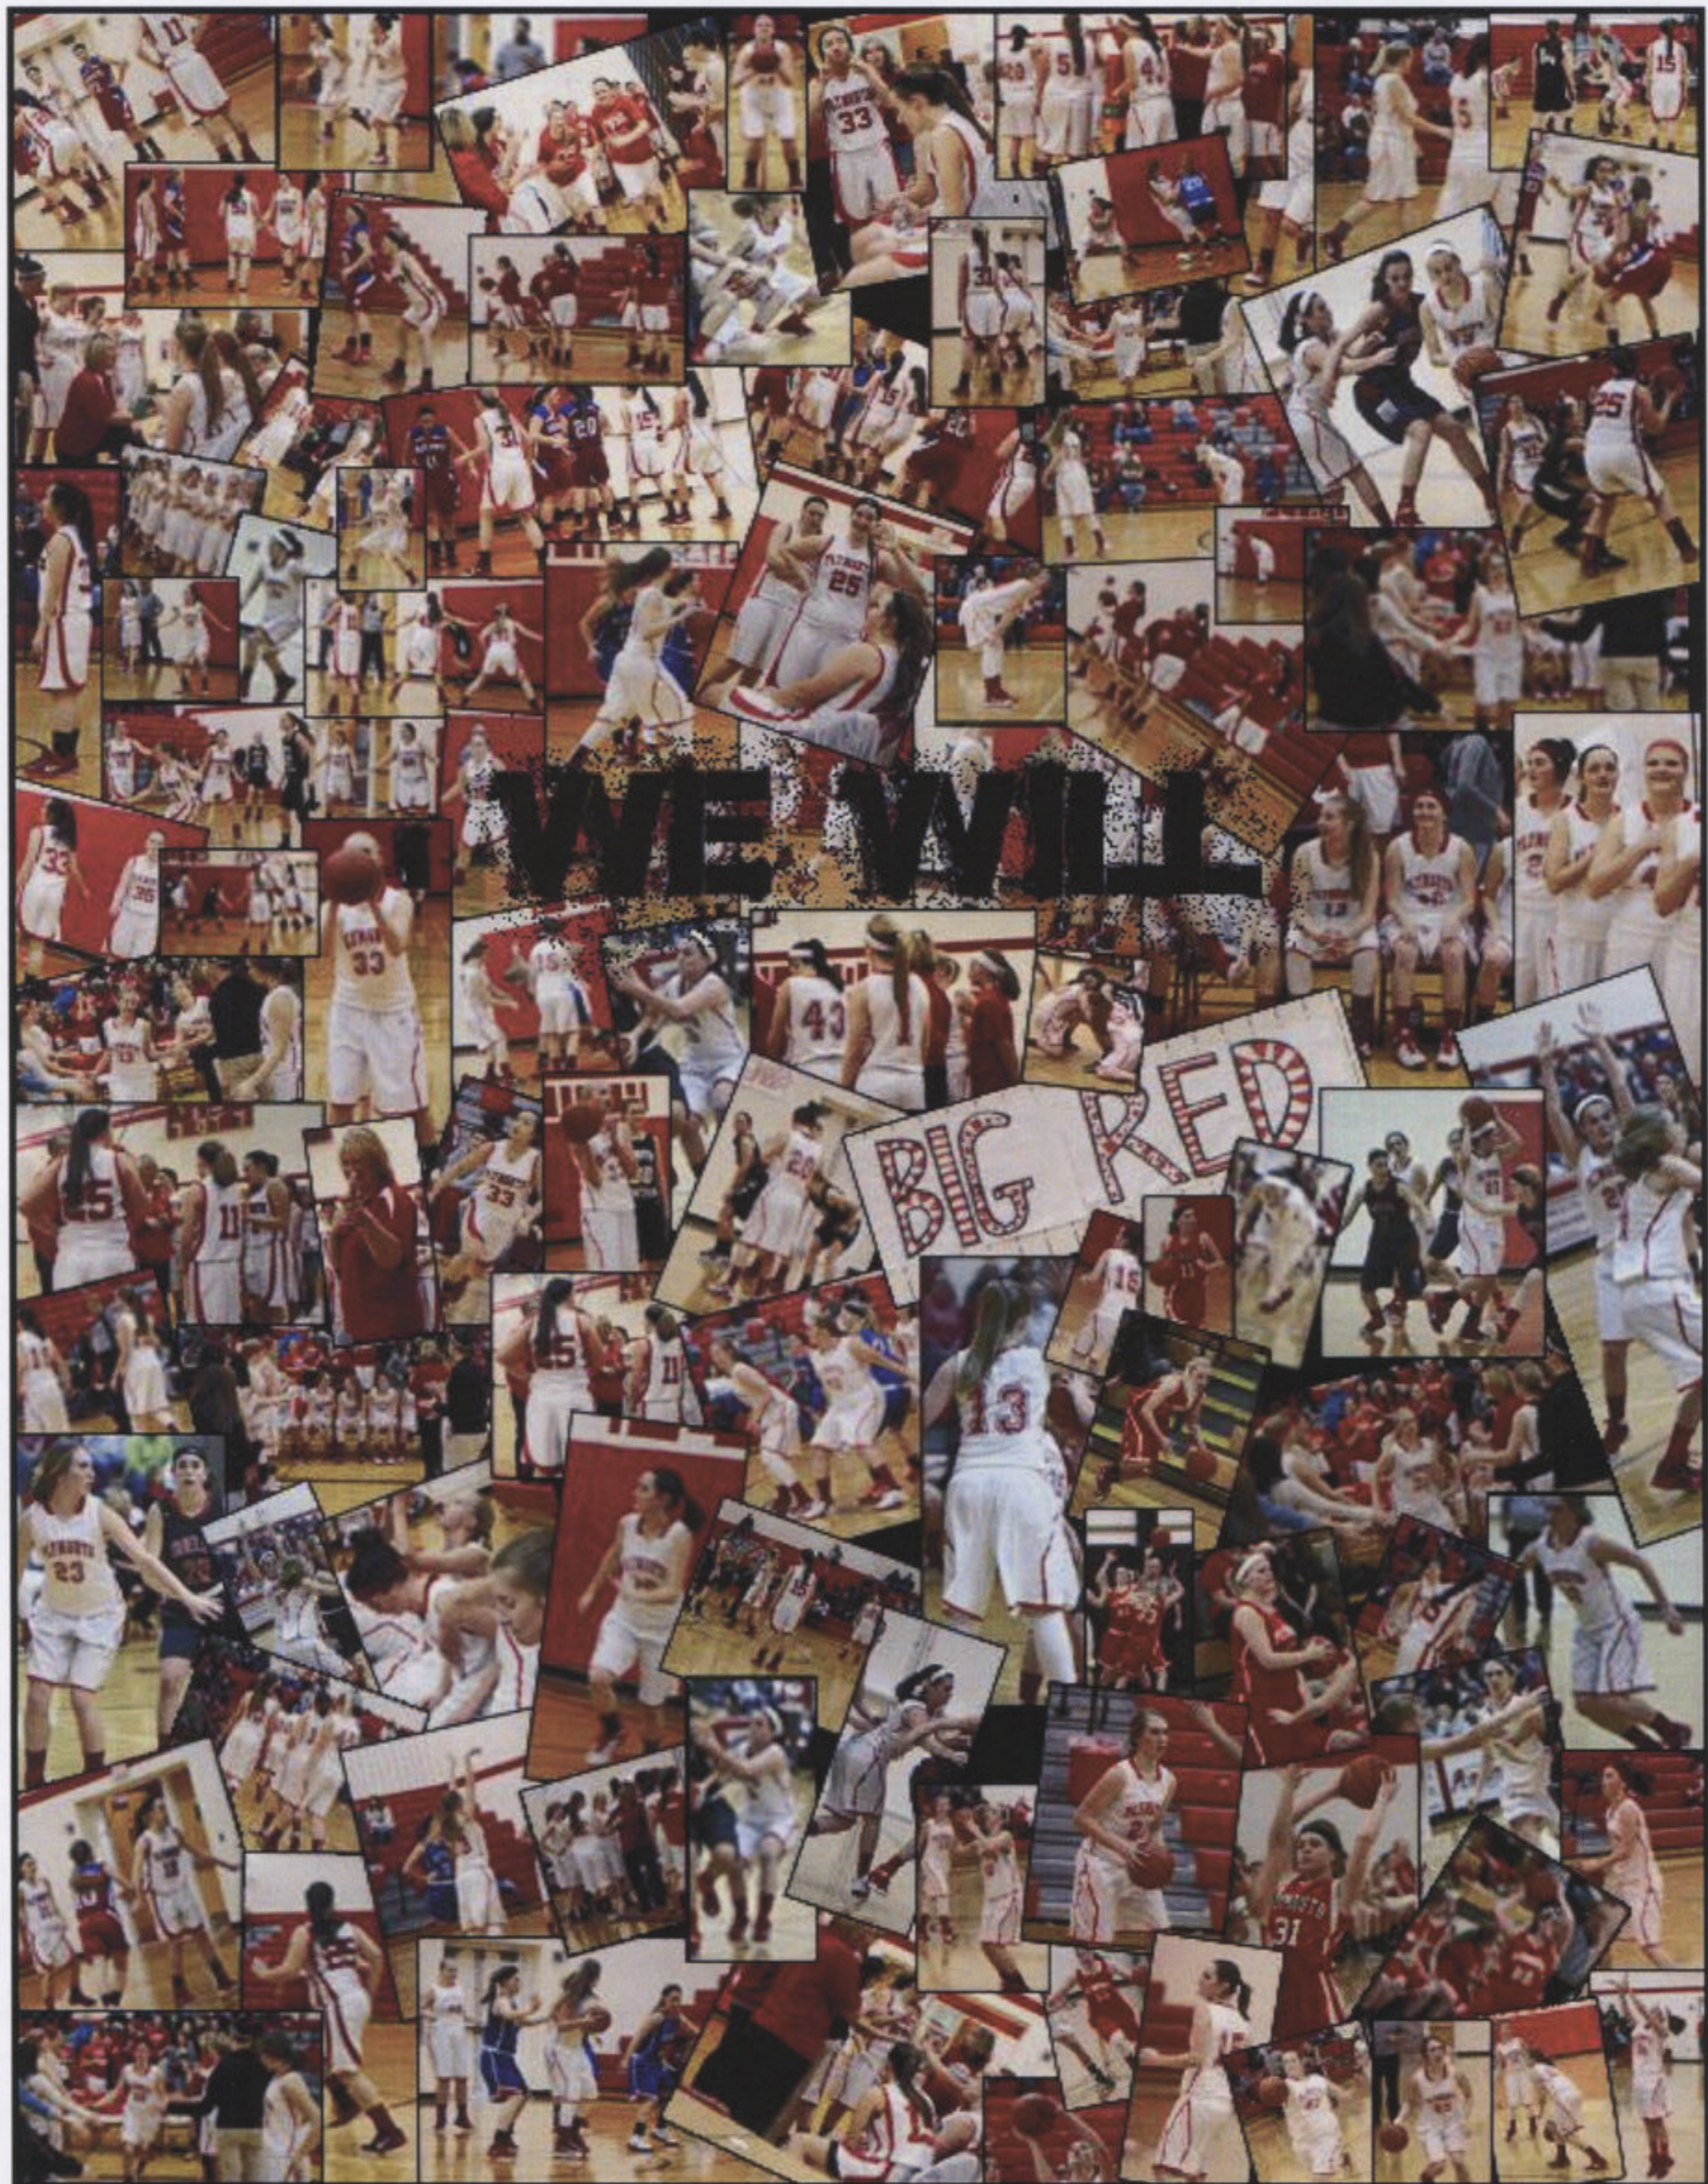

"Even though the season didn't turn out the way I hoped, I had a lot of fun this year playing with the team."

"I had a lot of fun playing basketball these past 4 years, especially my senior year. I played with an amazing group of seniors and I'm happy with how far we've come together."

A season to remember. Our boys have done it once again. Their hardwork and dedication paid off as they advanced each game and kept a level head. Our early season loss gave us a taste we soon wouldnt find again as we had an otherwise perfect season all the way to the end. Determined, the Big Red basketball team knew what had to be done. A conference championship, a sectional championship, and a district championship led us all the way to Bowling Green. Regional qualifiers, our boys made it so far. Thanks for a great season, Big Red.

Our 2015 Varsity Baseball team had a very successful season. Although numbers were down this year our new Head Coach, Jason Higgins really stepped up and made us the best team he could. The season ended with a record of 14-12 and 7-7 in The Firelands Conference. This year we lost 7 seniors Tyson Beebe, Nathan Weltlin, Chance Butcher, Hunter Bailey, Devin Ramey, Jacob James, and Tyler Taylor that will be missed very much. Coach Higgins is looking forward to what next year holds.

PLYMOUTH SOFTBALL MAKES HISTORY

Janet Arnold Hugs her Mom after the District Championship game.

Haven Keene extends to make a great catch

Deborah and Addy stop for a quick pose between innings

The Plymouth Girl's Softball team made history this year by becoming the first team ever to reach the Regionals. They were led by Junior Addy Horne's pitching efforts, and a great group of seniors. They finished the season 17-12 falling in the regionals to the defending state champions, Cuyahoga Falls at Kent State University.

Lexi Washburn catches for the Lady Red.

Addyson Horne unloads another strike.

The making of the yearbook was a little bit stressful but 100% worth it. Building pages and making lasting memories are really what this class is all about. I'll really miss being at all of the sporting events carrying around a camera. My advice to anyone wanting to join yearbook is do your pages and make it fun. I hope you all enjoy this book for years to come!

kelsey breznicki

It was really fun to be a part of the yearbook staff and I wish I would have joined sooner. I can't wait to look at it years down the road!
