**YOUTH** by  
**TROYE SIVAN**

What if  
 What if we run away  
 What if  
 What if we left today  
 What if  
 We said goodbye to safe and sound  
 What if  
 What if we're hard to find  
 What if  
 What if we lost our minds  
 What if  
 We let them fall behind, and they're never found  
 And when the lights start flashing like a photo booth  
 And the stars exploding  
 We'll be fireproof  
 My youth  
 My youth is yours  
 Trippin' on skies, sippin' waterfalls  
 My youth  
 My youth is yours  
 Run away now and forevermore  
 My youth  
 My youth is yours  
 The truth so loud you can't ignore  
 My youth, my youth, my youth  
 My youth is yours  
 What if  
 What if we start to drive  
 What if  
 What if we close our eyes  
 What if  
 We're speeding through red lights into paradise  
 'Cause we've no time for getting old  
 Mortal bodies, timeless souls  
 Cross your fingers, here we go  
 Oh, oh, oh  
 And when the lights start flashing like a photo booth  
 And the stars exploding  
 We'll be fireproof  
 My youth  
 My youth is yours  
 Trippin' on skies, sippin' waterfalls  
 My youth  
 My youth is yours  
 Run away now and forevermore  
 My youth  
 My youth is yours  
 The truth so loud you can't ignore  
 My youth, my youth, my youth  
 My youth is yours  
 My youth is yours

Dear You,

I hope you enjoyed the yearbook and looking back at the memories we all have together. I really hope you have enjoyed the theme of "My Adventure Book" as much as I have. This might just be just the last page of the 2016 Adventure Book, but never let your real Adventure Book stop. Some of us might be leaving home soon and some might be saying but always remember "Adventure is out there!" -Up.

With Love,

Me

## Our Editors

Dear Reader,

It was so much fun to put the yearbook together! I'm glad you bought one, and I hope you enjoy looking through it! These memories can live on through this book. In words from Up, "Thanks for the Adventure! Now go have a new one!"

-Laura
